Ohio Protocol Sexual Assault Forensic and Medical Examination 5th Edition
Sexual Assault Nurse Examiner conducting Child Sexual Abuse Evaluation

As of January 31, 2012, in order for a facility to receive reimbursement from the Sexual Assault Forensic Exam program (SAFE) for a pediatric medical/forensic examination on a non-acute incident (greater than 72 hours), the health care provider must demonstrate expertise in child/pediatric sexual abuse. The definition of "Pediatric" for the purpose of identifying the **RN/APN as qualified** in conducting non-acute incident pediatric examinations: A pediatric is a female who is pre-menarcheal and/or a male pre-stage three of the Tanner Classification of Sexual Maturity. APNs should fill out the physician's form.
