2026-2933
Officer Involved Critical Incident - 5193 Robinhood Drive, Willoughby, Ohio 44094 Lake County (L)

Investigative Activity:	Initial Crime Scene Processing
Involves:	Willoughby Police Department
Activity Date:	07/31/2026
Activity Location:	5193 Robinhood Drive, Willoughby, OH 44094
Authoring Agent:	Crime Scene Technician Michael Rostocil #204

SUMMARY:

On Friday, July 31, 2026, Ohio Bureau of Criminal Investigation (BCI) Special Agent (SA) Larry Hootman and Crime Scene Technician (CST) Michael Rostocil assisted the BCI Force Investigations Unit and the Willoughby Police Department with the processing of an outdoor crime scene regarding an officer-involved critical incident. The scene was photographed as it was found and evidence was collected. The scene was further documented using a Leica RTC360 3D scanner. The scene was processed with written consent from the owners of two involved residences.

Narrative:

On Friday, July 31, 2026, at approximately 2230 hours, CST Rostocil was contacted by SA Larry Hootman for a crime scene assistance request from the Willoughby Police Department regarding an officer-involved critical incident that occurred at 5193 Robinhood Drive, Willoughby, OH 44094. SA Hootman advised that a subject, identified as Jason Green, allegedly charged officers while armed with a knife, prompting the officers to discharge their duty weapons. Green was struck, transported to the hospital, and later died from his injuries. Both CST Rostocil and SA Hootman responded to the scene.

CST Rostocil arrived on scene at approximately 2330 hours and met with BCI Special Agent Dan Boerner. Special Agents Joe Goudy, Nick Valente, and Larry Hootman responded and arrived on scene shortly after. The scene was secured with uniformed patrol officers, and the scene was cordoned off with yellow crime scene tape. The weather at the time of arrival was calm and approximately 75˚F. SA Boerner advised officers responded to this location for a disturbance and encountered Jason Green with a kitchen knife. An attempt to tase him was unsuccessful. Two officers discharged their weapons in the front yard of 5201 Robinhood Drive. It was unknown how many times each of them fired. Two (2) fired cartridge cases were located on the driveway of 5201 Robinhood Drive. A preliminary search of the front yard area for additional fired cartridge cases was conducted using flashlights, with negative results.

This document is the property of the Ohio Bureau of Criminal Investigation and is confidential in nature. Neither the document nor its contents are to be disseminated outside your agency except as provided by law - a statute, an administrative rule, or any rule of procedure.

SA Boerner advised CST Rostocil that Jason Green was inside the residence of 5193 and had threatened [redacted] identified as [redacted]. CST Rostocil photographed the living room and kitchen inside the residence. A knocked over knife block was observed on the kitchen counter.

The main crime scene was outside in the front yard of 5201 Robinhood Drive (Figure #1). The residence was a single-family home positioned on the east side of the roadway which ran north and south. Items of evidence were observed on the driveway and front lawn, including a small area of suspected blood on the grass as well as on the driveway and front steps of 5193 Robinhood Drive. The scene was photographed as it was found before items of evidence were identified and labeled with number placards.

Two (2) Hornady 9mm Luger fired cartridge cases were located on the driveway of 5201 Robinhood Drive which were photographed and collected as **Items #1-2**. Several items of evidence were located on the front lawn in front of the residence which were photographed and collected: a taser probe and wire (**Item #3**), a camo Browns hat (**Item #4**), two (2) tan slippers (**Item #5**), and an unburnt cigarette (**Item #6**).

At the end of the driveway of 5193 Robinhood Drive was another taser wire, which was photographed and collected as **Item #7**. Further up the driveway were two (2) green taser blast doors, which were photographed and collected as **Items #8-9**. Next to the driveway in the grass on the north end of the front lawn of 5201 Robinhood Drive were two knives: one was a black 8" SERV brand chef knife which was photographed and collected as **Item #10**; the other was a black 3.5" SERV brand paring knife in a bent condition, which was photographed and collected as **Item #11**. On the front porch of 5193 Robinhood Drive was a pipe, which was photographed and collected as **Item #12**.

Willoughby Police patrol vehicles that were still on scene were photographed, including patrol vehicle #813 which was parked in front of 5201 Robinhood Drive along the east curb facing south, patrol vehicle #[redacted] which was parked in front of 5194 Robinhood Drive along the west curb facing south, and patrol vehicle #[redacted] which was parked in front of 5186 Robinhood Drive along the west curb facing south.

The drone was utilized to take overhead photographs of the scene and evidence (Figure #2).

The front yard and side yard south of the driveway of 5201 Robinhood Drive was searched again for additional fired cartridge cases using flashlights and a metal detector, with negative results.

SA Nick Valente arrived on scene with two (2) firearms (packaged in boxes) and a taser (packaged in a box) collected from the officers involved and transferred them to CST Rostocil at approximately 0205 hours on 08/01/2026. SA Valente advised that each of the officer's weapons contained nineteen (19) unfired cartridges in the magazines and one (1) in the chamber. Each magazine had a capacity of twenty-one (21) cartridges. An additional visual search for fired cartridge cases in the front yard of 5201 Robinhood Drive was conducted, again with negative results.

The scene and evidence were further documented with a Leica RTC360 3D scanner. The 3D scan data was prepared for viewing using the Leica Cyclone Register360 software and uploaded into Evidence.com. Overhead diagrams of the scene and evidence were prepared using the Leica Map360 software and uploaded into the Matrix case file.

CST Rostocil retained Evidence Items #1-12 and the firearms and taser from SA Valente and secured them in his vehicle. CST Rostocil cleared the location at approximately 0220 hours on 08/01/2026 and transported the evidence to 4055 Highlander Parkway, Richfield, OH 44286 (BCI Richfield Office). Upon arrival, the evidence was placed into temporary evidence storage locker #30 at approximately 0256 hours.

The photographs were uploaded to Evidence.com. All 3D scan data was uploaded to Evidence.com.

In the morning, BCI Special Agents Dan Boerner and Joe Goudy reported that officers with the Willoughby Police Department responded to 5201 Robinhood Drive during daylight hours on 08/01/2026 and located two (2) additional fired cartridge cases, after video was reviewed and it was determined four (4) shots were fired.
