Report Written by: Dep. Scott J. Beier

I met Lawson at Garlo Park just south of town to get more information, also the family members of Sergeant were present. Lawson and I are both familiar with Sergeant due to past dealings. In speaking to Lawson, it was discovered that Sergeant had been violent with family members the night prior. It was described that Sergeant had held a younger child in the house by the throat, against a wall and swung a hammer at her head, but striking the wall. it was also learned that he had done this to the lady of the house.

As I was heading west on Earl I looked off to the north and could see Deputy Walter and Sergeant, Deputy Walter was attempting to contain Sergeant who would occasionally kick at Deputy Walter and swing at him wildly. At one point Sergeant took up a fighting stance, clenched fists and was swinging. I was driving along a fence and a wood line approaching the two, Sergeant turned to run and Deputy Walter tackled Sergeant and took him to the ground. Sergeant had spun trying to get away and was draped over Deputy Walter's back. When I approached, Sergeant was resisting Deputy Walter, I pushed my Taser into his back and asked if he was done resisting and he then complied.

Deputy Walter advised me that Sergeant had a hold of his weapon and had been trying to get it out of the holster when he had taken him down. I did notice that Deputy Walters holster was twisted outward and appeared deformed.

Seneca County Sheriff's Office Report [redacted] Notes: 12/15/2026

Report Written by [redacted]

Jeff Sergent contacted dispatch and requested to speak with a deputy about an issue he had with his wife, Christine Sergent. Jeff informed dispatch that he does not want a Deputy to respond to his house.

I talked with Jeff over the phone, from the Sheriff's Office. Jeff reports that he and his wife were in a verbal argument tonight. Jeff reports that during this argument, his wife told him that she will file a false police report against Jeff. Jeff reports that he has audio recordings of her saying this. Jeff reports that his wife left the house during this argument, with their autistic adult son. Jeff said that he was under the impression that his wife was on her way to file a police report. Jeff only requested to have a report on file.

Seneca County Sheriff's Office Report 26-9272 Notes: July 4, 2026

Report Written by Dep. C. Pergram

On July 4, 2026, the Seneca County Sheriff's Office received a call from the complainant, Christine Sergent (CS), *advising that she wanted to speak with a deputy in regard to a domestic violence complaint that occurred on July 1st, 2026. Deputy Messer and I arrived on scene and spoke with C.S. C.S stated that her husband, Jeffrey Sergent, had punched her on the left side of her head. Causing the area around her ear to bruise and then caused a laceration behind her ear from the top of her ear to her ear lobe.*

C.S stated her, her son, and Jeffrey were the only ones inside the residence. C.S then stated that Jeffrey was carrying a knife in his pocket and then started to come at her with his hand in the pocket that the knife was in. C.S stated that's when she used the Siri function on her phone by saying "Hey Siri, call 911." C.S then stated that's when Jeffrey had punched her. C.S told Jeffrey to leave the residence, which he did. I was advised by C.S that she went across the street to TJ's Drive Thru to have pictures taken of her injuries. C.S stated Jeffrey has been talking to people who are not there inside the residence.

Deputy Messer asked C.S if Jeffrey has some mental health concerns, which she stated yes. C.S then stated Jeffrey possibly has schizophrenia.

C.S stated Jeffrey has heard voices inside the residence when nobody was speaking. C.S then stated her son is non-verbal. C.S stated that Jeffrey has been paranoid, and he thinks there is a blue van following him. I viewed the pictures

of C.S's injuries from July 1st. In the pictures, it showed C.S's left ear was abnormally larger than her right ear and bruised. The pictures also showed C.S had a laceration behind her left ear from the top of her ear to the top of her ear lobe and blood running down from the laceration to the middle of her neck.

C.S advised that Jeffrey was at the residence on July 3rd, to take a shower and pack the rest of his belongings while her and her son was not at the residence. C.S then stated she had ordered pizza for her son and Jeffrey sat down on the couch. C.S told Jeffrey that he could no longer stay at the residence and then told him he has to leave. Jeffrey then told C.S that he was not leaving the residence because it's his house. C.S then stated to Jeffrey that she will put him in jail. Jeffrey then told C.S that he did not hit her or do anything to her. C.S then stated that she was filing a report so she "Doesn't look insane when there are bruise on me."

A felony Domestic Violence charge was filed and was sent to be signed as a warrant.

NARRATIVE

While on duty for the Seneca County Sheriff's Office I was advised that a male subject by the name of Jeffrey Sergent had an active warrant out of our office as well as an active warrant from the state of Tennessee. I was advised that Sergent has made "suicide by cop" statements in the past and that he will fight any officer that tries to arrest him on his warrant. I was further advised that Sergent has placed cameras around the house and he will constantly view the road for marked cruisers.

The subject I spoke to stated that his entire family including his mother are extremely afraid of Sergent as he has been violent with members of the family in the past. I was further advised that Sergent has made comments in the past about stabbing members of the household. Sergent also monitors a police scanner so all of our communications were done via phone and or texts. I called and spoke to the home owner and I did receive permission to entire the house by force if necessary to arrest Sergent. I was also advised that there was an Autistic male and a female juvenile that were also inside the house. The home owner stated that Sergent is usually in his bedroom and I was given directions to the bedroom once inside the house. I was also advised that there was a second door to the bedroom near a bathroom.

This Deputy is familiar with Sergent and his violent tendencies. At that time I called Sgt. Beier on the phone and advised him of the incident that I had in the Village of Bloomville. Sgt. Beier then met me at Garlo park which is located South of Bloomville. I then advised Sgt. Beier of the possible cameras and the statements that Sergent has made in the past about fighting Law Enforcement if he was arrested. I also advised Sgt. Beier that I was given permission to enter the house and where Sergent was located inside the house by the home owner.

At that time we had Deputy Walter come on duty early and come to our location at Garlo park and asked for an Ohio State Trooper for back up as well. When Deputy Walter and the Trooper arrived I advised them of the situation. At that time we all left and parked our cruisers across the street from the Bloomville Bank so Sergent wouldn't see us coming up to the house.

Myself and Deputy Walter entered the house and went straight for the first bedroom door as Sgt. Beier went to the second bedroom door. As soon as I attempted to open the door I could hear a Male inside the bedroom yelling "what". At that time I yelled back to open the door or I will kick the door in. At that time the room became silent and I could hear Sgt. Beier yelling " let me see your hands, get your hands up, get on the ground".

At that time myself and Deputy Walter then proceeded to the second bedroom door.

As I went into the bedroom I could see Sgt. Beier with his Taser out and pointed at Sergent. Sgt. Beier was still telling Sergent to get on the ground or he will be tased. Sergent then made a step towards Sgt. Beier and then Sergent was tased. Only one taser probe made contact with Sergent and at that time Sergent ran out the front door heading North on State Route 19.

Myself and Deputy Walter chased after Sergent and I could hear Deputy Walter yelling at Sergent to stop running and to get on the ground. I saw Sergent run West bound on Earl Street so I went in behind the Bloomville UCC Church towards Earl Street. As I got onto Earl Street I could hear Deputy Walter still yelling for Sergent to stop running and to get on the ground. I could tell that Deputy Walter was near the sewer plant for the Village of Bloomville.

As I was coming to the top of a hill I could see Sergent squaring off to Deputy Walter. At that time Sgt. Beier came through the grass and I pointed to where Sergent and Deputy Walter were at. As I was running towards Sergent I saw Deputy Walter tackle Sergent to the ground and the two of them were on the ground fighting. I could hear Deputy Walter still telling Sergent to stop fighting and to get on his stomach and Sergent didn't stop fighting. When I arrived Deputy Walter already had Sergent on his stomach and Sergent was placed into handcuffs. While Sergenmt was being cuffed Sgt. Beier was standing over Sergent with a Taser in case Sergent tried to fight again.

At that time Deputy Walter transported Sergent to the Seneca County Jail and I went back to talk to the home owner. I advised her that Sergent was now in custody and I suggested that she get a Civil Protection Order (CPO) against Sergent and she said that she would. Upon arrival back at the Sheriff's Office I was advised by Deputy Walter that while he was attempting to arrest Sergent he was struck by Sergent in the face one time with a closed fist and Sergent tried to strike Deputy Walter a second time but he missed. I was further advised by Deputy Walter that during the struggle Sergent was trying to disarm him. Deputy Walter stated that Sergent had both of his hands on his gun and was pulling at the gun with a lot of force. Deputy Walter stated that Sergent was trying to get his gun away from him. Sgt. Beier then stated that he saw that Deputy Walters gun holster was turned sideways. I asked Deputy Walter if he was hurt and he stated that his mouth and left arm were hurting.

I was contacted by Deputy Walter the next day and he stated that he sustained several bruises from the fight with Sergent. I advised Deputy Walter to photograph his injuries and give me the photo's for my case file.

NARRATIVE

I was contacted by Deputy Lawson of a situation in Bloomville involving Jeff Sergeant who is known to be violent and a runner. I was also advised that Sergeant had a local warrant and 2 Felony warrants out of Tennessee.

I met Lawson at Garlo Park just south of town to get more information, also the family members of Sergeant were present. Lawson and i are both familiar with Sergeant due to past dealings. In speaking to to Lawson it was discovered that Sergeant had been violent with family members the night prior. It was described that Sergeant had held a younger child in the house by the throat, against a wall and swung a hammer at her head, but striking the wall. it was also learned that he had done this to the lady of the house.

The adult children of the home stated there is an Autistic male also in the home. They claim that Sergeant has made threats to kill the Autistic male, threatens that he will not go back to prison, and would die by "suicide by cop".

These subjects advised that Sergeant was in the home now, they were in fear of him and needed help.

We obtained a layout of the home and had Deputy Walter come in early to assist as well as a state trooper.

An entry plan was made which had Deputy Lawson enter first, Walter second. Both to cover the main bedroom entrance. I entered third to cover a second bedroom door from a bathroom.

Lawson was attempting entry as as I went by heading to the other door. Lawsons door opened out and was secured from the inside. When I reached my door it was also locked but opened inward. I kicked the door twice and it popped open, I

did heave my taser out when the door popped open. I could see Sergeant looking through a dresser drawer, he spun and began coming at me. I was ordering him to the ground, to show me his hands etc. Sergeant did not comply and continued approaching me, I deployed my taser and Sergeant was struck in the upper left chest area with one barb and apparently the second barb had missed. as I was reloading the Taser, Deputy Lawson went past me as Sergeant skillfully swept the Taser from his chest and ran out the other bedroom door, through the front door and out into the street.

When i got out the front door i could see Deputy Walter chasing Sergeant who was only wearing socks and blue jeans. They were northbound on SR 19 approaching Earl St.

I got in my patrol car and headed to the West end of Earls street in an attempt to get ahead of Sergeant, I was hearing intermittent radio traffic but nothing I could make out.

As i was heading west on Earl I looked off to the north and could see Deputy Walter and Sergeant, Deputy Walter was attempting to contain Sergeant who would occasionally kick at Deputy Walter and swing at him wildly. At one point Sergeant took up a fighting stance, clenched fists and was swinging. I was driving along a fence and a wood line approaching the two, Sergeant turned to run and Deputy Walter tackled Sergeant and took him to the ground. Sergeant had spun trying to get away and was draped over Deputy Walters back. When I approached Sergeant was resisting Deputy Walter, I pushed my Taser into is back and asked if he was done resisting and he then complied.

Deputy Walter advised me that Sergeant had a hold of his weapon and had been trying to get it out of the holster when he had taken him down. I did notice the Deputy Walters holster was twisted outward and appeared deformed.

Sergeant was bleeding from a self inflicted injury from the night before, Deputy Walter and myself had some blood on us, Sergeant was given a gauze that I placed around his thumb for him to grip and was placed in my patrol car and taken back uptown. He was transported by Deputy Walter to the county jail.

NARRATIVE

I was asked to come in early by Sgt. Scott Beier to help execute a warrant out of our office and a felony warrant out of Tennessee on Jeffrey Sergent at 16 N. Marion St. Bloomville, Ohio. I was informed by Deputy Mark Lawson that Jeffrey has been known to run from and fight with law enforcement in the past and had made comments pertaining to "suicide by cop" to family members and friends.

We then came up with a safety plan to take Jeffrey into custody at Garlo Park, which is located just south of Bloomville, Ohio. I was informed to enter the residence second behind Deputy Lawson as we were going to attempt to make entry into the first door of Jeffrey's bedroom while Sgt. Beier would be covering the second door to the bedroom. We entered the house with the permission of the homeowner and Deputy Lawson attempted to open the first door to the bedroom but was unsuccessful. He then ordered Jeffrey to open the door and exit the bedroom numerous times but he would not open the door. At this time Sgt. Beier entered through the second bedroom door and we heard Sgt. Beier commanding Jeffrey to get his hands up or he would be tased numerous times. Deputy Lawson and myself then went to the second door in an attempt to assist Sgt. Beier. Sgt. Beier then deployed his taser on Jeffrey but was unsuccessful. At this time Jeffrey went running out of the first door to his bedroom and out of the front door of the residence.

Jeffrey ran northwest up Marion street and over Earl St. and through some brush behind a residence. I chased Jeffrey and gave him numerous commands to stop running and get on the ground. Jeffrey did not comply to my commands and continued running until he was winded and began walking in an attempt to catch his breathe behind a residence. I then ordered Jeffrey to get on the ground numerous times again and he did not comply. I tried to relay my location to Sgt. Beier and Deputy Lawson numerous times. I was very winded and exhausted as

I was giving commands to Jeffrey.

I was circling Jeffrey in an attempt to keep him contained until back up arrived as I felt I was too winded to subdue Jeffrey on my own. I then felt Jeffrey was getting his wind back and feared he would take off running again. I then got close enough to Jeffrey and made an attempt to grab him and subdue him but as I lunged for him he turned around and struck me with a closed fist down my face as I tried to duck the strike. He then turned towards me and squared off towards me in a fighting stance with his fists up and clinched together. Jeffrey then began to back away again and I ordered Jeffrey again numerous times to get on the ground. He still did not comply. At this time I could hear backup coming behind me and Jeffrey then turned his back on me and I lunged at him again. Jeffrey again swung his closed fist at me again but I was able to duck under it and take him to the ground.

As soon as Jeffrey and I had hit the ground I landed on his mid section and could instantly feel Jeffrey reach over my back with both hands and began to pull on my fire arm in an attempt to retrieve it from my holster. I began to yell "he is going for my gun" numerous times. At this time I put my left forearm across Jeffrey's face and my right hand back on my gun to stop him from pulling it from my holster. Sgt. Beier and Deputy Lawson then arrived and we were able to take Jeffrey into custody. I then transported Jeffrey to the Seneca County Jail.

Later in the night after my shift ended, I was changing out of my uniform and noticed numerous bruises on the inside of my left bicep. I took a photograph of it and it can be found in the file attached with this incident.

Nothing further to report at this time.

NARRATIVE

I went to the above location and spoke with Ms. Sergent.

Ms. Sergent informed me that she found out and confronted her husband this morning about partaking in an affair. She stated that her husband had left his Tik Tok open on his cellphone this morning when new messages came in. She stated that she was then able to read and see everything.

She stated that she woke him up and confronted him with what she thought had been going on. She informed me that her husband has been in a lot of trouble over the years. He recently had completed his probation in March of this year and has gone back to his old self. She said that he stays out until 4:00am and does not work. She stated that he said he is hanging out with some new biker friends in Fostoria, Ohio.

When asked why she had called, Ms. Sergent stated that she called because her husband was to have been making a police report himself for her taking his cell phone. She stated that she was reaching out to us informing us that she will be home fi we needed to speak with her, other than that, she was not going to call or make any report. I informed her that the cell phone is marital property and that I was not too concerned about that. My concern was if it was or had become physical.

She stated that once she confronted him this morning, he was upset and she left to go to her son's residence in Fostoria, Ohio to fume. She said that the discussion that had taken place earlier was all in a civil manner and the only one that became upset was Mr. Sergent denying the accusations. She then informed me that she still had her husband's cell phone with her at this time.

Ms. Sergent stated that while she was going through Bascom, Ohio returning home, she threw the cell phone out the window. When returning home, Mr. Sergent told her that he was going to the Sheriff's Office to make a report of her stealing his cell phone. At this time Ms. Sergent agreed to take Mr. Sergent to our office.

Ms. Sergent informed me that while on their way to the office, Mr. Sergent reached over and removed the keys in the ignition. At one point in time, he had also taken her cell phone and threatened to throw it out the window. When asked, Ms. Sergent stated that this entire time there was nothing physical or any threats being made other than one with the car key.

She stated that once they got to the office, she dropped him off at the front door and left. While driving home, she seen that Mr. Sergent had left her cell phone in the car. Mr. Sergent did come up to the dispatch window but then left the office without speaking with anyone.

Ms. Sergent again stated that nothing happened that needed a report or to get us involved. She denies anything physical happening and just reached out to us because she believed that Mr. Sergent was going to make the report.

I informed Ms. Sergent that we cannot prevent him from coming back or removing him if it would come to that. Ms. Sergent stated that she knows that and will call if he does come back and there is a problem. She was given options (CPO, Attorney) that she can take in regard to getting any assistance if she believes she needs any. She did state that in the seven (7) years of marriage, Mr. Sergent has been physical with her.

Mr. Sergent never made a report and the cell phone was not located or turned in. Nothing further and put on file per Ms. Sergent's request...KPR

NARRATIVE

On July 4, 2026, the Seneca County Sheriff's Office received a call from the complainant, C.S, advising that she wanted to speak with a deputy in regard to a domestic violence complaint that occurred on July 1st, 2026. Deputy Messer and I arrived on scene and spoke with C.S. C.S stated that her husband, Jeffrey Sergent, had punched her on the left side of her head. Causing the area around her ear to bruise and then caused a laceration behind her ear from the top of her ear to her ear lobe.

C.S stated her, her son, and Jeffrey were the only ones inside the residence. C.S then stated that Jeffrey was carrying a knife in his pocket and then started to come at her with his hand in the pocket that the knife was in. C.S stated that's when she used the Siri function on her phone by saying "Hey Siri, call 911." C.S then stated that's when Jeffrey had punched her. C.S told Jeffrey to leave the residence, which he did. I was advised by C.S that she went across the street to TJ's Drive Thru to have pictures taken of her injuries. C.S stated Jeffrey has been talking to people who are not there inside the residence.

C.S stated that Jeffrey has been attempting to make contact with her, however she has not been answering his text messages or calls. C.S stated that Jeffrey has been to prison. C.S then stated she does not want to file any charges filed against Jeffrey because she did not want him to go back to prison. C.S then stated Jeffrey has been to prison multiple times. C.S stated the last time Jeffrey was in prison was because he was "being weird" and he was using methamphetamine. C.S stated she does not think Jeffrey is using any methamphetamine at this time. Deputy Messer asked C.S if Jeffrey has some mental health concerns, which she stated yes. C.S then stated Jeffrey possibly has schizophrenia.

C.S stated Jeffrey has heard voices inside the residence when nobody was speaking. C.S then stated her son is non-verbal. C.S stated that Jeffrey has been paranoid, and he thinks there is a blue van following him. I viewed the pictures of C.S's injuries from July 1st. In the pictures, it showed C.S's left ear abnormally larger than her right ear and bruised. The pictures also showed C.S had a laceration behind her left ear from the top of her ear to the top of her ear lobe and blood running down from the laceration to the middle of her neck.

C.S advised she wanted Jeffrey to stay away from her and retrieve the rest of his belongings. C.S stated Jeffrey has been working and staying at a place called "the tracks." C.S then stated she doesn't want Jeffrey to go back to prison because nobody would take care of him and she doesn't want to take care of him anymore. C.S advised that she had divorce papers for Jeffrey, which he told her he would sign the papers and file them with the court. C.S then advised Jeffrey has not filed the papers with the court. C.S stated on Monday, July 6th, she was going to get a CPO (Civil Protection Order) on Jeffrey and then

stated she does not trust him.

C.S advised that Jeffrey was at the residence on July 3rd, to take a shower and pack the rest of his belongings while her and her son was not at the residence. C.S then stated she had ordered pizza for her son and Jeffrey sat down on the couch. C.S told Jeffrey that he could no longer stay at the residence and then told him he has to leave. Jeffrey then told C.S that he was not leaving the residence because it's his house. C.S then stated to Jeffrey that she will put him in jail. Jeffrey then told C.S that he did not hit her or do anything to her. C.S then stated that she was filing a report so she "Doesn't look insane when there are bruise on me."

C.S stated that this is the only incident that Jeffrey has punched her in the 9 years they have been married. I asked C.S if she was willing to fill out a sworn written statement form, which she said yes. C.S then stated she did not want to press any charges against Jeffrey. I advised C.S that if she called the Sheriff's Office on the day the incident occurred and if Deputy Messer and I observed she sustained the injury, then Jeffrey would have been arrested. I then advised C.S that since she is reporting the incident 3 day later, Jeffrey could be still arrested with enough evidence.

After I stated to C.S that Jeffrey could possibly be arrested with enough evidence, she asked if she should complete the sworn written statement. I advised C.S it was her decision to complete the sworn written statement. C.S then stated she does not want to deal with pressing charges on Jeffrey. Deputy Messer asked C.S if she knows how to file for a CPO, which C.S stated no. Deputy Messer explained to C.S where the Prosector's Office is located in Tiffin and how to file a CPO.

I asked C.S if she knows where Jeffrey might be staying at. C.S stated that Jeffrey might be living near 445 Poplar Street in Fostoria. I asked C.S if she knew what make and model of the vehicle Jeffrey has been driving. C.S advised Jeffrey has been driving a 2014 Ford Econoline E150. Deputy Messer asked C.S if she knows about MCRT (Mobile Crisis Response Team), which she stated she does not. Deputy Messer explained to C.S about MCRT and then stated we would fill out an MCRT form on behalf for Jeffrey. I asked C.S if she would be okay if we make contact with Jeffrey, which she stated yes. Deputy Messer and I left the residence without incident.

On July 5th, 2026, I made contact with Jeffrey over the phone at the Seneca County Sheriff's Office. I advised Jeffrey of the complainant and then I asked for his side of the story. Jeffrey stated he does not know of any incident that occurred on July 1st. I then stated that C.S told me that he had punched her in the side of the head, which he stated he did not. I asked Jeffrey if C.S had told him to leave the residence, which he stated she did and he did leave that night.

Jeffrey stated C.S then begged him to come back to the residence. Jeffrey stated he came back to the residence on July 2nd and then spent the night. Jeffrey then stated he left the residence in the morning for work and C.S asked him what time he would be home. Jeffrey stated he came back to the residence from work and proceeded to take a shower, then went downstairs to eat pizza with C.S and her son. Jeffrey stated he does have his belongings at the residence, and he has been attempting to contact C.S when she will be home so he can get his belongings. Jeffrey then stated C.S has his phone number and his social media blocked so he can't contact her.

Jeffrey stated he still has the text messages between him and C.S dating back to July 1st. I asked Jeffrey if he was willing to send me screenshots of the text messages to my work email, which he stated yes. I advised Jeffrey, I appreciated him speaking with me and obtaining his side of the story. I advised Jeffrey if he has any other questions to contact the Sheriff's Office.

Pictures of the side of C.S's head were sent to my work email and attached to the case file. Jeffrey at this time has not sent the copies of the text messages to my work email.

It should be noted that Jeffrey is not on probation.

At this time, the employee at TJ's Drive Thru that took the photographs of C. S's injuries has not been contacted at this time.

A felony Domestic Violence charge was filed and was sent to be signed as a warrant.

Nothing further to report at this time.

Deputy C. Pergram.
