Pages 1-3 included a section titled "Narrative" and included information that appeared to be the dispatch/CAD log[1].

The following officers completed narratives:

- Patrolman Andrew D'Eusanio
- Patrolman Daniel J. Elliot
- Lieutenant Bradley D. Lampela
- Lieutenant Kevin Rastall
- Detective Lieutenant Michael Sevel
- Detective Sergeant Brandon Zinner
- Detective David Burrington

Screenshots of the officer narratives have been included below. During a review of the reports, SA Fletcher learned that Edward Zizleman (listed in involved parties) was identified as a passing motorist on August 2, 2026, assisted officers with his metal detector in locating the fourth fired cartridge casing in the front yard of 5201 Robinhood Drive.

No additional relevant information was identified that was not already previously discovered throughout the investigation.

On July 31, 2026, at 2132 hours, WPD Dispatch received a call from Central Dispatch regarding a disturbance at 5193 Robinhood Dr. Central Dispatch advised that they received a 911 call from the residence and could hear a male yelling, "Help me, he's trying to kill me, He's got a knife" The call then disconnected. Dispatch was unable to make contact with anyone when attempting to call the residence back.

[redacted] and [redacted] responded to the residence. [redacted] advised Dispatch that they were speaking with the male and that he was holding a knife.

At the time, I was traveling southbound on Lost Nation Rd. I activated my emergency lights and siren and responded to the Robinhood address. As I turned onto Robinhood Dr., [redacted] advised WPD Dispatch that the male had been shot by officers. The male was later identified as Jason Green.

Upon my arrival, I exited my patrol vehicle and observed [redacted] and [redacted] standing in the front yard of 5201 Robinhood Dr. Both officers had their duty pistols drawn and pointed at Green, who was lying on his back with his feet facing northwest and his head facing southeast.

I handcuffed Green and searched his person and the immediate surrounding area for any weapons. I then pulled back his shirt to assess his injuries and render aid. I observed two apparent gunshot wounds: one to his left shoulder area and one to his mid-abdomen. Shortly thereafter, WFD personnel arrived on scene and began providing medical treatment. WFD transported him to Lake West Hospital.

I then began establishing a perimeter to secure the scene. A crime scene log was created and attached to this report. Ring camera video depicting the disturbance inside the residence was collected by Ptl. Elliot and uploaded into digital evidence. Please refer to Ptl. Elliot's supplemental report for additional information.

Patrolman D'Eusanio – 1 of 3

On Saturday, August 1st around 0630 hours Ptl. Elliot and I responded back to the scene of the incident. During the initial collection of evidence BCI informed WPD officers they only recovered two shell casings from the incident. The knowledge I obtained on scene was there was possibly more than 2 rounds fired.

Ptl. Elliott and I checked the front yard of 5201 and located another 9mm shell casing. Lt. Rastall was contacted and responded to the residence to photograph where the shell casing was located.

The shell casing was collected and added to evidence, and placed into locker 5.

On July 31, 2026, at 2132 hours, WPD Dispatch received a call from Central Dispatch regarding a disturbance at 5193 Robinhood Dr. Central Dispatch advised they had received a 911 call from the residence during which they could hear a male yelling, "Help me, he's trying to kill me. He's got a knife." The call then disconnected. Dispatch was unable to reestablish contact with anyone at the residence despite multiple callback attempts.

During the initial investigation on July 31, 2026, BCI collected two 9mm shell casings from the scene.

On August 1, 2026, at approximately 0630 hours, Ptl. Elliott and I returned to the area and located an additional 9mm shell casing in the front yard of 5201 Robinhood Dr. The shell casing was collected. Please see the supplemental report regarding the recovery of that shell casing.

On Sunday, August 2, 2026, while reviewing my dash camera footage from the initial incident, I counted what I believed to be four gunshots. Based on the information provided by BCI and the additional shell casing recovered on August 1, I believed there was potentially one more unaccounted-for shell casing.

At approximately 1915 hours on August 2, 2026, I returned to the scene and canvassed the area again in an attempt to locate the remaining shell casing. While searching the area where the officer-involved shooting occurred, a passing motorist, later identified as Edward Zizelman, stopped and asked if I would like to borrow his metal detector. I accepted his offer.

Zizelman returned with the metal detector and assisted me in searching the area where I believed the final shell casing would be located. With his assistance, I located a fourth 9mm shell casing in the front yard of 5201 Robinhood Dr.

Lt. Rastall was notified and responded to the scene. He photographed the fourth shell casing prior to its collection. The shell casing was then collected and secured in Evidence Locker 5.

Report for record.

On July 31, 2026 at 2132 hours WPD dispatch recieved a call from Central dispatch that they recieved a call from 5193 Robinhood Dr of a disturbance. Central was able to hear a Male screaming "help me hes trying to kill me hes got a knife", and then hung up. Dispatch was unable to get a hold of anyone when calling back.

[redacted] and [redacted] responded to the Robinhood address. [redacted] informed dispatch that they were speaking to the male and he is holding a knife.

Upon my arrival, I made contact with [redacted] stated that she and Jason Green had been having a normal evening and were eating dinner when she confronted Jason about not having a job [redacted] stated that Jason became extremely upset and began yelling at her. She advised that Jason was highly intoxicated, which she believed contributed to his behavior. [redacted] stated that Jason became increasingly aggressive as the argument escalated. During the argument, Jason retrieved a knife and advanced toward her.

[redacted] advised that the incident was captured on her Ring camera system and provided the video footage.The Ring video from the kitchen showed [redacted] standing in the kitchen while Jason was holding a knife. Jason was observed pointing the knife at [redacted] while standing directly in front of her, face-to-face. Jason then used the hand holding the knife to push [redacted] under the chin with his knuckles, causing her to lean backward over the kitchen sink. During the confrontation, Jason stated, "I don't give a fuck because I am going to die anyway." He then stated, "I will fucking kill you too," while holding the knife near [redacted] neck [redacted] pushed Jason away and told him she was calling the police. Jason responded, "The cops are already on their way. I told you I'm dying tonight."

[redacted] also provided additional Ring video footage from the living room. The footage initially showed [redacted] and Jason sitting on the couch eating dinner and appearing to have a normal evening. After a period of time, the two began arguing. [redacted] then walked into the kitchen, followed by Jason, where the events captured in the kitchen video occurred. Following the confrontation, Jason returned to the living room and sat on the couch.

This document is the property of the Ohio Bureau of Criminal Investigation and is confidential in nature. Neither the document nor its contents are to be disseminated outside your agency except as provided by law - a statute, an administrative rule, or any rule of procedure.

[redacted] then arrived on scene and could be heard giving Jason verbal commands to speak with officers and to drop the knife. Jason stood up from the couch and walked toward the front door[redacted] and [redacted] were outside the residence and out of view of the living room camera. Jason then moved away from the front door before returning with an additional knife in his hand. Jason subsequently exited the residence and moved out of view of the Ring camera.

While speaking with[redacted] she advised that she also had video footage of the events that occurred outside the residence on her Iphone. The footage showed Jason walking into the neighboring yard at 5201 Robinhood Drive while failing to comply with officers' verbal commands. Detective Lieutenant Mike Sevel was notified of the video footages shown, and the evidence was collected by the Ohio Bureau of Criminal Investigation (BCI).

While speaking with[redacted] officers observed a laceration on her upper left chest. [redacted] was evaluated by EMS personnel and delined any further medical attention. Photographs of[redacted] injury were taken and uploaded to the Q: drive.

On July 31st, 2026, at approximately 2132hrs, Willoughby Police Department (WPD) Dispatch received a call from Central Dispatch regarding a disturbance at 5193 Robinhood Dr. Multiple WPD Officers responded to the scene, which resulted in Jason Green being shot by responding officers. Jason was transported to University Hospital's Lake West Medical Center by Willoughby Fire Department (WFD) personnel.

I (Lt. Lampela) arrived at the Lake West Medical Center emergency room at approximately 2204hrs, four and a half minutes after WFD unit #1422, which had arrived at 2200hrs. Prior to the time of my arrival, Jason had been pronounced deceased by the emergency room doctor, Dr. Bolan (2201hrs).

Prior to entering the emergency room ambulance entrance, I observed two vehicles parked in the drive near the entrance doors to the emergency room, and a female and two males standing outside the entrance doors. I proceeded inside the building and was advised by University Hospital's Police Officers that the three individuals standing outside may be Jason's family members. University Hospital's Police Officers stated they could not remain outside the ambulance entrance doors.

I proceeded back to the emergency room entrance doors and observed the three were now inside the outermost doors, but locked outside of the interior door. I made contact with the three individuals and asked if they were family members of someone in the emergency room. They advised that they were, and one of them asked if I could tell them what was going on, and if "he" was alive. It should be noted that at the time of my arrival to the Lake West Medical Center, I did not know Jason's name / identity. I advised the three that I could not provide them with any information, they could not stand in the entranceway to the emergency room, and their vehicles would need to be moved. University Hospital's Police Officers and Lake West Medical Center emergency room staff recommended the three be moved to a consultation room outside the emergency room. The three were then escorted to that room by emergency room staff.

I proceeded back inside the emergency room where I was advised by emergency room staff that Jason was in room #T1. I observed the doors to that room were closed and there were several emergency room staff members tending to Jason.

Lieutenant Lampela – 1 of 3

I obtained the names of the three WFD firefighters who transported Jason. The firefighters were identified as Martin McGlaughlin, Frank Schmidt, and Brady Gilbride.

Between 2325hrs and 2240hrs, the last emergency room staff member exited room #T1 and closed the sliding doors.

I entered room #T1 at approximately 2249hrs and took preliminary photographs of Jason. A cellular telephone, lying next to Jason, was also photographed. The photographs were later saved to the WPD computer system digital evidence Q Drive.

After taking the photographs, and until 0025hrs on 8/1/26, no one entered room #T1 while I was posted outside of it.

At approximately 0025hrs, Lake County Coroner Dr. Keep arrived in the emergency room with Assistant / Investigator Orlando. Dr. Keep cleared the emergency room at approximately 0056hrs and Assistant / Investigator Orlando at 0111hrs. At 0051hrs, Assistant / Investigator Orlando removed the handcuffs from

Jason's wrists and provided them to me. At 0056hrs, Assistant / Investigator Orlando provided me the cellular telephone that was lying next to Jason. The handcuffs and cellular telephone remained in my possession until I returned to the WPD. The handcuffs were then returned to Ptl. D'Eusanio and the cellular telephone was turned over to Det. Lt. Sevel and secured in the WPD evidence room (0240hrs).

At approximately 0103hrs, Assistant / Investigator Orlando, with the assistance of emergency room staff members Emily McGlone and Megan Viezer, prepared Jason's body to be transported to the morgue by placing him in a body bag.

At approximately 0125hrs, Ohio Support Services (OSS) Officers Jeffrey Fizzeri and Lester Pasley arrived to remove Jason's body from room #T1. With the assistance of Emily and Megan, Jeffrey and Lester removed Jason's body from room #T1 at approximately 0129hrs, where he was then transported to the morgue.

I cleared the scene at 0134hrs and returned to the WPD.

2026-2933
Officer Involved Critical Incident - 5193 Robinhood Drive, Willoughby, Ohio 44094 Lake County (L)

On August 1, 2026 at approximately 2132 hours [redacted] and [redacted] responded to 5193 Robinhood Dr. for a 911 call of a male with a knife.

I was on another call on Hodgson Rd. (26-27841) heard [redacted] request more units to the scene and began responding. I also heard [redacted] request responding units to respond as fast as possible. Prior to my arrival, there was radio traffic from one of the officers that indicated shots were fired and a subject was down.

Upon my arrival at the scene, paramedics were treating a male, identified as Jason Green in the front yard of 5201 Robinhood Dr. which is one house south of 5193. I encountered [redacted] and [redacted] who both indicated they were uninjured. Ptl. DiSanto arrived shortly after this and was assigned to transport both [redacted] and [redacted] back to the station and stay with them.

The scene was secured with crime scene tape by Ptl. D'Eusanio, and the house at 5193 Robinhood Dr. was vacated and secured as well. I requested the Willoughby Detective Bureau be paged which resulted in Det. Lt. Sevel, Det. Sgt. Zinner and Detective Sleigh responding to the scene. BCI was contacted and agents responded to the scene. The Lake County Coroner was notified of the incident as well.

For a short time, I spoke with the Green's [redacted] who was with Green prior to the shooting. I noticed while speaking with her that she had a scratch under her chin and blood on her left shoulder. I asked her about these injuries and she told me did not know she had them and that she was unsure how she sustained them.

I also spoke with the resident of 5201 Robinhood Dr., Rose Novak who stated she was inside her house when the shooting ocurred. She stated she heard the gunshots which she thought was fireworks at the time. She did not witness the incident.

The scene was turned over to the Willoughby Detective Bureau and BCI once they arrived on scene.

Supplement for record.

Lieutenant Rastall – 1 of 1

This document is the property of the Ohio Bureau of Criminal Investigation and is confidential in nature. Neither the document nor its contents are to be disseminated outside your agency except as provided by law - a statute, an administrative rule, or any rule of procedure.

This supplemental report is in reference to the officer-involved shooting that occurred on July 31, 2026. At approximately 2152 hours, the Willoughby Police Department Detective Bureau was paged to assist with the investigation. For further details regarding the incident, refer to the original officers' reports.

I responded to the Willoughby Police Department, where I was briefed on the incident. I learned that [redacted] had been involved in a shooting at 5193 Robinhood Drive and were at the police department. It was decided that Detective David Burrington would remain with both officers in his capacity as a patrol union representative. Detective Burrington was also tasked with securing any weapon systems used during the incident and maintaining the chain of custody for those items.

I then responded to 5193 Robinhood Drive, where I met with Patrolman D'Eusanio, Lieutenant Rastall, and Patrolman Elliott. The officers had already secured the scene, which included the interior of 5193 Robinhood Drive, the front yard of that residence, and the front yard of the residence directly south, located at 5201 Robinhood Drive.

The officers provided me with a summary of the incident and advised that the male who had been shot was transported to University Hospitals Lake West Medical Center. I contacted the Ohio Bureau of Criminal Investigation and requested that BCI conduct an independent investigation of the officer-involved shooting.

Shortly thereafter, BCI Special Agent Joseph Goudy contacted me and advised that members of BCI's Special Investigations Unit would respond to the scene. BCI personnel arrived at approximately 2329 hours.

Prior to my arrival, Patrolman Elliott had been speaking with [redacted] who was the female involved in the original disturbance [redacted] had already provided Patrolman Elliott with video from a Ring security camera. For further details, refer to Patrolman Elliott's supplemental report.

While I spoke with [redacted] she advised that she had recorded a video of the shooting on her cellular telephone. I took custody of the cellular telephone, which was an Apple iPhone of an unknown model. I secured the cell phone inside my locked vehicle. The cell phone was later turned over to Special Agent Dan Boerner of the Ohio Bureau of Criminal Investigation.

Sergeant Zinner and I remained at the scene with Patrolman D'Eusanio until BCI personnel completed processing the scene. After BCI completed its work, the scene was released.

The investigation is ongoing.

Detective Lieutenant Sevel – 1 of 2

This supplemental report is in reference to the officer-involved shooting that occurred on July 31, 2026.

On August 3, 2026, at approximately 0930 hours, I met with Special Agent Dan Boerner of the Ohio Bureau of Criminal Investigation. Special Agent Boerner signed for and took custody of Items 001 and 002, which were each one 9mm cartridge casings located by Willoughby Police officers after BCI personnel cleared the scene.

The investigation is ongoing.

Detective Lieutenant Sevel – 2 of 2

On 07/31/2026 at approximately 2132 hours, officers responded to 5193 Robinhood Drive for a reported disturbance. During the incident Mr. Jason Green was shot by Willoughby Police Officers. Medical aid was rendered; however, Mr. Green was subsequentially pronounced deceased by medical personnel. An Admin Page was activated requesting the Detective Bureau respond to assist with the incident. Det. Lt. Sevel, Det. Sleigh, Det. Burrington, and I responded.

On 08/01/2026 at approximately 0040 hours, Willoughby Police Victim Advocate, Kathy Fellows, Marlene Matteo, and I responded to 30112 Vineyard Road in Willowick, to make contact with Mr. Green's mother, Ms. Donna Green, and notify her of Mr. Green's death.

Upon arrival, there were multiple family members present and apparently already aware of the incident. Sgt. Cook of the Willowick Police Department was also on scene with the family members.

Ms. Donna Green, her daughter, Ms. Miranda Green, and the other family members present were advised of Mr. Jason Green's death.

Supplemental Report for Record

Sergeant Zinner – 1 of 1

This supplemental report is in reference to the officer-involved shooting that occurred on July 31, 2026.

I responded to the Willoughby Police Department and was briefed on the incident. I learned that [redacted] and [redacted] had been involved in the shooting. Lt. Sevel assigned me to remain with both officers in my capacity as a union representative.

Before traveling to Cleveland Clinic Hillcrest Hospital, I took custody of both officers' duty firearms and [redacted] TASER. Both officers were issued replacement firearms. I secured the collected firearms and TASER in an evidence locker. The items were later transferred to an agent with the Ohio Bureau of Criminal Investigation.

The investigation remains ongoing.

Investigative Report **Title / Subject:** DISTURBANCE

On July 31, 2026, at 2132 hours, WPD Dispatch received a call from Central Dispatch regarding a disturbance at 5193 Robinhood Dr. Central Dispatch advised that they received a 911 call from the residence and could hear a male yelling, "Help me, he's trying to kill me, He's got a knife" The call then disconnected. Dispatch was unable to make contact with anyone when attempting to call the residence back.

[redacted] and [redacted] responded to the residence. [redacted] advised Dispatch that they were speaking with the male and that he was holding a knife.

At the time, I was traveling southbound on Lost Nation Rd. I activated my emergency lights and siren and responded to the Robinhood address. As I turned onto Robinhood Dr., [redacted] advised WPD Dispatch that the male had been shot by officers. The male was later identified as Jason Green.

Upon my arrival, I exited my patrol vehicle and observed [redacted] and [redacted] standing in the front yard of 5201 Robinhood Dr. Both officers had their duty pistols drawn and pointed at Green, who was lying on his back with his feet facing northwest and his head facing southeast.

I handcuffed Green and searched his person and the immediate surrounding area for any weapons. I then pulled back his shirt to assess his injuries and render aid. I observed two apparent gunshot wounds: one to his left shoulder area and one to his mid-abdomen. Shortly thereafter, WFD personnel arrived on scene and began providing medical treatment. WFD transported him to Lake West Hospital.

I then began establishing a perimeter to secure the scene. A crime scene log was created and attached to this report. Ring camera video depicting the disturbance inside the residence was collected by Ptl. Elliot and uploaded into digital evidence. Please refer to Ptl. Elliot's supplemental report for additional information.

On July 31, 2026 at 2132 hours WPD dispatch recieved a call from Central dispatch that they recieved a call from 5193 Robinhood Dr of a disturbance. Central was able to hear a Male screaming "help me hes trying to kill me hes got a knife", and then hung up. Dispatch was unable to get a hold of anyone when calling back.

[redacted] and [redacted] responded to the Robinhood address. [redacted] informed dispatch that they were speaking to the male and he is holding a knife.

Upon my arrival, I made contact with [redacted] stated that she and Jason Green had been having a normal evening and were eating dinner when she confronted Jason about not having a job. [redacted] stated that Jason became extremely upset and began yelling at her. She advised that Jason was highly intoxicated, which she believed contributed to his behavior. [redacted] stated that Jason became increasingly aggressive as the argument escalated. During the argument, Jason retrieved a knife and advanced toward her.

[redacted] advised that the incident was captured on her Ring camera system and provided the video footage.The Ring video from the kitchen showed [redacted] standing in the kitchen while Jason was holding a knife. Jason was observed pointing the knife at [redacted] while standing directly in front of her, face-to-face. Jason then used the hand holding the knife to push [redacted] under the chin with his knuckles, causing her to lean backward over the kitchen sink. During the confrontation, Jason stated, "I don't give a fuck because I am going to die anyway." He then stated, "I will fucking kill you too," while holding the knife near [redacted] neck. [redacted] pushed Jason away and told him she was calling the police. Jason responded, "The cops are already on their way. I told you I'm dying tonight."

[redacted] also provided additional Ring video footage from the living room. The footage initially showed [redacted] and Jason sitting on the couch eating dinner and appearing to have a normal evening. After a period of time, the two began arguing. [redacted] then walked into the kitchen, followed by Jason, where the events captured in the kitchen video occurred. Following the confrontation, Jason returned to the living room and sat on the couch.

[redacted] then arrived on scene and could be heard giving Jason verbal commands to speak with officers and to drop the knife. Jason stood up from the couch and walked toward the front door. [redacted] and [redacted] were outside the residence and out of view of the living room camera. Jason then moved away from the front door before returning with an additional knife in his hand. Jason subsequently exited the residence and moved out of view of the Ring camera.

While speaking with [redacted] she advised that she also had video footage of the events that occurred outside the residence on her Iphone. The footage showed Jason walking into the neighboring yard at 5201 Robinhood Drive while failing to comply with officers' verbal commands. Detective Lieutenant Mike Sevel was notified of the video footages shown, and the evidence was collected by the Ohio Bureau of Criminal Investigation (BCI).

While speaking with [redacted] officers observed a laceration on her upper left chest. [redacted] was evaluated by EMS personnel and delined any further medical attention. Photographs of [redacted] injury were taken and uploaded to the Q: drive.

Investigative Report **Title / Subject:** OIS - HOSPITAL DETAIL

On July 31st, 2026, at approximately 2132hrs, Willoughby Police Department (WPD) Dispatch received a call from Central Dispatch regarding a disturbance at 5193 Robinhood Dr. Multiple WPD Officers responded to the scene, which resulted in Jason Green being shot by responding officers. Jason was transported to University Hospital's Lake West Medical Center by Willoughby Fire Department (WFD) personnel.

I (Lt. Lampela) arrived at the Lake West Medical Center emergency room at approximately 2204hrs, four and a half minutes after WFD unit #1422, which had arrived at 2200hrs. Prior to the time of my arrival, Jason had been pronounced deceased by the emergency room doctor, Dr. Bolan (2201hrs).

Prior to entering the emergency room ambulance entrance, I observed two vehicles parked in the drive near the entrance doors to the emergency room, and a female and two males standing outside the entrance doors. I proceeded inside the building and was advised by University Hospital's Police Officers that the three individuals standing outside may be Jason's family members. University Hospital's Police Officers stated they could not remain outside the ambulance entrance doors.

I proceeded back to the emergency room entrance doors and observed the three were now inside the outermost doors, but locked outside of the interior door. I made contact with the three individuals and asked if they were family members of someone in the emergency room. They advised that they were, and one of them asked if I could tell them what was going on, and if "he" was alive. It should be noted that at the time of my arrival to the Lake West Medical Center, I did not know Jason's name / identity. I advised the three that I could not provide them with any information, they could not stand in the entranceway to the emergency room, and their vehicles would need to be moved. University Hospital's Police Officers and Lake West Medical Center emergency room staff recommended the three be moved to a consultation room outside the emergency room. The three were then escorted to that room by emergency room staff.

I proceeded back inside the emergency room where I was advised by emergency room staff that Jason was in room #T1. I observed the doors to that room were closed and there were several emergency room staff members tending to Jason.

I obtained the names of the three WFD firefighters who transported Jason. The firefighters were identified as Martin McGlaughlin, Frank Schmidt, and Brady Gilbride.

Between 2325hrs and 2240hrs, the last emergency room staff member exited room #T1 and closed the sliding doors.

I entered room #T1 at approximately 2249hrs and took preliminary photographs of Jason. A cellular telephone, lying next to Jason, was also photographed. The photographs were later saved to the WPD computer system digital evidence Q Drive.

After taking the photographs, and until 0025hrs on 8/1/26, no one entered room #T1 while I was posted outside of it.

At approximately 0025hrs, Lake County Coroner Dr. Keep arrived in the emergency room with Assistant / Investigator Orlando. Dr. Keep cleared the emergency room at approximately 0056hrs and Assistant / Investigator Orlando at 0111hrs. At 0051hrs, Assistant / Investigator Orlando removed the handcuffs from

Jason's wrists and provided them to me. At 0056hrs, Assistant / Investigator Orlando provided me the cellular telephone that was lying next to Jason. The handcuffs and cellular telephone remained in my possession until I returned to the WPD. The handcuffs were then returned to Ptl. D'Eusanio and the cellular telephone was turned over to Det. Lt. Sevel and secured in the WPD evidence room (0240hrs).

At approximately 0103hrs, Assistant / Investigator Orlando, with the assistance of emergency room staff members Emily McGlone and Megan Viezer, prepared Jason's body to be transported to the morgue by placing him in a body bag.

At approximately 0125hrs, Ohio Support Services (OSS) Officers Jeffrey Fizzeri and Lester Pasley arrived to remove Jason's body from room #T1. With the assistance of Emily and Megan, Jeffrey and Lester removed Jason's body from room #T1 at approximately 0129hrs, where he was then transported to the morgue.

I cleared the scene at 0134hrs and returned to the WPD.

On Saturday, August 1st around 0630 hours Ptl. Elliot and I responded back to the scene of the incident. During the initial collection of evidence BCI informed WPD officers they only recovered two shell casings from the incident. The knowledge I obtained on scene was there was possibly more than 2 rounds fired.

Ptl. Elliott and I checked the front yard of 5201 and located another 9mm shell casing. Lt. Rastall was contacted and responded to the residence to photograph where the shell casing was located.

The shell casing was collected and added to evidence, and placed into locker 5.

On July 31, 2026, at 2132 hours, WPD Dispatch received a call from Central Dispatch regarding a disturbance at 5193 Robinhood Dr. Central Dispatch advised they had received a 911 call from the residence during which they could hear a male yelling, "Help me, he's trying to kill me. He's got a knife." The call then disconnected. Dispatch was unable to reestablish contact with anyone at the residence despite multiple callback attempts.

During the initial investigation on July 31, 2026, BCI collected two 9mm shell casings from the scene.

On August 1, 2026, at approximately 0630 hours, Ptl. Elliott and I returned to the area and located an additional 9mm shell casing in the front yard of 5201 Robinhood Dr. The shell casing was collected. Please see the supplemental report regarding the recovery of that shell casing.

On Sunday, August 2, 2026, while reviewing my dash camera footage from the initial incident, I counted what I believed to be four gunshots. Based on the information provided by BCI and the additional shell casing recovered on August 1, I believed there was potentially one more unaccounted-for shell casing.

At approximately 1915 hours on August 2, 2026, I returned to the scene and canvassed the area again in an attempt to locate the remaining shell casing. While searching the area where the officer-involved shooting occurred, a passing motorist, later identified as Edward Zizelman, stopped and asked if I would like to borrow his metal detector. I accepted his offer.

Zizelman returned with the metal detector and assisted me in searching the area where I believed the final shell casing would be located. With his assistance, I located a fourth 9mm shell casing in the front yard of 5201 Robinhood Dr.

Lt. Rastall was notified and responded to the scene. He photographed the fourth shell casing prior to its collection. The shell casing was then collected and secured in Evidence Locker 5.

On August 1, 2026 at approximately 2132 hours [redacted] and [redacted] responded to 5193 Robinhood Dr. for a 911 call of a male with a knife.

I was on another call on Hodgson Rd. (26-27841) heard [redacted] request more units to the scene and began responding. I also heard [redacted] request responding units to respond as fast as possible. Prior to my arrival, there was radio traffic from one of the officers that indicated shots were fired and a subject was down.

Upon my arrival at the scene, paramedics were treating a male, identified as Jason Green in the front yard of 5201 Robinhood Dr. which is one house south of 5193. I encountered [redacted] and [redacted] who both indicated they were uninjured. Ptl. DiSanto arrived shortly after this and was assigned to transport both [redacted] and [redacted] back to the station and stay with them.

The scene was secured with crime scene tape by Ptl. D'Eusanio, and the house at 5193 Robinhood Dr. was vacated and secured as well. I requested the Willoughby Detective Bureau be paged which resulted in Det. Lt. Sevel, Det. Sgt. Zinner and Detective Sleigh responding to the scene. BCI was contacted and agents responded to the scene. The Lake County Coroner was notified of the incident as well.

For a short time, I spoke with the Green's [redacted] who was with Green prior to the shooting. I noticed while speaking with her that she had a scratch under her chin and blood on her left shoulder. I asked her about these injuries and she told me did not know she had them and that she was unsure how she sustained them.

I also spoke with the resident of 5201 Robinhood Dr., Rose Novak who stated she was inside her house when the shooting ocurred. She stated she heard the gunshots which she thought was fireworks at the time. She did not witness the incident.

The scene was turned over to the Willoughby Detective Bureau and BCI once they arrived on scene.

Investigative Report **Title / Subject:** INITIAL RESPONSE

This supplemental report is in reference to the officer-involved shooting that occurred on July 31, 2026. At approximately 2152 hours, the Willoughby Police Department Detective Bureau was paged to assist with the investigation. For further details regarding the incident, refer to the original officers' reports.

I responded to the Willoughby Police Department, where I was briefed on the incident. I learned that [redacted] and [redacted] had been involved in a shooting at 5193 Robinhood Drive and were at the police department. It was decided that Detective David Burrington would remain with both officers in his capacity as a patrol union representative. Detective Burrington was also tasked with securing any weapon systems used during the incident and maintaining the chain of custody for those items.

I then responded to 5193 Robinhood Drive, where I met with Patrolman D'Eusanio, Lieutenant Rastall, and Patrolman Elliott. The officers had already secured the scene, which included the interior of 5193 Robinhood Drive, the front yard of that residence, and the front yard of the residence directly south, located at 5201 Robinhood Drive.

The officers provided me with a summary of the incident and advised that the male who had been shot was transported to University Hospitals Lake West Medical Center. I contacted the Ohio Bureau of Criminal Investigation and requested that BCI conduct an independent investigation of the officer-involved shooting.

Shortly thereafter, BCI Special Agent Joseph Goudy contacted me and advised that members of BCI's Special Investigations Unit would respond to the scene. BCI personnel arrived at approximately 2329 hours.

Prior to my arrival, Patrolman Elliott had been speaking with [redacted] who was the female involved in the original disturbance. [redacted] had already provided Patrolman Elliott with video from a Ring security camera. For further details, refer to Patrolman Elliott's supplemental report.

While I spoke with [redacted] she advised that she had recorded a video of the shooting on her cellular telephone. I took custody of the cellular telephone, which was an Apple iPhone of an unknown model. I secured the cell phone inside my locked vehicle. The cell phone was later turned over to Special Agent Dan Boerner of the Ohio Bureau of Criminal Investigation.

Sergeant Zinner and I remained at the scene with Patrolman D'Eusanio until BCI personnel completed processing the scene. After BCI completed its work, the scene was released.

The investigation is ongoing.

On 07/31/2026 at approximately 2132 hours, officers responded to 5193 Robinhood Drive for a reported disturbance. During the incident Mr. Jason Green was shot by Willoughby Police Officers. Medical aid was rendered; however, Mr. Green was subsequentially pronounced deceased by medical personnel. An Admin Page was activated requesting the Detective Bureau respond to assist with the incident. Det. Lt. Sevel, Det. Sleigh, Det. Burrington, and I responded.

On 08/01/2026 at approximately 0040 hours, Willoughby Police Victim Advocate, Kathy Fellows, Marlene Matteo, and I responded to 30112 Vineyard Road in Willowick, to make contact with Mr. Green's mother, Ms. Donna Green, and notify her of Mr. Green's death.

Upon arrival, there were multiple family members present and apparently already aware of the incident. Sgt. Cook of the Willowick Police Department was also on scene with the family members.

Ms. Donna Green, her daughter, Ms. Miranda Green, and the other family members present were advised of Mr. Jason Green's death.
