Every fuckin one of em: "you okay, you good?"
1. "yup I'm okay"
2. "I'm good"
3. "yup good"

These sad mother fuckers. Supposed to be trained to handle and de-escalate situations like this but the first thing they do is grab their guns and shoot. I hope these mother fuckers are eaten alive by guilt. Bunch of sad, sad excuses for someone who's supposed to be PROTECT and serve. Rest in Paradise brother 🙏
