Ohio Attorney General

Columbus, OH 43215

Dear Attorney General Yost:

My office has been presented with a question by a township located in our County of Lawrence as to whether or not the Lawrence County Land Reutilization Corporation would be considered a financial institution from which the township may borrow money for township purposes pursuant to O.R.C. 505.86(F).

We are referring that question to your office for the appropriate opinion and answer.

Very truly yours,

LAWRENCE COUNTY PROSECUTOR
