RE: School Number _____

Dear Executive Director:

The students listed on the attached Student Enrollment List are fulltime employees of the _____ Police Department and are considered "Training Recruits" under Ohio Administrative Code Section 109:2-1-02(H) which states: "The term "Training Recruits" means a fulltime employee of a law enforcement agency whose primary duty is to attend and successfully complete the basic course and who, upon completion of the basic course, is appointed as a peace officer by that agency."

I understand that a copy of the peace officer appointment document for each student who successfully completes the course and is appointed must be submitted with the closing documentation of the course.
