SEND A MESSAGE TO CYBERBULLIES: CYA L8R

Don't reply.

Bullies want to know they have you scared, worried and upset.

Don't try to solve the problem on your own.

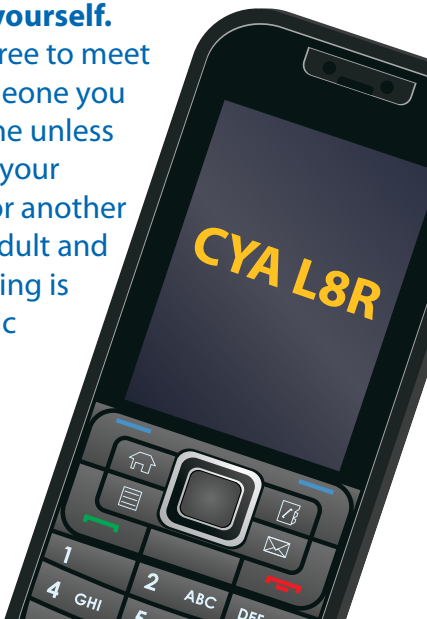

Tell an adult. If you receive physical threats, inform the police and your Internet Service Provider.

Don't delete the messages.

You don't need to read them, but they are evidence of the bullying.

Protect yourself.

Never agree to meet with someone you met online unless you take your parents or another trusted adult and the meeting is in a public place.
