## **Introduction**

### **An Overview of the Corrections Basic Training Process**

This manual is designed to assist School Commanders in conducting OPOTC approved Corrections Basic Training programs. The format is intended to be an easy-to-follow, step-by-step outline of the process divided into eight sections:

<b>Section One:</b>	<b>Application and Pre-Opening Organization</b>
<b>Section Two:</b>	<b>Opening Audit</b>
<b>Section Three:</b>	<b>Enrollment Packet</b>
<b>Section Four:</b>	<b>Training Requirements</b>
<b>Section Five:</b>	<b>On-going Procedures</b>
<b>Section Six:</b>	<b>Closing Audit</b>
<b>Section Seven:</b>	<b>State Certification Examination</b>
<b>Section Eight:</b>	<b>Post-Closing Procedures</b>

Each section includes related requirements, procedures, policies and explanations for proper completion and sequence of the required OPOTC forms for Corrections Basic Training. You may find all OPOTC Private Security Training Forms by visiting our website at [www.OhioAttorneyGeneral.gov](http://www.OhioAttorneyGeneral.gov) , and selecting Law Enforcement Training Forms.

## Academic Glossary of Terms

A number of terms and phrases are used throughout the discussion of OPOTC regulations and requirements pertaining to Corrections Basic Training. While not comprehensive, the following glossary will help familiarize School Commanders with this terminology.

- a. **Academy:** The institution approved by the Executive Director to Conduct Corrections Basic Training.
- b. **Application:** School Commanders intending to conduct an OPOTC Corrections Basic Training program must apply for OPOTC approval.
- c. **Attendance:** The OPOTC Corrections Basic Training program consists of a minimum number of hours of training. No student may miss any portion of a mandatory topic unless all missed time is made-up in compliance with OPOTC procedures. No student may miss more than ten (10) percent of the non-mandatory topic hours.
- a. **Audit:** Review of all records for a Corrections Basic Training Academy.

**Opening Audit:** A review of the application and supporting documents by the Field Agent. The audit shall be conducted at least twenty-one (21) days prior to the first day in which OPOTC topics will be taught. This requires the Commander to contact the Field Agent in advance of the twenty-one day requirement to allow sufficient time to schedule the audit.

**Enrollment Package Audit:** A review of the Student Enrollment information by the OPOTC Field Agent. This information must be completed and made available to the Field Agent by the third day of class in which OPOTC topics are taught.

**Final Audit:** A review of all course records conducted by the Field Agent prior to the state certification examination.

- f. **Curriculum Code:** Specific number assigned to each school identifying OPOTC official curriculum in effect at the time the school was conducted. The curriculum code is required for state certification examination purposes.
- g. **Executive Director:** The Executive Director of the Ohio Peace Officer Training Commission.
- h. **Full-Service Facility/Jail:** A local confinement facility used primarily to detain adults for more than two hundred eighty-eight hours. The standards set forth in rules 5120:1-8-01 to 5120:1-8-19 of the Administrative Code apply to full service jails.

The student will be required to attend the topics and hours assigned by the OPOTC letter of determination/SF525cbt, and must complete all of the training with the same school. Like any other appointed student, prior equivalent students must enroll by the third day of class in which OPOTC topics are taught.

- 1.5.4** After satisfactorily completing the corrections basic training hours assigned by the OPOTC, the student must successfully pass the full state certification examination. If the student fails on the first attempt, a second attempt will be scheduled. If the student fails on the second attempt, the student must then take both the entire basic training course and the state certification examination again. The School Commander will schedule the state certification examination and re-test, if required.

## **Section 2 - Opening Audit**

The School Commander must schedule the opening audit with the Field Agent a minimum of twenty-one days prior to the proposed school. In order to allow sufficient time to schedule the audit, the Commander shall contact the Field Agent well in advance of the twenty-one day minimum requirement. Violations of this time frame could result in denial of the application and fees held on account.

### **Submission of the Application**

At the opening audit, the School Commander will present to the Field Agent all the necessary paperwork. During the opening audit, the Field Agent will review these forms to ensure compliance with OPOTC requirements.

#### **2.1 School Application (Form SF100unv)**

**2.2.2** The training blocks on the school calendar must include:

- a. Date of instruction;
- b. Day(s) of instruction (e.g., M, T, or W);
- c. Number of hours of instruction;
- d. Time (e.g. 6 p.m. to 10:00 p.m. or 1800 to 2200);

**2.2.3** The OPOTC requires a minimum number of training hours for mandatory and non-mandatory topics. School Commanders are encouraged to exceed this minimum amount; however, any additional hours a School Commander adds to non-mandatory topics will be factored into the ten percent (10%) non-attendance limit. In addition, any additional hours a School Commander adds to a mandatory topic are considered mandatory hours. School Commanders may make, at their discretion, any of the non-mandatory topics mandatory. They may not, however, make any of the mandatory topics non-mandatory.

**2.2.4** Training that is scheduled for more than five hours per training day must have at least a 30-minute break period. This break period must be evident on the school calendar, and be scheduled approximately in the middle of the training day. If training exceeds ten hours in a given day, an additional 30-minute break must be scheduled.

**2.2.5** Classes from separate schools may not be joined together for the same training session. For example, if a school has both a daytime program and a concurrent nighttime program, they may not be joined together to share the same classroom and set of instructors. **2.2.6** When preparing the school calendar, a minimum of six (6) certified instructors must be scheduled to teach. No school will be approved with less than six (6) OPOTC certified corrections instructors. School Commanders must verify instructor credentials, certified topics, and certification numbers.

Students must work within/be assigned to a full-service correction facility.
- 2.2.8 No Corrections Basic Training School may last for more than twelve (12) weeks unless authorized by the Executive Director.

## **2.3 Skill Topic Ratios**

- 2.3.1 The School Commander must ensure that the minimum instructor-to-student ratios are met for the practical portions of all skills area. There are no ratios for classroom training of a skills area. The minimum ratios are as follows:
- a. Unit 6, Subject Control, one (1) OPOTC certified subject control instructor for every ten (10) students during each practical session;
  - b. Unit 7, First Aid/CPR/AED instructor-to-student ratio and resuscitating mannequin-to-student ratio shall be as required or suggested by the American Red Cross, American Heart Association, or American Safety & Health Institute.

**Note: The School Commander must provide students with their certification from the American Heart Association, American Red Cross, or the American Safety and Health Institute for students who successfully passed the SPO for this unit.**

## **2.4 Review by Certification Officer**

- 2.4.1 After the Field Agent meets with the School Commander and approves the appropriate documents, the documents will be forwarded to the OPOTC Certification Officer, who also will review the application. If approved, the Certification Officer will issue a distinctive school number and appropriate curriculum code and send an “opening letter” to the School Commander. The opening letter will indicate that the school has been approved and may proceed according to the school calendar. The opening letter will include the class’ curriculum code, which will correspond with the appropriate version of the state certification examination. No school may begin classes unless and until an OPOTC school number has been issued. The OPOTC will not recognize any training class, or portion thereof, conducted prior to the issuance of the opening letter and school number.
- 2.4.2 If a School Commander does not receive written approval at least five (5) days prior to the first scheduled day of training, the School Commander should contact the assigned Field Agent to inquire as to the status of the application.
- 2.4.3 If the start date for the school changes for any reason, the assigned school number shall immediately become void and the School Commander must re-apply for a new school number at least 21 days prior to the new start date.

- 2.4.4** If the application is denied, the School Commander will be notified in writing of the denial and the reasons for it, along with suggested corrective measures to remedy the problem. No application will be approved unless and until any problems have been corrected to the satisfaction of the OPOTC Executive Director.
- 2.4.5** The School Commander shall notify the Field Agent and the Certification Officer in writing by fax, e-mail, or letter as soon as possible of a school cancellation.
