GUILTY PLEA

I, Cheyenne Bloom acknowledge I am a citizen of the United States of America and I have been fully informed by my counsel and by the Court of the charge against me and the penalty provided by law if found guilty thereof, of my right to jury trial, my right to confront witnesses, my right to have compulsory process for obtaining witnesses and/or any papers in my favor, my right to require the State to prove my guilt beyond a reasonable doubt at a trial at which I cannot be compelled to testify against myself, and of the fact the Court, upon acceptance of this plea, may proceed with judgment and sentence in open Court. Understanding these rights I do hereby waive trial by jury, and I enter a plea of Guilty to the charge in Count Two of Prohibited Acts in violation of Ohio Revised code, Title 37, Section 3704.05, being an unclassified misdemeanor.

I understand the penalty for this offense is a sentence of incarceration up to one (1) year and/or a fine of up to \$25,000.00.

SENTENCE RECOMMENDATION

If the Defendant enters a plea of Guilty to the charge as stated in Count Two of the indictment, the Parties will jointly recommend that the Defendant be ordered to pay all fines and restitution within a two (2) years period. The Defendant shall be ordered to pay a fine in the amount of \$7,500.00 and restitution in the amount of \$2,500.00, payable to the Ohio Environmental

Protection Agency and pay court costs. The Defendant further understands that he will be subject to a period of incarceration of one (1) year if he fails to pay the fines and restitution as ordered herein. The parties otherwise reserve the right to speak at sentencing.

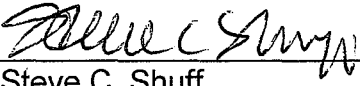

I understand that the Court does not take part in any Sentence Recommendations and may impose the maximum sentence.

I also understand that if I have violated any law subsequent to accepting the Sentence Recommendation within this plea and prior to sentencing, or if I have not completed any terms of the sentence recommendation required to be completed prior to sentencing, the prosecution will not be required to make the recommendation. That decision will be left up to the discretion of the prosecuting attorney.

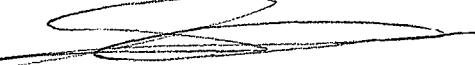

I acknowledge no promises, other than recited in the Sentence Recommendation above have been made to me, nor have any threats been made to me by anyone to secure my plea. Again, I enter this plea voluntarily.

Dated this 20th day of September, 2011.
