SETTLEMENT AGREEMENT (Granville Solvents Superfund Site/State of Ohio)

Debtor Hexcel Corporation ("Hexcel") and the State of Ohio hereby enter into this Settlement Agreement resolving the claim filed in the above-captioned case ("Case") against Hexcel by the State of Ohio.

WHEREAS, the State of Ohio claims that it has incurred \$916,000 in costs at the Granville Solvents Superfund Site ("Site");

WHEREAS, Hexcel's contribution to the total waste volume at the Site is alleged to be in the amount of 1,000 gallons;

WHEREAS, on December 6, 1993, Hexcel filed a voluntary petition for rehabilitation under Chapter 11 of the United States Bankruptcy Code, 11 U.S.C. § 101 <u>et seq.</u>, in the United States Bankruptcy Court for the Northern District of California ("Bankruptcy Court"), thereby commencing the Case, which is still pending;

WHEREAS, on May 10, 1994, the State of Ohio filed an unsecured claim against Hexcel in the Bankruptcy Court for incurred cleanup costs at the Site in the amount of \$916,000 (the "Claim");

WHEREAS, on July 1, 1994, Hexcel filed an objection to the State of Ohio claim;

WHEREAS, Hexcel and the State of Ohio wish to resolve the Claim and Objection without the need for litigation;

IT IS AGREED:

1. This Settlement Agreement is expressly subject to approval by the Bankruptcy Court. After this Settlement Agreement has been executed by Hexcel and the State of Ohio, Hexcel shall promptly submit it to the Bankruptcy Court for approval. The parties agree to stay any litigation regarding the Claim and Objection pending the Bankruptcy Court's approval of the Settlement Agreement. The parties jointly recommend to the Bankruptcy Court that this Settlement Agreement in its entirety be approved by the Bankruptcy Court.

2. Hexcel hereby represents and warrants that, subject to Bankruptcy Court approval, it has full corporate power, authority, and right to enter into this Settlement Agreement and to perform its obligations and duties hereunder.

3. The undersigned David G. Cox, Assistant Attorney General of the State of Ohio, hereby represents and warrants that, subject to Bankruptcy Court approval, he is fully authorized to execute this Settlement Agreement on behalf of the State of Ohio and to legally bind the State of Ohio to the terms of this Settlement Agreement.

4. The Claim shall be allowed as a non-priority unsecured claim ("Allowed Claim") against Hexcel in favor of and for the benefit of the State of Ohio in the amount of \$32,000. The Claim, and any causes of action, demand or liability that the State of Ohio has asserted or might assert against Hexcel with respect to the Site shall be fully discharged as provided by a Plan of Reorganization in the Case.

-2-

5. Nothing contained herein shall constitute or be construed as an admission of any fact, claim, or allegation concerning the Site, or of any liability under any federal, state or local statute, ordinance, or regulation, or under federal or state common law by Hexcel or the State of Ohio.

6. The State of Ohio agrees that its Claim is deemed fully satisfied upon compliance with this Settlement Agreement and that the Proof of Claim filed by the State of Ohio on May 10, 1994 is discharged upon approval of the Plan of Reorganization, provided the Plan confirmed by the Bankruptcy Court provides for payment in full of the State of Ohio's allowed general, unsecured claim. In the event the Plan confirmed by the Bankruptcy Court provides for less than full payment of the State of Ohio's allowed general unsecured claim, the Debtor and State of Ohio agree to renegotiate the amount of the State of Ohio's claim. In addition, nothing contained in this agreement shall be construed to prevent the State of Ohio from pursuing additional responsible parties for costs incurred at the site. The State of Ohio expressly reserves its right to pursue additional parties in connection with their liability at the site.

7. This Settlement Agreement contains the entire agreement between the parties concerning the subject matter of this Settlement Agreement and concerning all matters in controversy between the Hexcel and the State of Ohio which were or could have been raised in connection with the Site.
