

Criminal Intelligence Unit

PUBLIC BULLETIN

Unidentified Remains

March 25, 2020

Volume 16, Number 01

The Ohio Attorney General’s Bureau of Criminal Investigation and Franklin County Coroner’s Office are seeking assistance to identify a man who was located deceased on May 30, 2007. The male was located in the Scioto River off of State Route 33 near the City of Columbus Dublin Road Water Treatment Facility. He was believed to have been deceased for a few weeks prior to his discovery.

The images shown are post-mortem images completed by Ohio BCI’s forensic artist. Anyone with information is asked to call Ohio BCI’s Criminal Intelligence Unit at (740) 845-2406 or the Franklin County Coroner’s Office at (614) 525-5290.

Artist’s Rendering—Not Actual Image

Ohio Bureau of Criminal Investigation
Post Mortem Image

The male was found wearing a gray “Career Club” long sleeve button up shirt, tan “LL Bean” pants (women’s size 8), and a brown “Earth Shoe” (size 10). Actual images of his clothing are pictured below.

About BCI CIU

The Criminal Intelligence Unit consists of Criminal Intelligence Analysts and a Criminal Intelligence Analyst Supervisor. Analysts are located in BCI London headquarters, as well as regional offices in Youngstown, Bowling Green and Richfield. The members receive and fulfill requests from BCI Agents, local, state, federal law enforcement agencies and task forces. Our mission is to predict and expose criminal activity in order to prevent, eliminate or neutralize the activity.
