The applicant agrees by submitting this proposal that it will include, without modification, the clause titled “Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion – Lower Tier Covered Transactions” in all lower tier covered transactions (i.e., transactions contractors) and in all solicitations for lower tier covered transactions in accordance with 45 C.F.R. Further, the applicant recognizes that recipients and subrecipients of federal grants have been awarded funds to carry out the goals and objectives identified in the grant. These funds are subject to certain regulations, oversight, and audit. In addition, the applicant acknowledges that:

- Grant recipients and subrecipients are stewards of federal funds.
- Grant dollars must be used for their intended purpose.
- Subrecipients must account for cost and justify expenditures by following proper accounting and documentation standards
- Using grant funds for unjust enrichment, personal gain, or other than intended use is a form of theft, subject to criminal and civil prosecution under the laws of the United States

Federal grant dollars are susceptible to several forms of financial theft, most commonly in the form of specific federal violations, including embezzlement, theft, bribery, false statements, false claims, mail fraud, and wire fraud. Each of these violations of law are subject to criminal prosecution, fines, restitution, and civil penalties.

Suspected grant fraud or abuse should be reported to the Ohio Attorney General’s Office or the U.S. Department of Justice (DOJ) Office of the Inspector General (OIG). Reports may be made in a confidential manner. The Ohio Attorney General’s Crime Victims Section requires that all sub-recipients post the ‘Grant Fraud Reporting Contacts Poster’ in a public place where all employees have access to contact information.
