

GUIDELINES FOR CORRECTIONS OFFICER INSTRUCTOR CERTIFICATION - OPOTC

This Ohio Peace Officer Training Commission (OPOTC) guide is intended to assist both unit and special subject instructor applicants. Use this guide when applying to be an instructor or requesting to amend your current instructor certification. Please read all instructions carefully before completing the instructor application or request for amendment form. Once you determine you meet the minimum qualifications, follow these guidelines to select specific topics you request to teach in the corrections officer basic training program. These guidelines were written for the applicant who meets minimum qualifications for corrections officer basic training instructor, including, but not limited to, completion of an OPOTC approved 80 hour instructor skills training course or one of the qualified exemptions. Supporting documentation must accompany the application. Unless otherwise indicated, this guide contains suggested course offerings that meet minimum criteria to teach an individual topic. The guidelines are based upon recommendations from the 2011 job task analysis, subject matter experts, and OPOTC law enforcement training officers. In addition, these guidelines are approved by the Ohio Peace Officer Training Commission Curriculum Committee and the Board of Commissioners. This guide is not all inclusive and subject to change without notice. If you have any questions, please contact a corrections officer basic training certification officer at 740-845-2700.
