Dear Reader:

I take great pride in the publication of the sixteenth volume in Banks-Baldwin's series of annual Ohio Attorney General's Opinions.

This publication has been very well received through the years and has proven useful to those concerned with and affected by the formal opinions as released by the Office of the Attorney General.

I believe that this most recent volume issued during my tenure as Attorney General will continue to be informative and helpful to all who may refer to it.

Any suggestions for incrovement of this work will be welcomed by my Office.

CHARITABLE TRUSTS

109.23 Definition of charitable trust; application

As used in sections 109.23 to 109.33 of the Revised Code:

(A) "Charitable trust" means any fiduciary relationship with respect to property arising under the law of this state or of another jurisdiction as a result of a manifestation of intention to create it, and subjecting the person by whom the property is held to fiduciary duties to deal with the property within this state for any charitable, religious, or educational purpose.

(B) "Charitable trust" includes the fiduciary relationship, the entity serving as trustee, the status as trustee, the corpus of such trust, or a combination of any or all of such meanings, regardless of the primary meaning of any use of the term, that is necessary in any circumstances to effect the purposes of such sections.

(C) An executor, administrator, guardian, or other conservator of the estate of a decedent, incompetent, or other similarly protected person is, when holding assets in which a charitable trust has a vested or contingent interest and to the extent 'hat such sections are not clearly inapplicable, to be considered a fiduciary of a charitable trust.

(D) The fact that any person sought to be charged with fiduciary duties is a corporation, association, foundation, or any other type of organization that has, under judicial decisions or other statutes, been distinguished from a charitable trust does not provide a presumption against its being a charitable trust as defined in this section.

HISTORY: 1975 H 347, eff. 11-19-75 125 v 351

Note: In addition to those types of charitable trusts with registration requirements previously recognized, registration will be required of all charitable corporations operating in this state which have been or will be filing Forms 99A with the Internal Revenue Service. 109.231 Administration of private foundation or split-interest trust

(A) In the administration of any trust which is a "private foundation" as defined in section 509 of the internal revenue code of 1954, a trust for charitable purposes described in section 4947 (a) (1) of the internal revenue code of 1954 to the extent that it is treated for federal tax purposes as such a private foundation, or a "split-interest trust" as described in section 4947 (a) (2) of the internal revenue code of 1954, the following acts are prohibited:

(1) Engaging in any act of "self-dealing," as defined in section 4941 (d) of the internal revenue code of 1954, which would give rise to any liability for any tax imposed by section 4941 of the internal revenue code of 1954;

(2) Retaining any "excess business holdings," as defined in section 4943 (c) of the internal revenue code of 1954, which would give rise to any liability for any tax imposed by section 4943 of the internal revenue code of 1954;

(3) Making any investments which would jeopardize the carrying out of any of the exempt purposes of the trust, within the meaning of section 4944 of the internal revenue code of 1954, so as to give rise to any liability for any tax imposed by section 4944 of the internal revenue code of 1954; or

(4) Making any "taxable expenditures," as defined in section 4945 (d) of the internal revenue code of 1954, which would give rise to any liability for any tax imposed by section 4945 of the internal revenue code of 1954. The prohibitions of this division do not apply to split-interest trusts, or to amounts thereof, to the extent that such prohibitions are inapplicable thereto by reason of section 4947 of the internal revenue code of 1954.

(B) In the administration of any trust which is a "private foundation" as defined in section 509 of the internal revenue code of 1954, or a trust for charitable purposes described in section 4947 (a) (1) of the internal revenue code of 1954 to the extent that it is treated for federal tax purposes as such a private foundation, there shall, for the purposes specified in the governing instrument, be distributed at such time and in such manner, for each taxable year, amounts of income and principal at least sufficient to avoid liability for any tax imposed by section 4942 of the internal revenue code of 1954.

(C) Divisions (A) and (B) of this section express the continuing policy of this state with respect to charitable trust interests and are enacted to assist such trusts in maintaining various tax benefits extended to them, and apply to all trusts described therein, whether or not contrary to the provisions of the governing instrument of such a trust, provided that divisions (A) and (B) of this section do not apply to a trust in existence on the effective date of this section to the extent that the attorney general, the trustor, or any beneficiary of such trust, on or before November 30, 1971, files with the trustee of such trust a written objection to application to such trust of one or more provisions of said divisions, and if the trustee receiving such written objection commences an action on or before December 31, 1971, in the court having jurisdiction over such trust to reform, or to excuse such trust from compliance with, its governing instrument or any other instrument in order to meet the requirements of said divisions. A trustee receiving such written objection shall commence such an action, and the one or more provisions of said divisions specified in such written objection will not apply to such trust unless and until said court determines that their application to such trust is in the best interests of all parties in interest.

(D) No trustee of a trust to which division (A) or (B) of this section is applicable shall be surcharged for a violation of a prohibition or requirement of said divisions, unless he participated in such violation knowing that it was a violation, nor shall such trustee be surcharged if such violation was not willful and was due to reasonable cause, provided that this division does not exonerate a trustee from any responsibility or liability to which he is subject under any other rule of law whether or not duplicated in division (A) or (B) of this section.

(E) As used in this section, "trust" includes a trust or any other organization, other than a corporation, which is a "private foundation" as defined in section 509 of the internal revenue code of 1954, and "trustee" includes any member of the governing body of such organization.

(F) Except as provided in division (D) of this section, nothing in this section impairs the rights

and powers of the courts or the attorney general of this state with respect to any trust.

HISTORY: 1971 S 198, eff. 9-17-71

Note: 1971 S 198, § 3, eff. 9-17-71, reads: That divisions (H)(1) and (2) of section 1702.12 and divisions (A) and (B) of section 109.231 of the Revised Code shall affect a corporation, trust or other organization organized before January 1, 1970, only on and after the first day of its first taxable year (for federal tax purposes) beginning on or after January 1, 1972.

109.24 Enforcement

The powers of the attorney general under sections 109.23 to 109.33 of the Revised Code shall be in addition to and not in limitation of his powers held at common law. The attorney general may investigate transactions and relationships of trustees of a charitable trust for the purpose of determining whether or not the property held for charitable, religious, or educational purposes has been and is being properly administered in accordance with fiduciary principles as established by the courts and statutes of this state. The attorney general is empowered to require the production of any books or papers which are relevant to the inquiry. Each such request shall be in writing, and shall:

(A) Identify the person to whom the request is directed;

(B) State the specific purpose of the investigation;

(C) Describe any books and the papers to be produced with such definiteness and certainty as to permit such material to be fairly identified;

(D) Prescribe a return date which will provide at least ten days' notice within which the books or papers to be produced may be assembled;

(E) State the place where and the time within which any books or papers are to be produced, provided, however, that copies of such books and papers may be produced in lieu of the originals.

No request shall contain any requirement which would be held to be unreasonable or oppressive or which would be privileged from disclosure if contained in a subpoena duces tecum issued by a court of this state pursuant to the Rules of Civil Procedure, as amended. Where the production of documents required by the request would be unduly burdensome, the person upon whom the request is served shall, in lieu of producing such books or papers at the place designated in the request, make such books or papers available for inspection, copying, or reproduction at the place where such books or papers are kept.

Whenever a request fails to meet the requirements enumerated in this section, any person upon whom the request is served may file a petition to quash such request in the court of common pleas of the county in which the trust, institution, association, or corporation has its principal place of business in this state. The petition shall contain a brief statement of facts entitling such person to have such request quashed. No answer to such petition is required. Upon the filing of the petition, the court on motion of the petitioner shall enter an order fixing a date for hearing the petition and requiring that a copy of the petition and a notice of the filing and of the date for hearing be given to the attorney general or his assistant in the manner in which summons is required to be served or substituted services required to be made in other cases. On the day fixed for hearing on the petition, the court shall determine from the petition and from such evidence as is submitted by either party whether the person upon whom the request was served is entitled to have the request quashed. The proceeding shall be a special proceeding within the meaning of section 2505.02 of the Revised Code, and final orders therein may be vacated, modified, or reversed as provided in sections 2505.01 to 2505.45 of the Revised Code.

The attorney general shall institute and prosecute a proper action to enforce the performance of any charitable trust, and to restrain the abuse thereof whenever he deems such action advisable or if directed to do so by the governor, the supreme court, the general assembly, or either house thereof. Such action may be brought in his own name, on behalf of the state, or in the name of a beneficiary of the trust, in the court of common pleas of any county wherein the trust property or any part thereof is situated or invested, or where the trustee resides; provided that in the case of a charitable trust created by, arising as a result of, or funded by a will, such action may be brought in either the court of common pleas of any such county, or the probate division thereof, at the election of the attorney general. No such action shall abate or discontinue by virtue of the discontinuance in office of the attorney general in whose name such actions may be brought. This section is intended to allow the attorney general full discretion concerning the manner in which the action is to be prosecuted, including the authority to settle an action when he considers that advisable.

109.79 Ohio peace officer training academy

(A) The Ohio peace officer training council shall establish and conduct a training school for law enforcement officers of any political subdivision of the state. The school shall be known as the Ohio peace officer training academy.

The Ohio peace officer training council shall develop the training program, which shall include courses in both the civil and criminal functions of law enforcement officers, and shall establish rules governing qualifications for admission to the academy. The council may require competitive examinations to determine fitness of prospective trainees, so long as the examinations or other criteria for admission to the academy are consistent with the provisions of Chapter 124. of the Revised Code.

The Ohio peace officer training council shall determine tuition costs which shall be sufficient in the aggregate to pay the costs of operating the academy. The costs of acquiring and equipping the academy shall be paid from appropriations made by the general assembly to the Ohio peace officer training council for that purpose, or from gifts or grants received for that purpose.

The law enforcement officers, during the period of their training, shall receive compensation as determined by the political subdivision that sponsors them. The political subdivision may pay the tuition costs of the law enforcement officers they sponsor.

The academy may, if trainee vacancies exist and the railroad company prepays the entire cost of the training, train and issue certificates of satisfactory completion to peace officers who are employed by a railroad company and who meet the qualifications established for admission to the academy. A railroad company is not entitled to reimbursement from the state for any amount paid for the cost of training the railroad company's peace officers.

TABLE 4

Compatible and Incompatible Offices

Note: The following table, in two parts, lists Compatible Offices and Incompatible Offices, as determined in Opinions of the Attorney General issued during the year 1980.

Offices and positions are considered incompatible when one is subordinate to the other or is a check upon the other. Also, positions may be deemed incompatible when it is physically impossible for one person to discharge the duties of both offices (State, ex rel Attorney General v Gebert, 12 CC(NS) 274).

There are several constitutional and statutory provisions affecting the compatibility of offices, as follows:

Ohio Constitution	Ohio Revised Code		
Art. II, § 4 Art. III, § 14	3.11 124.57	315.02 319.07	2921.42 3501.02
	309.02 311.04	705.02 731.12	

In some instances, court decisions have ruled upon the compatibility of offices. Such court decisions are not covered in this table.
