OHLEG
OHIO LAW ENFORCEMENT GATEWAY

NEW & IMPROVED

The Ohio Attorney General's Office has significantly upgraded the **OHIO LAW ENFORCEMENT GATEWAY**, a free, secure web platform offering new tools to save officers time, money and headaches.

Find out why law enforcement agencies are making the switch.

NEW:

SWIFT RMS
The SWIFT Records Management System offers:
- → Complete case management.
- → Simplified incident reporting.
- → Crash reporting with direct link to DPS.
- → A jail booking component.
- → Newly required use-of-force reporting.
- → Property-room management.
- → "Night mode" with darker screen settings.
- → Regional sharing.

SWIFT Search Engine
- → SWIFT Search Engine (SWIFT SE) allows users to better narrow down, cross-reference and annotate search results.

SWIFT Share
- → An upgrade of the Ohio Local Law Enforcement Information Sharing Network will enable agencies to share incident reports, regardless of vendor platform.

OHLEG CONTINUES TO OFFER ESSENTIAL TOOLS:

Vital Databases
- → Sexual Offender Registration Notification (SORN)
- → Arson Registry
- → Domestic Violence Registry
- → Violent Offender Database

Photo Lineup Wizard
- → Helps compile suspect lineups from photos officers upload and/or source from records of people with similar characteristics

Evidence PreLog
- → Allows officers to complete BCI's evidence submission paperwork in advance and check on completion status

Grant Information
- → Body Armor Grants
- → Ohio School Vulnerability Assessment Grant

And many more!

24/7 Support for Law Enforcement
- → OHLEG Support provides 24/7 technical assistance. Contact OHLEG support at OHLEGSupport@OhioAGO.gov or 1-866-40-OHLEG (866-406-4534).
- → OHLEG Quality Assurance helps with agency audits by ensuring compliance with the rules and regulations guiding the system. Contact Quality Assurance at OHLEGQualityAssurance@OhioAGO.gov.
