

APPENDIX A

Statutory Provisions Exempting Records From the Ohio Public Records Act or Declaring Records Confidential

The chart below is designed to be a helpful tool for identifying specific statutory exemptions to the Ohio Public Records Act. It is not meant to be an exhaustive list of exemptions. Independent legal research to determine whether additional applicable exemptions exist elsewhere in Ohio or under federal law is still recommended.

The exemptions listed in this appendix do not include those in the Public Records Act (R.C. 149.43) itself, which are addressed in Chapter 3 of this manual. Some of the listed exemptions are qualified exemptions. That is, the statute listed might grant the exemption only if certain conditions are met. On the other hand, the statute might also remove the exemption (and therefore make a record “public”) if certain conditions are met.

Independent legal research is necessary to determine whether an exemption listed below applies in a specific situation.
