Narrative:

On June 11, 2024, SA Matt Collins requested the assistance of the Cyber Crime Unit to obtain video surveillance footage from Turkey Hill store #850717 located at 950 Georgesville Road, Columbus, OH 43228. I (SAS Root #149) arrived at Turkey Hill store #850717 at approximately 1135 hours that date. Upon arrival, I was put in contact with the district manager, Greg Cox, by telephone [REDACTED]. Mr. Cox referred me to Asset Protection Specialist Paul Bush [REDACTED]. Mr. Bush advised he would be able to retrieve relevant video footage and send it to me electronically.

At 1424 hours, Mr. Bush emailed a link from which a zip file could be obtained and a PDF document providing instructions for the download and extraction. The zip file was successfully downloaded and extracted on a CCU forensic computer for verification. The video player was found to function properly. The zip file was transferred to a thumb drive and provided to SA John Butterworth to provide to SA Collins.

No further CCU assistance is requested at this time.
