He's not the one to send it to but out of respect for the family I wouldn't post it. There is a different avenue to take if you want to help bring justice

It didn't make no sense to me
cause how it 2 police officers but
only 1 shot him they knew he
wasn't a threat they just wanted
to take another black man life

It got something to do with all of
us cause it could have been any
of our kids and it still can be the
way they so COMFORTABLE with
killing mfs now days
