Officer Involved Critical Incident - Unknown, Kevin Richard Giesel (S)

Investigative Activity: Review of Photographs and Video
Activity Date: July 19, 2021
Activity Location: Parma Police Department, 5555 Powers Blvd., Parma, Ohio
Authoring Agent: SA Jared Prill #137

On Monday, July 19, 2021, Special Agent (SA) Jared Prill (Prill) met with Captain David Zarzeczny of the Parma Police Department to review photographs and videos of damage to the Southeast Enforcement Bureau's (SEB) Transcend Tactical Robot. This robot is utilized by both the SEB Bomb Squad and SEB SWAT Team as a means to obtain real-time audio and video of high-risk situations, while allowing officers to maintain a safe distance from the threat.

During the standoff with Kevin Giesel (Giesel) on June 13 and 14, 2021, this robot was deployed into the residence of 5714 South Park Boulevard, Parma, Ohio, to allow officers to better access the barricaded situation and attempt to re-establish communications with Giesel. The robot was operated by SEB Bomb Technician David McCammon of the Middleburg Heights Police Department. While it was deployed inside the residence, Giesel shot the robot with a firearm later recovered from the scene. The robot sustained substantial damage from being shot, which rendered the robot inoperable.

Investigative Report

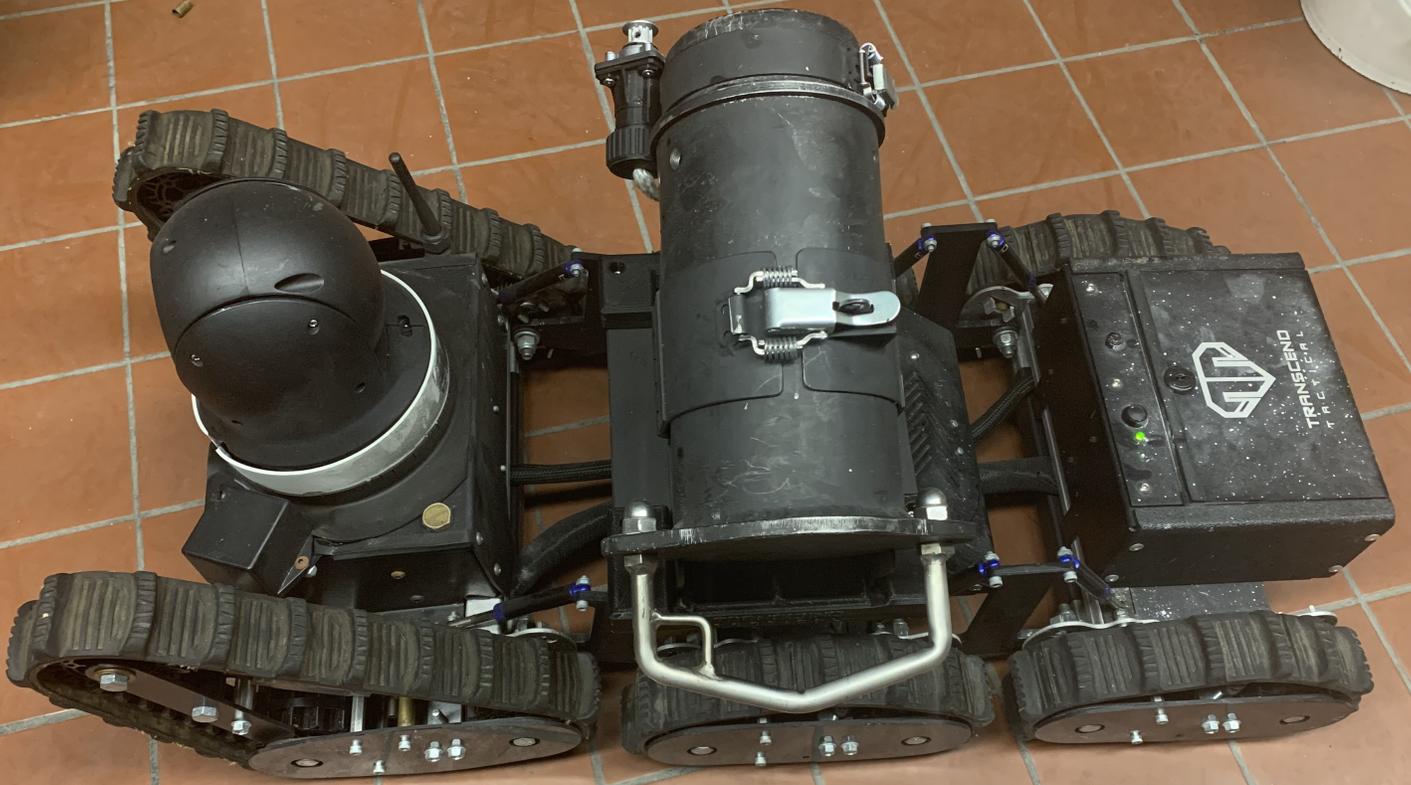

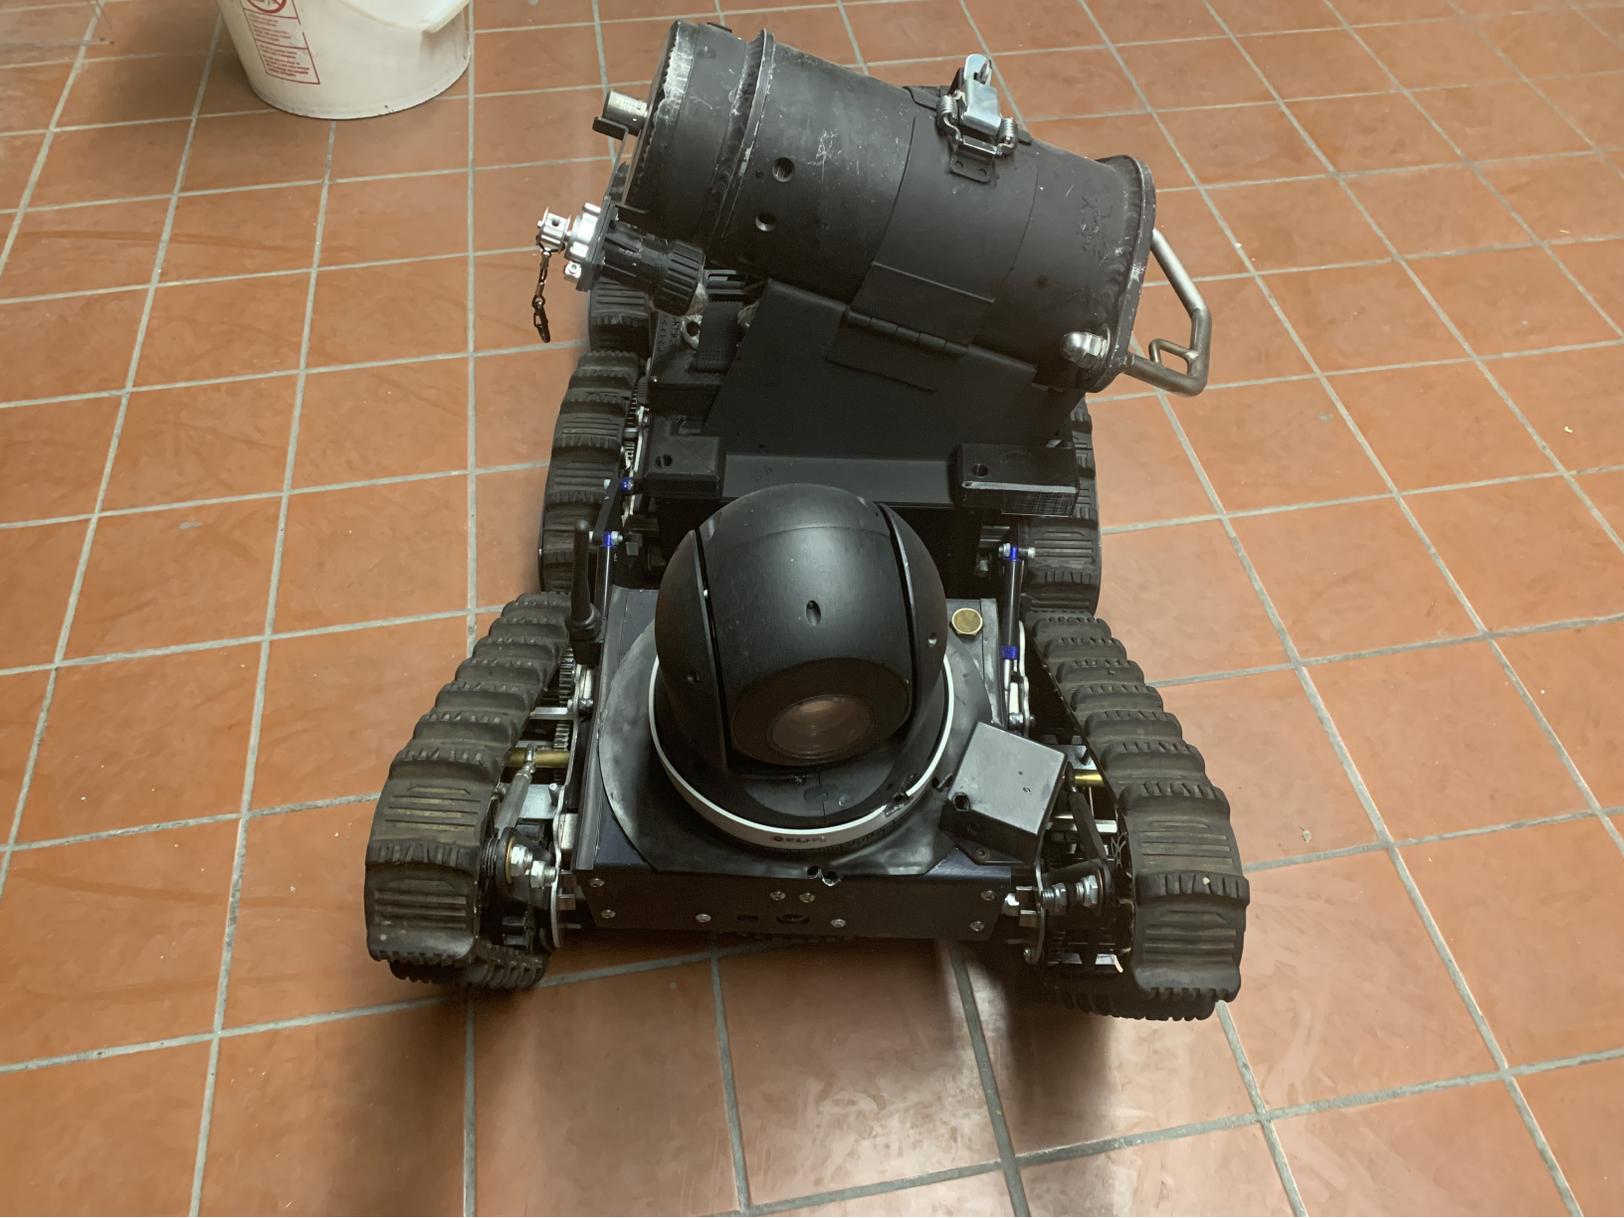

2021-1431

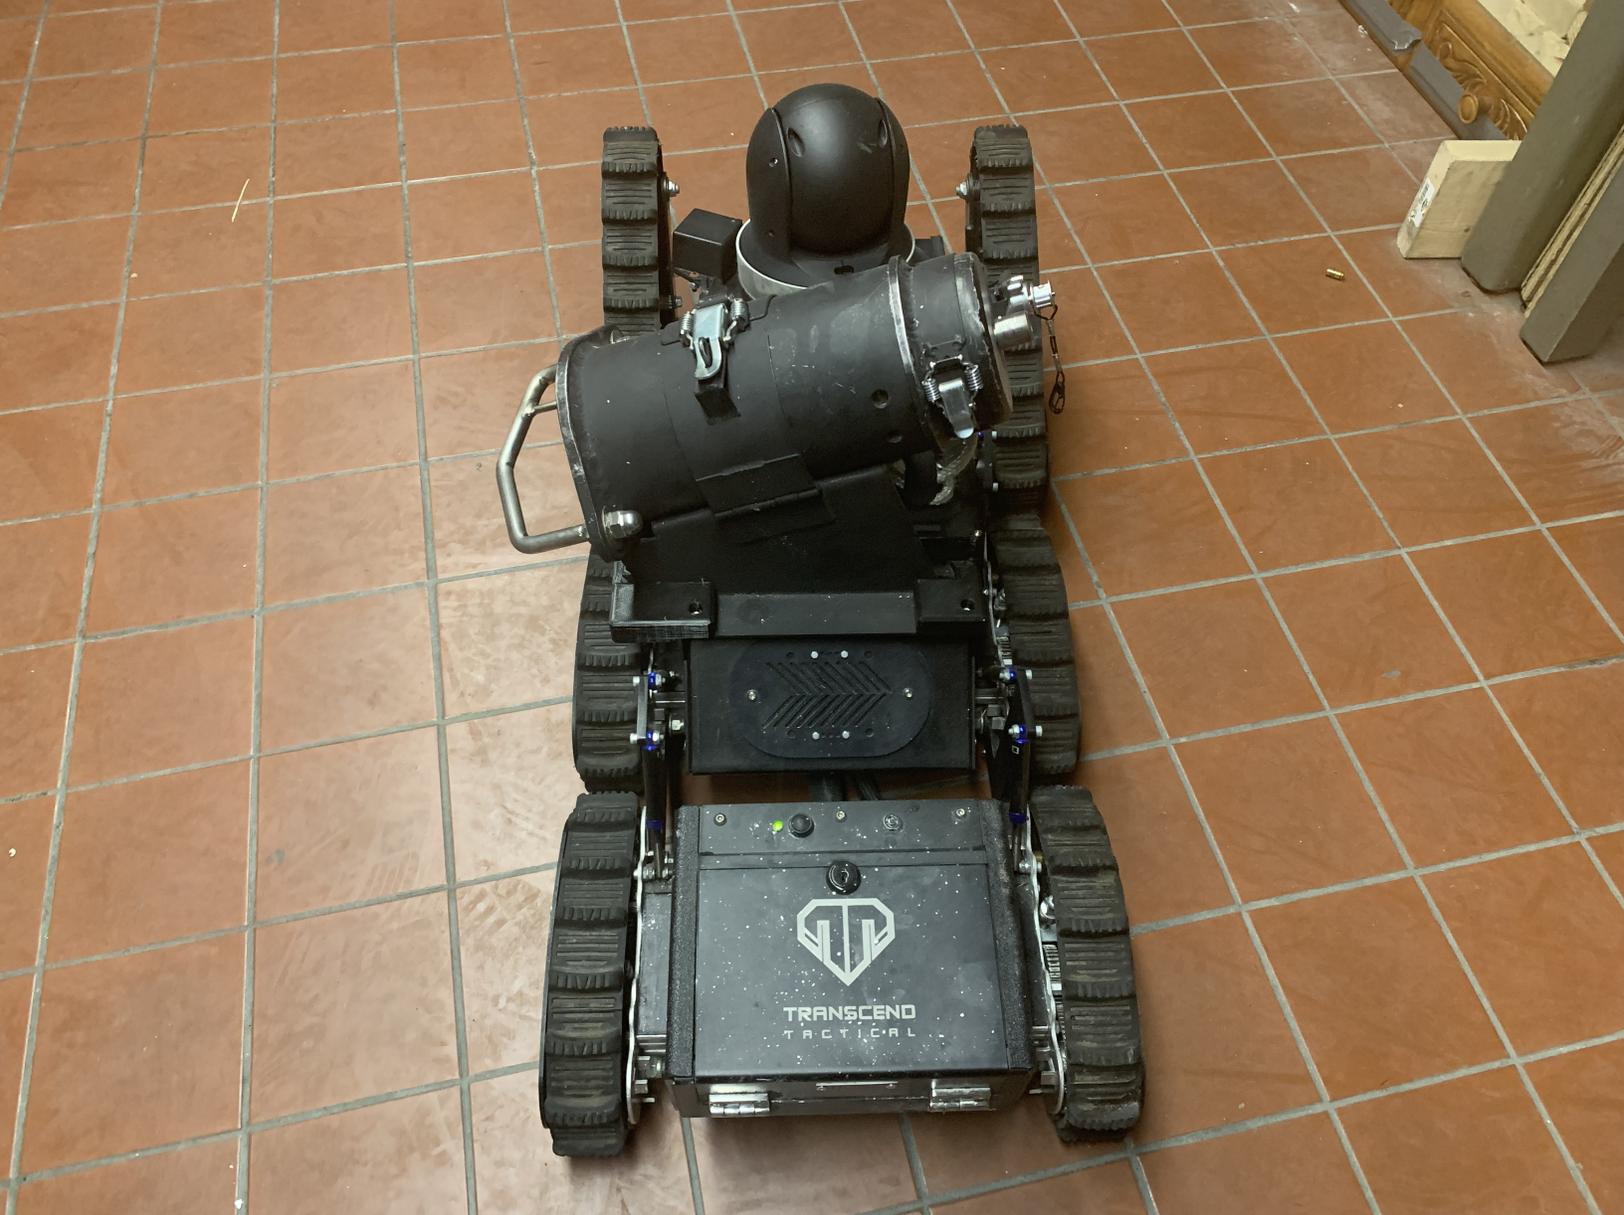

Officer Involved Critical Incident - Unknown, Kevin Richard Giesel (S)

After Giesel shot and damaged the robot, SEB Swat officers, positioned in the front of 5714 South Park Boulevard, witnessed Giesel carrying the disabled robot from the back portion of the residence to the front with a pistol in his hand.

After the stand-off at the residence was concluded, SEB Bomb Technicians recovered their robot and found approximately five or six entry points from bullets that entered the metal mechanical housing of the robot by the front camera system; damaged the camera system and the right drive track. The repair cost of this damage was \$2,788.
