Narrative:

On 06/29/2022, Ohio Bureau of Criminal Investigation (BCI) Special Agent (SA) Tiffany Vollmer (Vollmer) interviewed Firefighter Gilbert Frew (Frew) of the Lima Fire Department (LFD), relative to the officer-involved shooting which took place on 06/21/2022. The interview took place at Lima Central Fire 433 S. Main Street, Lima, Ohio. The purpose of the interview was to obtain all relevant information of the incident known or observed by this individual regarding their response to the incident scene. The following is a summary of the interview, which was recorded and attached to the case file:

Frew, who is also an EMT (Emergency Medical Technician), stated he has been with LFD for over 19 years. The call came in as a shooting involving a deputy at Sugar and Second Street. Frew drove engine 2 to the scene. After he parked, he met back up with Lieutenant (Lt.) Lauck and was told there was one deceased person and a deputy was by his car. Lt. Lauck instructed Frew and Firefighter Hammons to provide patient care to the deputy. The deputy's injury had already been bandaged by the time Frew got there. The deputy was escorted to the ambulance by another firefighter, while Frew took equipment back to the truck. Frew said he provided traffic control for the ambulance and then got into engine 2 and left the scene.

Frew said he did not see the deceased subject while he was there.
