**Investigative Activity:** Review of Dispatch Related Information  
**Involves:** Mansfield Police Department  
**Activity Date:** 11/06/2024  
**Activity Location:** BCI - Richfield  
**Authoring Agent:** SA Allison Fletcher #187

**Narrative:**

On November 6, 2024, Ohio Bureau of Criminal Investigation (BCI) Special Agent (SA) Allison Fletcher (Fletcher) began reviewing the following items related to the October 19, 2024, officer-involved shooting in Mansfield, Ohio:

- Audio recorded 911 call
- Audio recorded police radio traffic and data

The items were previously provided by Mansfield Police Department Lieutenant Skropits. The recorded radio traffic and 911 call have been stored in the BCI SIU case file as Reference Item C.

On November 25, 2024, Mansfield Police Department records division provided SA John Tingley (Tingley) with the computer-aided dispatch report (CAD). The document has been attached to this report.

SA Fletcher reviewed the files and recordings provided and noted the following:

**Audio Recorded 911 Call**

The recording was 1 minute, 9 seconds, and titled *24-024858\_911 Call*. A female dispatcher answered the call stating "911 do you have a police, fire, or medical emergency?" A male responded "police" and provided the address of 200 Cline Avenue. The male continued stating his female neighbor's fiancé was a "violent offender" and was at the residence next door "causing a lot of issues and she is in fear for her life." The male caller provided the names of Michael Shane Oswald (Oswald) and Erin Leeann Brooks (Brooks). The male caller stated he could hear them fighting and Oswald was suspected to be on drugs.

The male caller stated he did not want to receive a call back or be involved. The call ended.
