Investigative Activity: Autopsy Review
Involves: Pamela Croston (S)
Date of Activity: 03/06/2023
Author: SA James Poole

Narrative:

On August 6, 2023, BCI Special Agent James Poole (SA Poole) received a copy of the Postmortem Autopsy and Coroner's reports for Pamela Croston (Croston) from the Franklin County Coroner's Office. The Franklin County Coroner's Office completed the autopsy. Copies of the reports were saved electronically within the case file and are attached to this report. The following is a brief summary of the autopsy findings. Please refer to the Autopsy Reports for specific details.

Pathologist Todd Barr M.D. performed the post-mortem examination/autopsy and determined the manner of death as Homicide. The report determined that Croston suffered gunshot wounds to the chest and extremities with visceral, vascular, soft tissue, and skeletal injuries.

The Toxicology Report is still in processing.
