OH 44117, Cuyahoga County

Investigative Activity: Review of Dispatch Records and Recordings
Involves: Euclid Police Department (O)
Activity Date: 01/21/2026
Activity Location: BCI - Boardman
Authoring Agent: SA Joseph Lamping #184

Narrative:

On Friday, January 16, 2026, Ohio Bureau of Criminal Investigation (BCI) Special Agent (SA) Allison Fletcher (Fletcher) received requested records and recordings from Euclid Police Department (EPD) Detective Sergeant Nick Edington. SA Fletcher had previously requested all dispatch records, audio-recordings (radio, 911, and phone), mobile data terminal (MDT) communications, and any other dispatch/communications-related information regarding the Officer Involved Critical Incident that occurred on January 11, 2026. As a result of that request, the following items were received and reviewed by SA Joe Lamping (Lamping):

Computer Aided Dispatch (CAD) Records:

Two documents containing CAD records were provided by EPD. Each document was reviewed and documented below.

P1 CAD

The above titled 23-page document contained records relative to the 911 calls and radio traffic for this incident. The notes from the 911 call section were in line with the content of the recordings. The below snippets were taken from the CAD notes that the dispatcher added to the record. They do not encompass all the notes in the report, and are only representative of what SA Lamping deemed to be of the most importance:

Officer Involved Critical Incident - 1451 E. 219th St., Euclid,
OH 44117, Cuyahoga County

The initial 911 call was received at 22:18:26 hours and lasted for 1 minute and 58 seconds.

When the dispatcher began speaking, a loud verbal altercation could be heard on the other end of the call, partially drowning out the dispatcher's attempts to speak with the caller. The dispatcher continued their attempts to obtain information from the caller as the verbal altercation continued. It sounded as though a male was yelling at a female while the female sobbed and repeatedly apologized to the male. The female could be heard crying throughout the call, and at no point did she speak with the dispatcher. As the dispatcher attempted to get the caller to speak with them, the caller stated:

Oh, my goodness. I'm trying to clean up babe. There's... there's so much blood, I'm working, I'm sorry. (01:14)

Shortly after the above quote, the call was terminated.

CVD1_Vesta06_2026_01_11_22_20_53.wav

The second 911 call was received at 22:20:53 hours and lasted for 1 minute and 9 seconds.

The call opened with a dial tone followed by a male answering the phone. The dispatcher identified themselves and asked for the male's address. The male declined to provide the address, and when asked why he would not provide it he stated:

Why? Because, uh, I don't need your 911 for one, and [unintelligible] you can suck my fucking dick (0:29).

The dispatcher asked why the male could not provide his address and the male continued to make additional lude comments to the dispatcher:

Why? Because I don't know who the fuck you are and you can suck my dick (0:42).

The dispatcher attempted to obtain information about the happenings at the residence; however, the male on the line denied anything occurring at the residence. When the dispatcher told the male that she had heard that assistance was needed at the residence the male responded:

Oh, there ain't nobody in the background. You can suck my dick. Fucking pig, uh, fucking pig bitch (0:56).

The dispatcher advised the male that officers would be en route to the residence and then terminated the call.

CVD1_Vesta01_2026_01_11_22_22_50.wav

The third and final 911 call occurred at 22:22:50 hours and was 6 minutes and 2 seconds in length.

As the call was answered and the dispatcher asked for the location of the emergency, a frantic sounding woman reported that she had been assaulted by the father of her child. She began to plead for assistance and yelled that her baby was still in the residence with the father. She reported that she had run away from her residence and was approximately two houses away. The caller then identified herself as [REDACTED] and provided further details about the incident:

[REDACTED] *(inaudible) my face is a little bloody, he tried to kill me... please don't let him hurt my baby* (0:39).

[REDACTED] continued to plead for assistance as she provided information about Robert Riddlebarger (Riddlebarger). She stated that she felt she had a concussion. When asked if she needed an ambulance she stated:

Yes I need an ambulance right now. I've been beaten, I've been bleeding from everywhere and my daughter's in the house (1:21).

[REDACTED] was still frantic and described the assault in further detail:

He just started beating the crap outta me. I called in the garage talking on the phone with some chick and then he tried to get me [unintelligible] he started flipping out on me (1:50).

[REDACTED] reported that her three-year-old daughter was still in the house. She also stated that Riddlebarger had been on top of her and assaulted her in various locations around the house. The dispatcher asked [REDACTED] what precipitated the incident, and she said:

He was on the phone in the garage with this chick from high school or some shit, and he wanted me to call her and he was really mad because, I, I told him, he was saying intimate stuff with her and

wouldn't talk to me. He just kept saying he hated me and he started beating me like, I please just help (2:39).

██████████ continued to ask the dispatcher to assist her child. She expressed concern for the child's wellbeing. ██████████ continued to talk with the dispatcher and stated:

I can't believe he fucking did this, he was really trying to kill me (3:41).

██████████ continued on to provide further information about the occurrences in the residence prior to her fleeing:

Oh my God... And my phone is at the house. I just called, this old one I have. Unfortunately, I called 911 on his phone and I believe they called him back as I was running outta the house (4:02).

██████████ told the dispatcher that she was bleeding from her nose, mouth, and ears. The dispatcher asked ██████████ if she felt that her daughter was in danger with Riddlebarger. ██████████ told the dispatcher that she felt that her daughter was in danger and explained that she had to run from Riddlebarger as she felt that he was going to beat her to death.

The call was terminated after ██████████ began conversing with other individuals on scene, possibly first responders.
