Sgt. Hicks,

9/1/15 TO 11/30/15  
23 HOURS OF CLASSES  
14.75 HOURS OF PT & REVIEW  
(EACH DAY 59 DAYS)  
15 MIN

I am under the impression you are requesting an itemized list of any hours your three recruits participate in above the 616 required OPOTC hours.

I have attached a copy of the calendar that your recruits will be following while in the academy. Any classes listed in **BLUE** are classed above the minimum required OPOTA hours. In addition to these hours, each day prior to the start of class we spend 15 minutes doing physical fitness activities, subject control, and previous class review training or a combination of all three

If you need any additional information or have any questions, please do not hesitate to contact me.

Yours in law enforcement,

## Critical Communications Skills in Officer Citizen Encounters VO\_CCSTP\_BSD-2101

Thursday, May 20, 2021 9:00:00 AM EDT - 12:00:00 PM EDT

BSD has developed a Critical Communication Skills program for uniformed police. The topics include implicit/explicit bias; racial profiling; duty to intervene and procedural justice. Research based communications techniques including: Cylinder Model of Communication; Motivational Interviewing; Cialdin's Principles of Persuasion and Warmth and Competence. These techniques are designed to enhance a uniformed police officer/deputy in their communication skills. The benefits of better communications are reduced requirement to utilize physical force and increase trust between the community and police.

**Review Period:** January - June 2024

### NPD MISSION STATEMENT / CORE VALUES (CATEGORY 1)

[REDACTED] is a walking example of the mission statement & CORE VALUES of the department. He displays them every day without fail. He is professional in his manners and actions with all!

### GENERAL CONDUCT AND SKILLS (CATEGORY 2)

[REDACTED] has an outstanding attendance record for this review period, he is always on time and prepared for duty and to lead his troops. [REDACTED] is great with communications and asking questions. He is thorough in his work and supervision. [REDACTED] was selected as employee of the month for May for his hard work and dedication to his shift and as a leader for all to follow, setting the right example. [REDACTED] is always professional in dealing with the public and the members of the department.

### PROFICIENCY AND PRIMARY DUTIES (CATEGORY 3)

[REDACTED] handles any task given to him in a timely manner. He monitors his troop's activities and responds to calls with them. He is often called upon for guidance and advice. [REDACTED] manages his time wisely between admin duties and in the field duties very well.

### RECOMMENDED STEPS FOR IMPROVEMENT

I would like to see [REDACTED] attend law enforcement executive training programs.

On 12/13/22 @ 1708 hours, Officers were dispatched to the Paycor parking lot for a person shot. (incident # [REDACTED]). Very limited information was given in the dispatch. All available units responded to the area to locate the vehicle & victim.

Norwood units checked the entire lot and could not locate vehicle or victim.

Officer's Castanias, Riffle & Harrison made contact with two female employees in the lot who advised they had seen a light colored vehicle speed away with a broken out rear window towards Montgomery Rd.

While attempting to gather more info, HCCC advised that CPD was on scene of a shooting in the 5000 block of Reading Rd. with one victim. Information relayed from CPD reference vehicle description closely matched the vehicle description we had obtained.

HCCC reestablished contact with original 911 caller to find their location. HCCC advised the caller was hysterical & not providing much information, but after multiple attempts the caller stated they were south on I 71. Still not knowing if there was a shooting victim or not I asked dispatch multiple times to try and obtain if in fact we had a victim.

I then told dispatch to have the caller return to Norwood so we could determine if we had a crime.

HCCC advised the caller stated he had a gun in the car. HCCC began a phase 2 ping on the phone and was tracking movement. The track showed travel on north I 71 now & it was tracking back to Norwood. HCCC kept units up to date on travel as the vehicle reentered Norwood. HCCC was also able to confirm that there was a shooting victim in the car.

With this information I advised all Norwood to try & intercept this vehicle as quickly as possible.

Officer Bomske was in the PD lot dealing with a separate situation when she advised the vehicle was north on Montgomery Rd. passing the PD.

Norwood units intercepted the vehicle on Montgomery Rd. over SR 562 bridge.

The driver of the vehicle was immediately secured by P.O. Agnew and placed in a patrol car.

P.O. Riffle & Castanias immediately attempted to render aid to the front passenger, but the rear passenger was DOA. Norwood medics arrived on scene and immediately transported the front passenger to UCMC. (this person was pronounced dead at the hospital).

The scene was locked down & all vehicle & pedestrian traffic was diverted; Montgomery Rd. was closed between Frisch's & Norwood Ave.

P.O. Riffle & Castanias recovered & secured three firearms from the vehicle.

While on scene & collecting as much information as possible it was determined that this vehicle was involved in the CPD shooting & that the shooting had occurred in the area of E. Seymore & Joyce Ln. just outside of Norwood.

CPD was advised & responded to the scene. CPD Homicide unit responded to the scene & took over the scene & investigation. Coroners office also responded to the scene.

I made notification to Chief Kramer, Lt. Sumner & Lt. Fair. Lt. Fair responded to scene along with his detectives.

Lt. Fair & Sgt. Lewis coordinated communications between both agencies allowing for a smooth scene transition.

I would like to thank Lt. Fair & his team for their assistance. Job well done!

I would also like to thank each and every patrol officer who assisted with this incident, day shift, night shift & Auxiliary Ofc. Harper . Everyone of you played a critical role in making this a very well organized and controlled crime scene. Each & everyone of you did exactly what was asked of you without question or delay. I truly thank you for that.

Everyone worked together seamlessly without hesitation. Outstanding work!!

██████████ & his crew wasted no time in stepping up & relieving officers at the scene & also set up traffic post. ██████████ was called in from detail to assist with patrol duties. Thank you all for jumping right in and helping when needed. It is truly appreciated.

There is truly much more to be told reference this incident in how these officers performed in this critical situation.

It is a pleasure to work with each & everyone of you! I cannot thank you all enough for the work you do, day in & day out.

JOB WELL DONE BY ALL!!

Respectfully,

Sgt. M. Vickers # 165

## Recognition-Supervisor for [REDACTED]

## Body

I would like to recognize all of the officers & Sgt. Kilby for an outstanding job in apprehending a felon who had just committed an aggravated robbery at Pizza Hut located at 4432 Montgomery Rd. on 2/5/22 @ 1414 hours.

HCCC advised Norwood units of a robbery that had just occurred at the Pizza Hut 4432 Montgomery Rd. Description was given, M/W, 20-30 yoa, wearing a blue jacket with a gray hoodie underneath, and that a weapon was implied. Taken in the offense was \$118.00 US Currency. Suspect last seen going north towards Kroger.

Two units were advised to go to the scene all other units advised to set up a perimeter. All units advised to switch to an areawide channel.

I responded to Kroger to check video. I was able to have the manager pull up the outside camera south entrance view and observed a M/W, fitting the description enter the Kroger store.

I advised all units of a more detailed description. Just seconds later [REDACTED] sent out a text with a picture of the subject to all units and they both matched.

Thinking the suspect was still inside Kroger I called for two units to meet me inside Kroger & we would do a sweep of the store. While waiting for the units to arrive the manager advised while watching the video he seen the suspect had already exited the store via the north entrance and was last seen walking towards the BMV office.

I then had all units shift the perimeter to a more northern position and directed cars to start checking the Presidential streets behind Surrey Square moving in a north easterly direction.

I started checking north of Surrey Square. I was stopped by a citizen in the parking lot of Kroger who asked if we were looking for someone, he provided a description of the suspect.

I then pulled out onto Montgomery Rd. from Surrey Square & started checking the area, as I approached Elm Ave. I seen the suspect go into the parking garage, located @ 4650 Montgomery Rd. on the Elm Ave. side I advised over the radio of my location and that the suspect had just entered the garage on the Elm Ave. I exited my vehicle and made contact with suspect and held him at gun point until other units arrived.

Suspect was taken into custody with out incident & transported to the PD for paperwork.

Suspect was also found to have active warrant out of Kentucky for a probation violation for agg-robbery & was also wanted by CPD for an agg-robbery that occurred at Walgreens in Mt. Washington.

A CPD investigator came to our PD to interview suspect, who confessed to the offense in Cincinnati.

Suspect was ultimately charge with three aggravated robberies, one with Norwood, one with Cincinnati, & one with Hamilton SO. Also his outstanding felony warrant in Kentucky & with drug paraph, drug abuse instrument with our department.

This was outstanding performance by all officers involved. Everyone worked extremely well together, communicated well & followed direction with out question. Each not hesitating to put themselves in

harms way to apprehend a possibly armed felon!

The suspect was taken into custody fifteen minutes after the incident was dispatched!!

All of these officers displayed many of the CORE Values of the department.

Commitment, Pride, Professionalism, Integrity. Each should be commended for a job well done!

Thank you all, it is a pleasure to work with each and everyone of you!

Email from Loss Prevention:

Hello Hamilton County Sheriff's Office, Norwood Police Department and Colerain TWP. Police Department,

On behalf of Old Navy and Gap Inc., I'd like to thank you and give your departments a shoutout for helping us close a Habitual ORC case. We appreciate all of the work you have done for the company.

I'd like to give a shoutout to [REDACTED] with Norwood Police, Detective Powers with HCSO, and Officer Richardson with Colerain TWP. Police. These officers helped us by filing charges on Danielle Custard. Since Danielle has been charged with these offenses, Danielle has not come back to Old Navy. Due to your help, we've been able to minimize loss in our stores because of the impact this particular subject had.

Attached is the ORC Recap.

We look forward to closing out cases with your departments in the future.

Thanks!

Respectfully submitted,

Dellan Sutton

On 8/23/21 at 1809 hours officers were dispatched to 4900 Montgomery Rd for a theft which was shortly after updated to a Robbery. [REDACTED] responded to the scene and provided valuable updated information for other officers. PO Mollmann was clearing another run in the area and responded to the area. PO Mollmann located the two suspects who fled on foot. Mollmann was able to stop and apprehend one of the suspect while putting out a description and direction of the other suspect which put me in a perfect spot to apprehend the other suspect. Both suspects were in custody within 6 minutes of officers being dispatched, which is extremely impressive. On top of this quick apprehension, I observed fantastic teamwork after the apprehensions when [REDACTED] began helping with the paperwork to expedite the process and PO Fornash began checking on neighbors for any video of a use of force from my arrest. Without quick and excellent police work these suspects may have gotten away with their crime and

without the teamwork a hot and tired shift may have been held over for some time finishing involved paperwork. Great work all.

Subject: Monday morning at Sharpsburg Primary

Good Morning!

I am hoping this finds [REDACTED] and Assistant Principal Booth. Ms. Ford, Mr. Westendorf please forward as needed to share my appreciation.

Traffic safety and perception around Sharpsburg have been the focus of ongoing concerns (many complaints and even TV news stories) for years. Drop-off/pick-up are the most common, IF NOT ONLY regular interaction many parents and community members have with the school. There have been conscious efforts to address some of these issues; but as a community, more needs to be done. As result of the disorganization and safety concerns, I believe there has been an erosion of confidence of the school and of the greater community.

On behalf of many parents and community members I would like to thank both Ms. Booth and [REDACTED]  
Day after day Ms Booth has been outside at drop-off. Parents have seen a caring staff member greeting

their child by name. Giving a smile or pat on the back. Making sure coats are zipped; asking questions; giving positive reinforcement... creating bonds and BUILDING CONFIDENCE with parents. Having her there gives a "face" to the school. Ms Booth: Thank you so very much for your commitment, rain or shine; warm or cold.

██████████ It was such a pleasure talking with you on Monday. You asked a few simple questions of me: Are there goals or procedures for drop off? What time are the doors open, and closed? Is the afternoon similar? Those simple questions showed me you care enough to find out, and have a commitment to help improve the situation. Being on a state route; between the two busy business areas of Surrey Square and Rookwood; and near the I-71 entrance makes Sharpsburg VERY visible to the local community (not only parents). The lack of order and safety creates a negative perception not only within Norwood; but with those that come here from surrounding communities as well. I was so VERY happy to hear that you will be at Sharpsburg on a regular basis. I understand there will be emergencies that may take you away. However, having an officer there on a regular basis will help reinforce good habits, give opportunities for positive interactions, and improve perceptions. Thank you for not only being at the school, but for interacting and making a commitment. It is very much appreciated.

Sincerely,

Brent Leon

I would like to thank ██████████ for his hard work & dedication! They displayed the CORE VALUES of the Norwood Police Department in every aspect on this day, Commitment, Professionalism, Respect, Pride & Integrity. Keep up the good work ██████████ Sharpsburg Primary is a on going issue and is always appreciated when an officer takes the time to get to know how the Police Department can help at beginning and ending of each school day.

PO William Dossenback was on patrol in Surrey Square and stopped two subjects in a vehicle for suspicious activity. The passenger gave PO Dossenback a false name. When PO Dossenback attempted to get further information to identify the subject he took off running across the lot towards Montgomery Rd with PO Dossenback in foot pursuit [REDACTED] and Sgt Mark Vickers assisted in the foot pursuit. The suspect fled behind the church on Courtland Ave and came back out towards Montgomery Rd. While

fleeing, the suspect attempted to jump into a vehicle that was driving down Montgomery Rd. A citizen standing nearby saw the officers chasing the suspect around the vehicle and came to their aid by tackling the suspect before he could get away. Officers began to get the suspect into custody when Sgt Vickers observed a handgun fall out from the suspects waistband. Officers quickly gained control of the suspect and placed him in handcuffs. While being searched, marijuana was recovered from one of the suspects pockets. The suspect was identified and found to be wanted for Felony Probation Violation for Drug Trafficking. Multiple charges were signed and the suspect was taken to the Hamilton County Justice Center.

I would like to recognize these officers for their actions in this incident. I would especially like to recognize PO William Dossenback. This is the second time in two weeks that PO Dossenback has initiated actions that have resulted in an arrest where guns and drugs have been taken off the street.

With the actions taken today, these officers have demonstrated all of the core values that are written in the department's mission statement by providing services that help make our community safer.

On June 10 2018, PO Dossenback observed a vehicle with an expired license plate at Worth and Section Ave's. After running the license plate, the vehicle came back with a warrant attached to it. PO Dossenback attempted to stop the vehicle to see if the wanted person was in the vehicle. The vehicle refused to stop, fleeing into Bond Hill. After a short pursuit, the vehicle stopped Andina and Phantom Ln. where both occupants, two male blacks, fled from the vehicle. All Norwood officers responded to the area to assist in locating the suspects. CPD officers also responded to assist in the search. Sgt Brucker and [REDACTED] assisted on the perimeter while searching for the suspects. CPD officers stated that the owner of the vehicle was attempting to report the vehicle as stolen from her residence on Garden Ln. Norwood and CPD officers responded to the residence. One of the male suspects who fled the vehicle was located at the residence of the alleged victim. He was identified by PO Dossenback and arrested.

The vehicle was impounded and inventoried. Inside the vehicle were two loaded handguns, one of which was reported stolen in Kentucky along with body armor and two digital scales. 4.2 grams of heroin was found near where the suspects fled from the vehicle.

PO's Hoffman and Fornash assisted with the impound and evidence recovery. Sgt. Vickers and PO Dossenback brought the suspect back to be interviewed and paperwork.

The suspect was interviewed by Sgt. Vickers and PO Dossenback. The suspect admitted to possessing all the evidence found in and around the vehicle. The suspect admitted that they had the body armor because they had been shot at before while selling drugs.

I wanted to recognize the efforts of all the officers involved. Each officer contributed to the safe outcome of this incident.

[REDACTED] and Hoffman came in contact with Rachel Schutte on May 13, 2018 when her vehicle was towed and there was a Felony warrant attached to her vehicle. Officers were unable to locate her at the time of the tow. A short time later Rachel responded to the police station to get her vehicle out of tow. Rachel was unaware of the Felony warrant for Theft (stolen U-Haul truck). With no other criminal history Rachel was scared and upset giving that she is a school teacher for St. Rita's and she could loose her job. [REDACTED] and Hoffman handled the situation with professionalism and with empathy. Rachel Schutte want to express her sincere gratitude, she sent the attached card. Rachel was released on her own recognizance and the theft case was ignored. Not to many people would want to say Thank You after being arrested for a Felony and taken to jail. This is a great example of professionalism and our core values of the Norwood Police Department.

[REDACTED] responded to an intoxicated disorderly male at an apartment. Upon his arrival, he was informed that the male had been a resident of the apartment with the female who called for approximately 5 months, and that they shared the inhabitation as a couple. A claim was made that a printer in the house was thrown out of the window and that it was purchased by the female half. There was no evidence presented of sole ownership of the printer by the female. [REDACTED] originally placed the male into custody for criminal damage of what could only be determined to be common property of the 2 inhabitants. The male was eventually taken out of custody for criminal damage and it was determined after further investigation, that he had instead committed the crime of Domestic Violence (Threat). I spoke with [REDACTED] about the civil aspect of what had occurred and that an individual cannot criminally damage their own property. He understands the civil law concept and the repercussions that could have been faced for an improper charge.

On 12/19/2016 at 1724 hours Officers were dispatched to 4927 Ash Street for a possibly structure fire. Upon arrival Officer Strunk, [REDACTED] and myself made contact with the caller who was standing outside on a second story deck. The caller had control over a dog by a leash and she stated there was a fire and two small children were still inside. The caller was in complete shock, paralyzed with fear. Officer Strunk immediately started running up the stairwell and told the caller to move away from the door and to go down the stairs. I told [REDACTED] to grab a fire extinguisher and followed Officer Strunk into the building.

Officer Strunk located the bedroom the two small children were in. He grabbed one child and immediately fled the residence. I observed the other child in the same room and ran over to grab her. As I approached the child I noticed that the electrical outlet in the room was engulfed in flames. I picked the child up and turned around to exit the bedroom. As I was leaving I saw [REDACTED] come sprinting in with the fire extinguisher. I directed [REDACTED] the bedroom and he was able to extinguish the fire before it could spread any further.

These Officers responded to a potentially very dangerous situation appropriately and without hesitation. I would like to commend both Officers on a job well done.

On the night of Sunday, August 28th the City of Norwood was hit by what will certainly be classified as a 100 year storm. This storm dropped over 5 inches of rain on Norwood and other surrounding communities in just two hours, quickly overwhelming the sewer and rainwater collection system, and causing flooding throughout most areas of the city.

As I have come to expect from Officers Christian Keuffer, David Dungan, Craig Spille, Mike Jackson and Chad Webster, each of these veteran officers rose to the occasion. These officers recognized what needed to be done, made intelligent and timely decisions, and accomplished the mission of protecting lives and property to the best of their ability, during an incident no one could have predicted or completely prepared for.

Moreover, no NPD equipment or resources were jeopardized or damaged, nor were any personnel injured during this catastrophic event, further demonstrating the maturity, competence and resourcefulness of these officers.

Probationary Officers Kyle Lackman and [REDACTED] proved to be instrumental members of this team on Sunday night. Their willingness to do whatever needed to be done and to follow the direction and guidance of their Field Training Officers made it unnecessary to call in additional officers. I'm sure this will be one event they can say they learned much from, and will remember throughout their careers.

Chief Kramer has already issued Letters of Commendation, which are certainly deserved. However, I wish to extend my sincere appreciation to these fine officers for a job well done. They represented the City of Norwood Police Department with distinction, and have brought great credit upon themselves and the Norwood Police Department.

Sgt. Jim Hicks
