Narrative:

On Sunday, March 16, 2025, at approximately 0430 hours, Ohio Bureau of Criminal Investigation (BCI) Special Agent (SA) John Tingley (Tingley) arrived at the Ravenna Police Department (RPD), located at 220 South Park Way, Ravenna, Portage County, Ohio, to meet with the involved RPD Officers and collect evidence relevant to the March 16, 2025, officer-involved critical incident.

At the RPD, SA Tingley met with SPD Captain Smallfield, who stated that both of the involved officers, Sergeant Cristopher Coy (Coy) and Officer Brock Wise (Wise), were present at the RPD. SA Tingley asked Captain Smallfield where the officers' weapons used during the incident were located. Captain Smallfield stated that both Sergeant Coy and Officer Wise had retained their respective weapons and that both had their weapons in their holsters on their duty belt.

SA Tingley then met with Sergeant Coy and Officer Wise. SA Tingley asked each officer if they wished to make a statement, and both responded that they wished to speak with counsel before making any statements. SA Tingley also explained the BCI investigation process to the officers and Captain Smallfield.

SA Tingley then had each officer move to an unobstructed area where SA Tingley took four (4) photographs of each officer (one photograph from the front, one photograph from the rear, and one photograph from both the left and right sides). These photographs were taken on SA Tingley's cellphone while both Sergeant Coy and Officer Wise had their duty weapons in their holsters on their duty belt, which each officer was still wearing.
