Officer Involved Critical Incident – I-75 NB / Mile Marker 14,  
Evendale, Ohio (Hamilton County) (L)

**Investigative Activity:** Information Provided/Obtained

**Involves:** Samuel Munyarutete (S)

**Date of Activity:** 03/27/2025

**Author:** SA David Hornyak, #112

**Narrative:**

On March 27, 2025, in response to a previous request from Ohio Bureau of Criminal Investigation (BCI) Special Agent Dave Hornyak, the Lockland Police Department provided BCI with a copy of an EMS report related to the medical response to the March 19, 2025, critical incident. As the report did not contain medical information, SA Hornyak followed up with Chief Ott and the Evendale Fire Department (EFD) who advised that a court order would be needed to provide the records sought. A subpoena was then issued to EFD via the Hamilton County Prosecutor's Office. The EMS Care Report was received and reviewed on April 15, 2025.

The records are attached to this report. Please refer to the attachments for further details.
