- Nudity-Ohio R.C.149.43 (A)(1)(ii) Any depiction by photograph, film, videotape, or printed or digital image under either of the following circumstances: (i) The depiction is that of a victim of an offense the release of which would be, to a reasonable person of ordinary sensibilities, an offensive and objectionable intrusion into the victim's expectation of bodily privacy and integrity, (ii) The depiction captures or depicts the victim of a sexually oriented offense, as defined in section [2950.01](#) of the Revised Code, at the actual occurrence of that offense. A person's nude body, unless, subject to division (H)(1) of this section, the person's consent has been obtained RC 149.43 (h). See also R.C. 149.43(A)(1)(ii)(i) and See also *State ex rel. - Officer name- Confidential Law Enforcement Investigatory Records (CLEIRS), pursuant to R.C. 149.43(A)(2)(a)-(d) Records pertain to a law enforcement matter and disclosure would create a high probability of revealing: The identity of an uncharged suspect, R.C. 149.43(A)(2)(a). “Records, documents, and information the release of which is prohibited under [the Victim Privacy Law]” are not “public records.” R.C. 149.43(A)(1)(rr). Thus, while the Public Records Act generally provides for the disclosure of public records, the act specifically exempts from disclosure crime victim information that is prohibited from release under the Victim Privacy Law. In other words, because police officers are persons against whom crimes can be committed, they can be victims under Article I, Section 10a of the Ohio Constitution. the Victim Privacy Law requires that case documents “shall be redacted prior to public release pursuant to [the Public Records Act] to remove the name, address, or other identifying information of the victim.” *State ex rel.
