JUDGE BRENDAN SHEEHAN

STATE'S MOTION FOR APPOINTMENT OF SPECIAL PROSECUTOR

Now comes the State of Ohio, by and through Michael C. O'Malley, the Prosecuting Attorney for Cuyahoga County, Ohio and his assistant, Russell W. Tye, and hereby applies to this Honorable Court for the appointment of Ohio Attorney General Dave Yost, or any of his designees, assistants or deputies, as special prosecutor to investigate and prosecute matters involving an alleged Use of Deadly Force ("UDF") investigation originating in the City of Cleveland at 6201 Haltnorth Walk in Cuyahoga County, Ohio on November 13, 2020.

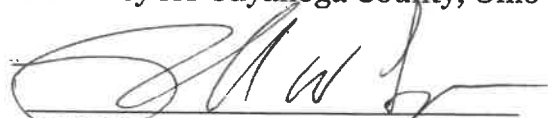

Special prosecutors may be appointed by the Common Pleas Court in accordance with Revised Code Sections §309.10. Moreover, the Court, under its inherent power, may appoint a special prosecutor whenever it comes to the Court's attention that the ability to administer justice in a fair and impartial manner could be called into question. Such a case exists when there is a conflict or appearance of conflict of interest between the parties. Where a special prosecutor has been appointed under the Court's inherent power, that special prosecutor acts independently of the duly elected prosecutor. The Cuyahoga County Prosecutor's Office has adopted a policy that requires an independent

prosecutor to prosecute any allegation of police-related use of unlawful deadly force that results in a death. This policy was developed to ensure that there is no conflict or appearance of conflict of interest between the Cuyahoga County Prosecutor's Office and the various police departments within Cuyahoga County, Ohio.

Wherefore, the Prosecuting Attorney respectfully requests that this Honorable Court exercise its authority and appoint Ohio Attorney General Dave Yost, or any of his designees, assistants or deputies, as special prosecutor to prosecute the matter involving the alleged use of deadly force investigation that occurred on November 13, 2020 in the City of Cleveland. Should this Court sign said order, upon the signing of the order appointing Ohio Attorney General Dave Yost, or any of his designees, a copy of said order will be provided to the investigating agency to ensure that investigative materials are provided directly to Ohio Attorney General Dave Yost. Wherefore, Ohio Attorney General Dave Yost is hereby appointed to represent the State with the same power and authority granted by law to the Cuyahoga County Prosecutor and may utilize the support services of the Cuyahoga County Prosecutor's Office.

Respectfully Submitted,

MICHAEL C. O'MALLEY, Prosecuting
Attorney for Cuyahoga County, Ohio

We found 4 spent 9mm WCC+P cartridge casing which is consistent with CMHA issued duty ammunition.

We found 3 spent 9mm cartridge casings of various manufactures in the crime scene.

We canvassed the area but no one would cooperate with the police department.

The crime scene was processed and evidence was collected.

The suspect vehicle was towed to Lot #2 by Parma towing. The VIU is #20-18160.

CS&R Detective Darryl Johnson #1575, Eric Strick #1013 and Darren Robinson #1564 were on scene.

CS&R Detective Mark Peoples #1295 responded to UHMC to collect evidence and take photos.

We attempted to obtain video from CMHA Police Department but the surveillance cameras in the area of the shooting were not working.

The only surveillance camera working from CMHA Police Department captured the events in the court yard where the suspect collapsed.

Commander Burdshaw had the Tasers of PO Griffiths #89 and PO Lenz #52 downloaded. The print outs showed they were not used during this incident.

We obtained buccal swabs from Commander Burdshaw and PO Griffiths #89 because they secured the suspect's weapon after the shooting.

We received the CPD 911 calls and transferred them to CD.

We received the CMHA 911 calls on CD from CMHA Police Department Lt. Drew.

F.I.T. # 20-29

EVIDENCE:

In company with Detective Andrew Hayduk #349 and IA Sergeant Ian Mussell #9240 we proceeded to 6001 Woodland Avenue accompanied by CMHA Sergeant Meal #668 to retrieve video footage from CMHA surveillance system.

It was determined that only four (4) cameras were focused on the area of the incident that would provide video coverage. After CMHA Sergeant Meal #668 scanned the video system during the time frame of 1600 hours to 1730 hours, this date, it was determined that three of the four cameras had not recorded due to "Video Loss" as described by the system. These cameras are named as follows:

2530 Bundy Avenue Parking Lot; Video Loss

2573 PTZ; Video Loss

2573 Bundy S.W. Fixed; Video Loss

The only camera that recorded was SMP 6321 H which is a fixed camera on top of 6001 Woodland Avenue.

After review of the footage, a time frame of 1640 hours to 1701 hours was downloaded and secured by Detective Hayduk #349 on a flash drive. This time frame shows the suspect in the parking lot area collapsing from his wounds and the assist of CMHA Sergeant Meal #668 until the arrival of Cleveland EMS and their subsequent transportation of the suspect.

The download of the footage was observed and noted by CPD IA Sergeant Mussell #9240.

- Social Worker Goiner also informed me that ER Staff located several baggies of various types of suspected narcotics in the clothing of the suspect they identified and inventoried as part of routine trauma intake protocol.

I began to conduct an inventory of the suspect's property based on the notifications I received from ER Staff concerning the possibility of the suspect being in possession of a large sum of money and possible suspected narcotics upon his arrival. I discovered the following:

I discovered these clothing items in two (2) paper bags located on the floor directly under the foot of the gurney the suspect was located on. Metro Social Worker Goiner informed me the paper bags contained the clothing and property belonging to the suspect. Ms. Goiner also informed me that ER Staff discovered suspected narcotics and U.S. Currency in the suspects belongings and that they DID NOT remove these items from the location from which the items were discovered.

FIELD CASE REPORT

CASE# 2019-00080441

NARRATIVE

Sir,

On Sunday, March 24th, 2019 at 2012 hours while assigned to Z/C 3B27 in company of PO Shucofsky #555, we responded to a radio assignment at the address of 2288 E.73rd St. for an unknown trouble.

Upon our arrival we could hear a loud verbal argument coming from the address. We entered the home to observe the suspect, Juanisha Manning arguing with the victim, Donnell Manning yelling for him to leave. The witness Juanita Manning stated to PO Shucofsky that Juanisha and Donnell both live at this residence with her and they have been verbally arguing about his friends coming over for extended periods of time. Juanisha Manning also appeared to be late in her pregnancy and showing. When asked Juanisha stated she was around seven or eight months pregnant.

Donnell was separated immediately after entering the residence. I asked what was the situation we were called to the address tonight. Donnell stated that his friend had been staying over the past couple of days with the permission of his grandmother, Juanita Manning, the head of house. Juanisha became aggravated with how long his friend had been over she confronted her nephew stating that his friend had been there long enough and it was time for him to go due to the fact of Juanita has been sick and not feeling well. Donnell began to talk back to Juanisha, stating that he will take him home whenever he decides to that his grandmother (Juanita) gave him permission to have him there and that its not up for her to decide. Donnell stated he was getting ready to leave with his girlfriend, witness Amar Saunders to take there child to the hospital because he was sick with the flu. When Donnell was asked if the argument was all verbal no physical altercation the male stated that he was bit on his right forearm by Juanisha.

Donnell stated to us that he did not want EMS. However, we noticed that the bite mark had broken the skin and was bleeding.

Juanisha's decided that she was done with the non sense and decided to call the police for the friend to be removed from the home. While Juanisha was on the phone with the 911 call taker, Donnell attempted to reach for her phone with his right arm, so she would hang up, when Juanisha bit Donnell's right forearm leaving a visible mark and tearing the skin.

3S24 Sgt. Newton was contacted via land line and asked to respond to our location. When Sgt. Newton arrived he took a picture of Donnell's forearm, EMS was called to check out the victim's arm. We determined that Juanisha would be placed under arrest for Domestic Violence. Due to them living together, her being the primary physical aggressor, and because of the high tension among the family/ friends I feared for her safety. I did not want to leave Juanisha at the residence in fear of another fight breaking out and she miscarries her unborn child. Another zone car was requested over radio due to the amount of upset family members at the residence. We were concerned for the safety of the suspect (Juanisha). We were concerned that if we did not intervene, another fight would most likely break out. My partner and I were concerned that Juanisha could be seriously hurt if that happened.

FIELD CASE REPORT

CASE# **2019-00080441**

NARRATIVE (continuation)

Juanisha was advised she would be placed under arrest for Domestic Violence. Juanisha then began having a panic attack and trouble breathing. My partner and I attempted to explain the reasons for her being arrested and that we were concerned for her safety and the safety of her unborn child. Donnell stated he did not even want to prosecute, he tried pleading his case on Juanisha's behalf, stating that it was a misunderstanding that just got out of hand.

3B23 arrived on scene, Juanisha was placed into handcuffs and escorted out of the address. When EMS-17 arrived on scene they checked Donnell's arm and we advised that they would need to check out our pregnant suspect who was panicking and acting erratic due to being placed under arrest. Juanisha couldn't seem to catch her breath because of how much she stressed and worked herself up.

Juanisha was conveyed to University Hospital by EMS-17 for evaluation where she was tended to by DR. Hughes. Due to the fact that Juanisha was in her eighth month of pregnancy she was admitted to the hospital. Conferred with Sergeant Newton. Due to the fact that no one on scene wanted to prosecute or wanted any police action taken while on scene, we are making Juanisha a named suspect in our report and leaving her in the care of the medical staff at UH.

On Saturday, November 14, 2020, while assigned to Homicide Unit #8186, in company of Detective Ray Diaz #1001, we had the occasion to further investigate this incident.

Members of the Homicide Unit along with members from Internal Affairs were scheduled to canvass the area for potential witnesses of this incident. Social Media Investigation on the **Cleveland Remembrance .page1** Instagram Account revealed multiple threats towards Law Enforcement.

There also was also a shortage of personal because of the amount of Homicides that have occurred in last 24 hours (total of 6 homicides). It was decided by Captain Pillow #2062 to cancel canvassing the area for officer safety.

There were two separate threads on the Cleveland Remembrance Page in regards to this incident. Screen shots were printed out of some of the threats to be included in the case file.

Threats consisted of:

- mention of riots and shooting officers
- get "busy" on CMHA
- CMHA "need to count they fucking days"
- targeting CMHA officers

This matter to be further investigated.

On Monday, November 30, 2020 while assigned to Homicide Unit FIT Car 8186 in the company of Detective Raymond Diaz #1001, Detective Shane Bauhof #1637 and Detective Lisette Gonzalez #1011, we had the occasion to further investigate the above captioned crimes.

I received the CMHA Police (#20-00033194) report for this incident from CMHA Lt. Gregory Drew. Refer to the CMHA Police report for details.

I also received two Cleveland Police Department reports for the suspect vehicle. ALEXIS GREGORY rented the suspect auto from Enterprise Auto on November 9, 2020.

November 13, 2020 @1732 hours GREGORY walked into the 4th District Lobby and reported that she "lost" both key fobs for the suspect auto at a party. This was approximately 40 minutes after the incident. A Property Lost report (#20-358497) was completed.

Enterprise Auto reported the suspect vehicle stolen on November 25, 2020 (CPD #20-370816). The suspect vehicle has been the custody of the Cleveland Police Department since the incident.

The suspect vehicle was processed on November 20, 2020 and several items were seized as evidence. Refer to the search warrant inventory sheet for details.

We set up an appointment for the CMHA Police Officers Sgt. Styles and PO Lenz for formal interviews on December 11, 2020 @0900.

Narrative - Smiddy 654

Sir,

On Friday, November 13, 2020, I generated a Felonious Assault on a Police Officer/Named Suspect/Abated by Death report for Police Officer James Griffiths. The suspect was identified as 19-year-old Arthur Mandell Keith. The following are the facts related to the incident:

My investigation revealed that on Thursday, November 12, 2020, at 1329 hours, an unknown caller contacted RCC advising of a black mini-van parked on Haltnorth. The caller stated that the occupants of a black Chrysler minivan with tinted windows bearing an out of state license plate are suspected of several shootings in the area recently. The caller also reported that a white four door Chevy Impala bearing a thirty-day tag is believed to be occupied by a nonresident in possession of a gun.

Unit 101; Officer Williams #65 and Unit 104; Whitney #48 responded to Haltnorth and confirmed a white Impala parked matching the caller's description in the lot. The Officers interviewed the driver of the Impala and took no further action. The officers were not able to locate the black Chrysler mini-van.

On Friday, November 13, 2020, at 1645 hours, Unit 104; Officers Ali #31 and Smith #2, Unit 110; Officer Lenz #52 and Unit 108; Officer Griffiths #89 received a radio broadcast from RCC for Persons with Weapons in the area of East 63rd Street and Bundy Drive (King Kennedy Family Estates). RCC received a call reporting that a black Chrysler van with tinted windows and out of state plates was in the area, and alleged to be involved in recent shootings in the area. The van was reported to be occupied by an unknown number of persons and that the driver was armed. The driver was described as male wearing a red and white hooded sweatshirt.

Sergeant Styles also responded to the area to assist the units.

Upon the arrival of the Units to the area, Officers located the vehicle in the parking lot of 2551 Park Midway, with its headlights on. As the Units converged on the vehicle's location, PO Lenz reported that he observed a male wearing a red, white and blue hooded sweatshirt walking westbound in the area.

Officer Griffiths advised RCC of the Illinois license plate registration FP141132 on the black Chrysler mini-van and advised that he could not see inside the vehicle due to the windows being blacked out. The vehicle returned as a rental to EAN holdings.

Officer Griffiths approached the passenger side of the vehicle as Sergeant Styles approached the driver's side. Officer Griffiths opened the front passenger door and observed Arthur Keith seated inside the van behind the passenger seat. Officer Griffiths ordered Keith to exit the vehicle. Officer Griffiths reported that Keith exited the van holding a firearm and pointed it at Officer Griffiths. Officer Griffiths reported that he ordered Keith to show his hands and put the gun down. Officer Griffiths discharged his departmental issued firearm at Keith.

Keith fled on foot with Officer Griffiths and Sergeant Styles pursuing. Keith fell to the ground in front of 6201 Haltnorth Walk. While handcuffing Keith, Sergeant Styles realized that Keith was unresponsive. Officer Griffiths recovered and secured a firearm which was located near Keith's right hand. Officer Lenz arrived and immediately administered first aid and CPR to Keith. Sergeant Neal also arrived and assisted with administering first aid and CPR.

Officers continued to administer first aid until EMS arrived and transported Keith to MetroHealth where he was later pronounced dead.

This matter is being investigated by the Cleveland Division of Police Homicide Unit. Photos taken on scene are uploaded into this report.

Respectfully submitted,
Sergeant Smiddy #654

On Wednesday, November 25, 2020 while assigned to 3D22 in company with P.O. Valencic #2091 we received a radio broadcast for a GTMV report. Below are the facts.

Upon our arrival we were met by Ty Willard (RP), who stated a female named Alexis Gregory came into the Enterprise located at 1802 Superior on 11-9-20 to rent a Chrysler Voyager, (IL plate, FP141123). Mr. Willard stated on 11-13-2020 Miss Gregory was at a party at 4188 E.187. She placed her keys on the counter top, woke up the next day and she noticed the keys were missing. Miss Gregory went into the 4th District to report the keys missing on 11-13-20. That report number is 2020-358497.

Later on Miss Gregory then noticed the vehicle she rented was actually stolen. She contacted Enterprise and they told her to make a police report. Per Mr. Willard Miss Gregory was being very uncooperative and did not go make a police report.

Respectfully request 4th District Detectives to follow up.

FIELD CASE REPORT

CASE# 2020-00370816

NARRATIVE

On Wednesday, November 25, 2020 while assigned to 3D22 in company with P.O. Valencic #2091 we received a radio broadcast for a GTMV report. Below are the facts.

Upon our arrival we were met by Ty Willard (RP), who stated a female named Alexis Gregory came into the Enterprise located at 1802 Superior on 11-9-20 to rent a Chrysler Voyager, (IL plate, FP141123). Mr. Willard stated on 11-13-2020 Miss Gregory was at a party at 4188 E.187. She placed her keys on the counter top, woke up the next day and she noticed the keys were missing. Miss Gregory went into the 4th District to report the keys missing on 11-13-20. That report number is 2020-358497.

Later on Miss Gregory then noticed the vehicle she rented was actually stolen. She contacted Enterprise and they told her to make a police report. Per Mr. Willard Miss Gregory was being very uncooperative and did not go make a police report.

Respectfully request 4th District Detectives to follow up.

ORIGINAL INVESTIGATION U.D.F.I.T. # 20-26

On Friday February 12, 2021 while assigned to the Homicide Unit working car 8186S I had the occasion to follow up on the above captioned matter.

CMHA PD Officer JAMES GRIFFITHS # 89 responded to the Homicide Unit along with Attorney THOMAS HANCULAK at which a statement was taken from him. Below is a brief synopsis of his interview.

GRIFFITHS states that he responded to the area of 6201 Halnorth C/W a male in a dark colored auto that was involved in an Aggravated Robbery Felonious Assault Shooting that occurred earlier in the week. Upon his arrival, PO GRIFFITHS spotted a dark colored auto with out of state license plates. GRIFFITHS states that the vehicle involved in the Aggravated Robbery Felonious Assault also had out of state plates.

GRIFFITHS parked his marked police car near the suspect auto. GRIFFITHS approaches the suspect auto at which time he observes a male exiting the suspect auto. GRIFFITHS orders the male to show his hands at which time GRIFFITHS observes the male to be holding a firearm in his left hand. The male is trying to close the sliding door of the dark colored auto with his right hand.

GRIFFITHS orders the male to drop the gun at which time the male runs away from the dark colored auto. GRIFFITHS chases after the male at which time the male turned towards GRIFFITHS with the firearm still in hand. The male then raises the firearm towards GRIFFITHS. GRIFFITHS states that he was in fear of his life at which time he fired his service weapon at the male.

The male continued to run a short distance and then fell to the ground. GRIFFITHS approaches the male at which time he observes the suspect weapon lying on the ground near the suspect. GRIFFITHS kicks the firearm away from the suspect male. GRIFFITHS then handcuffs the suspect male and Sgt. STYLES begins to render first aid to the suspect male.

GRIFFITHS states that he was in full CMHA PD Uniform with Badge during this incident and was in a marked Police Car. GRIFFITHS was unsure of how many times he fired his service weapon and tells us that everything slowed down once the suspect male pointed the gun at him.

Refer to the video recorded interview for further details.

SEARCH WARRANT

TO: CHIEF OF POLICE OF THE CLEVELAND POLICE DEPARTMENT AND/OR DETECTIVE DAVID BORDEN, BADGE #43, A MEMBER OF SAID DEPARTMENT, AND/OR ANY LAW ENFORCEMENT OFFICERS AS AUTHORIZED.

WHEREAS there has been filed with me an Affidavit, a copy of which is attached hereto, designated as Exhibit A, and incorporated herein as though fully rewritten, wherein the Affiant avers that he has probable cause to believe and does believe that within a vehicle, to wit: a 2020 Chrysler Pacifica bearing Illinois License plate FP141123 with VIN #: 2C4RC1DG5LR264434, registered to IAN Holding LLC, which is currently held by the City of Cleveland Police Department in Lot #2, 4300 Bradley Rd., Cleveland, Ohio, Cuyahoga County, Ohio, there is now being kept, concealed and possessed evidence that will aid the City of Cleveland Police Department in the investigation of a homicide, which occurred on November 13, 2020, in the City of Cleveland, Cuyahoga County, Ohio, to include:

Any DNA evidence; bodily fluids, including but not limited to blood, tissue and saliva; hair follicles, fingerprints, photographs, any and all biological fluid; clothing; documents establishing ownership of the vehicle, documents establishing the identity of any additional suspects; firearms, firearm accessories, including, but not limited to ammunition, bullets, bullet casings, magazines or "clips", holsters, laser sights and any other instrument used with a firearm, and other weapons being illegally possessed therein; ballistic evidence including gunshot residue; other contraband; and/or any and all other evidence tending to establish violation of the criminal laws of the State of Ohio, to wit: Chapter 2903: Homicide and Assault.

THEREFORE: I am satisfied that there is probable cause to believe that the evidence described is being concealed within the above-described vehicle and that grounds for issuance of this search warrant exist. Therefore, you are hereby commanded in the name of the State of Ohio, to serve this warrant, and search forthwith the above described vehicle, for the evidence specified, and if the information or any part thereof be found, you are commanded to seize it, leaving a copy of this warrant and a receipt for the information obtained, prepare a written inventory of the information seized, and return of this warrant shall be made to the undersigned Judge, or any Judge of the Court of Common Pleas, and bring the information found on such search forthwith before said Judge, or some other judge or magistrate of the county having cognizance thereof.

Given under my hand this 19th day of November 2020.

JUDGE, Court of Common Pleas
Cuyahoga County, Ohio

EXHIBIT A

STATE OF OHIO)
)
COUNTY OF CUYAHOGA)

COURT OF COMMON PLEAS
CRIMINAL DIVISION
SS:
AFFIDAVIT

Before me, a Judge of the Cuyahoga Court of Common Pleas personally appeared the undersigned Detective David Borden #43 who being first duly sworn deposes and says that he is a Detective with the Cleveland Police Department, and that he has been a certified peace officer in the State of Ohio for over 25 years, of which the past 8 years have been with the Homicide Unit in the Cleveland Police Department. Affiant has conducted numerous investigations and has training and experience in the investigation of homicides.

Affiant avers that he has probable cause to believe and does believe that within a vehicle, to wit: a 2020 Chrysler Pacifica bearing Illinois License plate FP141123 with VIN #: 2C4RC1DG5LR264434, registered to IAN Holding LLC, which is currently held by the City of Cleveland Police Department in Lot #2, 4300 Bradley Rd., Cleveland, Ohio, Cuyahoga County, Ohio, there is now being kept, concealed and possessed evidence that will aid the City of Cleveland Police Department in the investigation of a homicide, which occurred on November 13, 2020, in the City of Cleveland, Cuyahoga County, Ohio, to include:

Any DNA evidence; bodily fluids, including but not limited to blood, tissue and saliva; hair follicles, fingerprints, photographs, any and all biological fluid; clothing; documents establishing ownership of the vehicle, documents establishing the identity of any additional suspects; firearms, firearm accessories, including, but not limited to ammunition, bullets, bullet casings, magazines or "clips", holsters, laser sights and any other instrument used with a firearm, and other weapons being illegally possessed therein; ballistic evidence including gunshot residue;

other contraband; and/or any and all other evidence tending to establish violation of the criminal laws of the State of Ohio, to wit: Chapter 2903: Homicide and Assault.

The facts upon which Affiant bases such beliefs are as follows:

1. Affiant avers that on November 13, 2020 the Cleveland Police Department was summoned to 6201 Haltnorth Walk because CMHA Police Officers were involved in a deadly force incident.
2. Affiant avers that the CMHA Police Department received a complaint of a male in a Chrysler van with out-of-state plates threatening people with a firearm in the area of 6201 Haltnorth Walk.
3. Affiant avers that CMHA Officers spotted the suspect vehicle a 2020 Chrysler Pacifica van with Illinois plates FP141123 in the parking lot.
4. Affiant avers that CMHA Sgt. Styles #656 approached the suspect vehicle from the rear and PO Griffiths #89 approached the vehicle from the front.
5. Affiant avers that the suspect Arthur Keith emerged from the van and PO Griffiths #89 yelled at Arthur Keith to drop the gun.
6. Affiant avers that gunshots are heard and Arthur Keith flees on foot south and then west through the court yard.
7. Affiant avers that CMHA officers pursue Arthur Keith on foot and find Arthur Keith supine in the court yard with a firearm near Arthur Keith's right hand.
8. Affiant avers that CHMA officers secured the firearm and administered first aid to Arthur Keith.
9. Affiant avers that Arthur Keith is transported to Metro Health Medical Center and is pronounced dead by Dr. Katwona @1720 hours.

10. Affiant avers that at MHMC illegal narcotics were found in the clothing of Arthur Keith.
11. Affiant avers that the 2020 Chrysler Pacifica bearing Illinois License plate FP141123 was towed to City of Cleveland Police Department Lot #2, 4300 Bradley Rd., Cleveland, Ohio, Cuyahoga County, Ohio, where it currently remains. The CPD VIU number is #2020-18160.
12. Therefore, Affiant avers that it is necessary to search the 2020 Chrysler Pacifica bearing Illinois License plate FP141123 with VIN #2C4RC1DG5LR264434 for the following evidence pertaining to the investigation of a homicide and felonious assault:

Any DNA evidence; bodily fluids, including but not limited to blood, tissue and saliva; hair follicles, fingerprints, photographs, any and all biological fluid; clothing; documents establishing ownership of the vehicle, documents establishing the identity of any additional suspects; firearms, firearm accessories, including, but not limited to ammunition, bullets, bullet casings, magazines or "clips", holsters, laser sights and any other instrument used with a firearm, and other weapons being illegally possessed therein; ballistic evidence including gunshot residue; other contraband; and/or any and all other evidence tending to establish violation of the criminal laws of the State of Ohio, to wit: Chapter 2903: Homicide and Assault.

13. Affiant states that based on the foregoing, affiant has probable cause to believe and does believe that the above described items and evidence will be found within the above described vehicle to be searched and that probable cause for the issuance of this warrant exists.

FURTHER AFFIANT SAYETH NAUGHT.

SEARCH WARRANT

TO: Chief of Police of the City of Cleveland Police Department, Detective David Borden, Badge No. 43, a member of said department, and/or any law enforcement officers as authorized.

WHEREAS, there has been filed with me an affidavit, a copy of which is attached hereto, designated as Exhibit A, and incorporated herein as though fully rewritten, wherein the Affiant avers that he has probable cause to believe, and does believe, that within the following electronic device, more particularly described as:

- a exacqVision DVR recorder, black in color, Model 1608-12-6000-R2, CPD report #2020-358448, Item #30;

seized from 6001 Woodland Avenue, City of Cleveland, Cuyahoga County, Ohio by the Cuyahoga Metropolitan Housing Authority Police Department on or about November 13, 2020, and currently in the custody of the Cleveland Police Department, there is now being unlawfully kept, concealed, and possessed the following evidence of a criminal offense:

Any and all information and/or media and/or data, including but not limited audio, visual recordings, digital, electronic and machine-readable data, all previously-erased data, and all photographs and/or digital images stored in electronic format; personal communications in electronic form, including but not limited to email alert, chat capture, captures files, correspondence stored in electronic or written form, and/or correspondence exchange in electronic or written form; any and all evidence of communications; and any and all evidence of violation of the laws of the State of Ohio, including, but not limited to-wit: Ohio Revised Code Chapters 2903, or other fruits and instrumentalities of crime at the present time unknown.

I am satisfied that there is probable cause to believe that the above-described evidence is being concealed within the above described electronic device, and that grounds for issuance of this search warrant exist.

THEREFORE: You are hereby commanded in the name of the State of Ohio, with the necessary and proper assistance, to serve this warrant and search the above-described **exacqVision DVR recorder, black in color, Model 1608-12-6000-R2**, for the property specified by making a bit by bit, also known as mirror image copies of any electronic information thereof with any qualified and necessary assistance, and that once said mirror images are made, that affiant and/or other investigating officers/agents are authorized to search said mirror images for the above described information.

In the event affiant and/or other investigating officers/agents determine it is necessary to remove and search the memory chip from the DVR in order to execute this search warrant, authorization is hereby granted to conduct a forensic procedure of memory chip removal from the DVR and to extract and search the extracted data from the chip.

If any of the above-described property or any part thereof be found there, you are commanded to seize it, leaving a copy of this warrant and a receipt for the property taken, and to prepare a written inventory of the property seized.

The warrant execution time is waived pursuant to R.C. 2933.24(A) and under Crim. R. 45, as the requested warrant may require several weeks from beginning to end to execute.

This warrant is not required to be returned under Crim.R. 41(E) as it involves a confidential law enforcement investigatory record that pertains to a law enforcement matter of a criminal nature and release of the warrant would disclose the identity of a suspect who has not been charged with the offense. See R.C. 149.43(A)(2)(a).

Given my hand this 8th day of December 2020.

JUDGE, Court of Common Pleas
Cuyahoga County, Ohio

(Inc)

EXHIBIT A

STATE OF OHIO) COURT OF COMMON PLEAS
) CRIMINAL DIVISION
COUNTY OF CUYAHOGA)

AFFIDAVIT FOR SEARCH WARRANT

Before me a Judge of the Court of Common Pleas, personally appeared the undersigned Affiant, Detective David Borden, Badge No. 43, who being first duly cautioned and sworn, deposes and says that he is a member of the Cleveland Division of Police, assigned to the Homicide Unit. Affiant's training and experience include 25 years as a police officer, with nearly 9 years in the Homicide Unit, 8 years with the Second District Detective Bureau and 8 years in the Fourth District. Affiant has conducted and/or participated in the investigation of thousands of individuals for violations of Ohio law, including more than 100 murder cases.

Affiant avers that he has probable cause to believe, and does believe, that within the following electronic device, more particularly described as:

- a exacqVision DVR recorder, black in color, Model 1608-12-6000-R2,
CPD report #2020-358448, Item #30;

seized from 6001 Woodland Avenue, City of Cleveland, Cuyahoga County, Ohio by the Cuyahoga Metropolitan Housing Authority Police Department on or about November 13, 2020, and currently in the custody of the Cleveland Police Department, there is now being unlawfully kept, concealed, and possessed the following evidence of a criminal offense:

Any and all information and/or media and/or data, including but not limited audio, visual recordings, digital, electronic and machine-readable data, all previously-erased data, and all photographs and/or digital images stored in electronic format; personal communications in electronic form, including but not limited to email alert, chat capture,

captures files, correspondence stored in electronic or written form, and/or correspondence exchange in electronic or written form; any and all evidence of communications; and any and all evidence of violation of the laws of the State of Ohio, including, but not limited to—wit: Ohio Revised Code Chapters 2903; or other fruits and instrumentalities of crime at the present time unknown.

The facts upon which Affiant bases such beliefs are as follows:

- 1) Affiant avers that on November 13, 2020, the Cleveland Police Department was summoned to 6201 Haltnorth Walk in Cleveland, Ohio because CMHA Police Officers were involved in a use of deadly force incident.
- 2) Affiant avers that the CMHA Police Department received a complaint of a male in a Chrysler van with out-of-state plates threatening people with a firearm in the area of 6201 Haltnorth Walk.
- 3) Affiant avers that CMHA Officers spotted the suspect vehicle, a 2020 Chrysler Pacifica van with Illinois plate No. FP141123, in the parking lot.
- 4) Affiant avers that CMHA Sgt. Styles #656 approached the suspect vehicle from the rear and PO Griffiths #89 approached the vehicle from the front.
- 5) Affiant avers that the suspect Arthur Keith emerged from the van and PO Griffiths #89 yelled at Arthur Keith to drop the gun.
- 6) Affiant avers that gunshots are heard and Arthur Keith flees on foot south and then west through the courtyard.
- 7) Affiant avers that CMHA officers pursue Arthur Keith on foot and find Arthur Keith in the courtyard with a firearm near Arthur Keith's right hand.
- 8) Affiant avers that CMHA officers secured the firearm and administered first aid to Arthur Keith.
- 9) Affiant avers that Arthur Keith was transported to Metro Health Medical Center and was pronounced dead by Dr. Katwona at 1720 hours.
- 10) Affiant avers that at MetroHealth Medical Center illegal narcotics were found in the clothing of Arthur Keith.

- 11) Affiant avers that there are security cameras in the area of this use of deadly force incident at 6001 Woodland Avenue, Cleveland, Ohio. Affiant avers that he was informed by the CMHA Police Department that these cameras are not operational.
- 12) ~~Affiant avers that CMHA Police Department seized the DVR system that is connected~~ to these security cameras from 6001 Woodland Avenue and turned over the DVR system to the Cleveland Police Department to have it examined by an outside agency in order to determine if any video was captured regarding this use of deadly force incident. This DVR can be more particularly described as an **exacqVision DVR recorder, black in color, Model 1608-12-6000-R2**. The DVR is currently in the custody and possession of the Cleveland Police Department.
- 13) Affiant avers that DVRs are capable of creating, reproducing, transmitting and storing all media including photographs and audio and visual recordings as well as personal communications, correspondence and electronic records, including e-mail messages, instant messages, text messages, documents, notes, memoranda, telephone directories, address lists, buddy lists, screen name lists, and calendars.
- 14) Affiant avers that it is therefore necessary to search the above-described DVR for any and all media and/or data including but not limited audio, visual recordings, digital, electronic and machine-readable data, all previously-erased data, and all photographs and/or digital images stored in electronic format; personal communications in electronic form, including but not limited to email alert, chat capture, captures files, correspondence stored in electronic or written form, and/or correspondence exchange in electronic or written form; any and all evidence of communications; and any and all evidence of violation of the laws of the State of Ohio, including, but not limited to—wit: Ohio Revised Code Chapters 2903, or other fruits and instrumentalities of crime at the present time unknown.
- 15) Based on the above facts, Affiant avers that he has probable cause to believe, and does believe, that the above-described electronic data and media will be found within the above-described DVR and is evidence of the violation of the laws of the State of Ohio: to wit, R.C. 2903.02, Murder.
- 16) Affiant avers that the requested search of the DVR and electronic data and media to be performed by affiant or another law enforcement officer is expected to require more than three days due to logistical and technical concerns. Hence, the execution of the requested warrant will require additional time to complete from beginning to end. Crim. R. 45(B) permits the enlargement of time to perform an act for cause shown. Therefore, pursuant to Revised Code 2933.24(A) and Crim. R. 45(B), Affiant requests this Court waive the three-day period to execute the search warrant.

Dnc

17) Affiant avers that based on his training and experience, it may be necessary to conduct a forensic procedure of memory chip removal from the DVR, so that the data from the chip may be extracted and searched for evidence. Affiant avers that the DVR will no longer be operable, but the DVR parts will be retained as evidence. Affiant therefore requests authorization to have the memory chip removed from the DVR, and the data be extracted and searched, in the event it becomes necessary to do so.

18) Affiant requests that this Court waive the requirement that the search warrant be returned pursuant to Crim.R. 41(E). The warrant involves a confidential law enforcement investigatory record that pertains to a law enforcement matter of a criminal nature and release of the warrant would disclose the identity of a suspect who has not been charged with an offense. See R.C. 149.43(A)(2)(a).

FURTHER AFFIANT SAYETH NAUGHT.

ORIGINAL INVESTIGATION U.D.F.I.T. # 20-26

On Friday February 12, 2021 while assigned to the Homicide Unit working car 8186S I had the occasion to follow up on the above captioned matter.

CMHA PD Officer JAMES GRIFFITHS # 89 responded to the Homicide Unit along with Attorney THOMAS HANCULAK at which a statement was taken from him. Below is a brief synopsis of his interview.

GRIFFITHS states that he responded to the area of 6201 Halnorth C/W a male in a dark colored auto that was involved in an Aggravated Robbery Felonious Assault Shooting that occurred earlier in the week. Upon his arrival, PO GRIFFITHS spotted a dark colored auto with out of state license plates. GRIFFITHS states that the vehicle involved in the Aggravated Robbery Felonious Assault also had out of state plates.

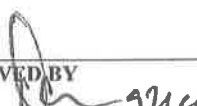

GRIFFITHS parked his marked police car near the suspect auto. GRIFFITHS approaches the suspect auto at which time he observes a male exiting the suspect auto. GRIFFITHS orders the male to show his hands at which time GRIFFITHS observes the male to be holding a firearm in his left hand. The male is trying to close the sliding door of the dark colored auto with his right hand.

GRIFFITHS orders the male to drop the gun at which time the male runs away from the dark colored auto. GRIFFITHS chases after the male at which time the male turned towards GRIFFITHS with the firearm still in hand. The male then raises the firearm towards GRIFFITHS. GRIFFITHS states that he was in fear of his life at which time he fired his service weapon at the male.

The male continued to run a short distance and then fell to the ground. GRIFFITHS approaches the male at which time he observes the suspect weapon lying on the ground near the suspect. GRIFFITHS kicks the firearm away from the suspect male. GRIFFITHS then handcuffs the suspect male and Sgt. STYLES begins to render first aid to the suspect male.

GRIFFITHS states that he was in full CMHA PD Uniform with Badge during this incident and was in a marked Police Car. GRIFFITHS was unsure of how many times he fired his service weapon and tells us that everything slowed down once the suspect male pointed the gun at him.

Refer to the video recorded interview for further details.

**ORIGINAL INVESTIGATION
U.D.F.I.T. #20-26**

On Thursday, March 5, 2021 while assigned to the Homicide Unit, car 8183, I had the occasion to further investigate the above captioned matter.

I received a phone call from ATTORNEY STANLEY JACKSON regarding the message I left for him on Thursday, March 4, 2021.

I inquired on the witnesses that ATTORNEY JACKSON indicated he had spoken to on the Fox 8 webcast. ATTORNEY JACKSON told me that he would provide a list of the witnesses to me either himself or through PRIVATE INVESTIGATOR BRENDA BICKERSTAFF.

ATTORNEY JACKSON asked me about surveillance video that captured the incident. I advised him that I have not personally viewed any video but that my understanding was that the shooting was not captured on video. I told him several cameras in the area were not recording. I explained to him what I believed the video in evidence does show; ARTHUR KEITH running after being shot, collapsing, and a CMHA Police Officer securing a handgun that KEITH was possessing.

ATTORNEY JACKSON asked if it would be possible to view the video. I told him I would contact the Assistant Attorney General assigned to the investigation and get back with him.

ATTORNEY JACKSON told me that ARTHUR'S Mother has not had any contact with members of the Homicide Unit. He had some other general questions regarding the investigation. ATTORNEY JACKSON believed that the investigation was closed and already turned over to the Ohio Attorney General's Office for review. I advised him that the investigation was still open and reiterated our desire to interview any witness that he is aware of.

I asked ATTORNEY JACKSON if RITA KEITH had been in contact with Frontline Services c/w TLRT and he told me no.

I contacted GRACE LEON and learned that KATHY HARRIS reached out to RITA KEITH on two occasions and did in fact speak with ARTHUR KEITH'S Aunt. I emailed ATTORNEY JACKSON advising him of this and provided contact information for KATHY HARRIS.

I called Assistant Ohio Attorney General Anthony Pierson and left him a voicemail requesting a call back.

ORIGINAL INVESTIGATION

U.D.F.I.T. # 20-26

On Friday, March 12, 2021 while assigned to the Homicide Unit working car 8186S I had the occasion to follow up on the above captioned matter.

Detective Gonzalez #1001 and I canvassed the area of 6201 Haltnorth in company with IA Sergeant Ilain #9239 in an attempt to locate any witnesses of the incident. We knocked on doors of 6201 Haltnorth, 2501 Park Midway, 2580 Park Midway and 6151 Haltnorth apartment complexes.

Most of the door knocks either were no responses or the person did not see anything regarding the incident. I did get a chance to interview two people that stated they were present during the incident.

Tafari Damion Xavier Jeffrey B/M/28
DOB: 05/03/1992 SSN: [REDACTED]
2580 Park Midway St Unit F
Cleveland, Ohio 44104
(216)450-2607

Tafari Jeffrey stated he was in his parked vehicle when he heard two to three gunshots. His vehicle was parked in the same parking lot where the incident occurred in.

Tafari Jeffrey stated after hearing the gunshots he ran into his apartment. When he looked out his apartment door he observed officers in the parking lot with guns drawn.

Tafari Jeffrey stated he did not see the shooting just heard the gunshots. Further investigation revealed that his vehicle was parked on the southern end of the parking lot facing south. The incident occurred on the northern part of the parking lot. **Tafari Jeffrey's** vehicle was facing the opposite direction of the shooting.

GROSS ANATOMIC DESCRIPTION

EXTERNAL EXAMINATION: The body is that of a well-developed, well-nourished African American male, whose appearance is compatible with the reported age of 19 years. The body weighs 166 pounds and is 67 ½ inches in length. The body is cool to the touch. There is full rigor of the facial muscles and extremities. There is red-purple, posterior, blanchable lividity.

The scalp hair is black and up to 3" in length. The irides are brown. The corneas are unremarkable. The sclerae are remarkable for tache noire change. Brown pigmentation of the palpebral conjunctivae are noted. There is a black beard and mustache. Tan granular peri-oral vomitus present. The ears and nose are unremarkable. There is drying with darkening of the lower lip and the tip of the tongue. The teeth are natural and in good condition. There is pigmentation of the gingiva. The neck is remarkable only for a linear horizontal skin fold on the anterior surface. The chest is symmetrical. The abdomen is flat. The external genitalia, anus, and perineum are unremarkable. The penis is circumcised and the testicles are descended into the scrotum. The extremities are well-developed and symmetrical and there are stretch marks of the shoulders. A 2 ½" curvilinear impression is of the dorsal right wrist. An identification bracelet with the decedent's name is around the right ankle and left wrist. There is pooling of blood under the left posterior trunk.

IDENTIFYING MARKS AND SCARS:

Trunk:

1. On the right upper quadrant, below the rib cage, is a 2 ½", linear, horizontal, hyperpigmented scar.

Right upper extremity:

1. A ½ " linear oblique scar is of the volar wrist.

Bilateral lower extremities:

1. Multiple, punctate, hypopigmented scars are of the shins, and lateral left ankle, that average ¼" x ⅛".

EXTERNAL AND INTERNAL EVIDENCE OF RECENT THERAPY:

1. An oral endotracheal tube is present terminating within the proximal esophagus.
2. Three electrocardiogram pads are attached to the body.
3. An intra-osseous catheter is of the left tibia.

EXTERNAL AND INTERNAL EVIDENCE OF RECENT INJURY:

Trunk

1. A gunshot wound is of the postero-lateral left upper trunk.

Entrance wound: The wound consists of a ¼" in diameter defect with eccentric pink marginal abrasion that measures up to ¼" in width. The wound is located 54 ½" from the left heel and 13" from the posterior midline. There is no fouling or stippling.

Path: After perforating the subcutaneous tissues, the gunshot wound perforates the posterior left 7th rib (with inward beveling and fracture fragmentation), left upper lobe of lung (through and through), pericardial sac, antero-lateral left ventricle (with transection of proximal left anterior descending coronary artery), septum, anterior right ventricle, pericardial sac, right para-sternal soft tissues of intercostal space 3-4 (with grazing of the sternum), and the overlying subcutaneous tissues. There is acute hemorrhage along the wound track. One thousand one hundred and fifty millimeters and 600 ml of liquid and clotted blood are within the right and left pleural cavities, respectively. Minimal residual blood remains within the pericardial cavity.

Exit wound: The exit wound is located on the right chest. The wound consists of a ¾" x ¼" irregular defect located 52" from the right heel, 2 ½" from the anterior midline, and 1" superior to the right nipple.

Course and direction: The gunshot wound proceeds from back to front, rightwards, and downwards.

2. A 1/16", punctate, red-brown abrasion is of the left clavicle.

Head:

1. A ¼" hemorrhagic laceration is of the right eyebrow from which extends a dried blood rivulet.

Neck:

1. A ⅛", irregular, red-brown abrasion is on the lower right side.
2. A posterior neck dissection is remarkable only for a focus of acute soft tissue hemorrhage overlying the upper cervical region.
3. An anterior, layer-by-layer neck dissection reveals no signs of injury.

Trunk and bilateral upper and lower extremities:

1. Posterior dissection of the back is remarkable for acute subcutaneous and skeletal muscle hemorrhage on the left side extending inferiorly from the entrance gunshot wound described previously.
2. Incision of the wrists and ankles are negative for signs of injury.

The injuries above, once having been stated, will not be repeated below.

INTERNAL EXAMINATION:

BODY CAVITIES: The thoracic and abdominal organs are in their normal anatomic positions and the right lung is atelectatic. There is visceral pallor. There are no adhesions of the body cavities. The thickness of the abdominal wall fat is a maximum of 1 ½ inches.

DNA LABORATORY EXAMINATION REPORT

Report Date:	04/22/2021	Victim's Name:	Arthur Keith
CCRFSL Case:	2020-006322	Agency Case:	2020-358448
Contact Person:	Det. David Borden	Submitting Agency:	CPD Homicide Unit
CCMEO Case:	IN2020-02110	Address:	1300 Ontario Street
Pathologist:	Dr. Erica Armstrong		Cleveland, OH 44113

DNA STR (Short Tandem Repeat) analysis:

DNA obtained from items 7, 11, 13, 14, 19.1.1, 19.1.2, and 19.2.1 was characterized through the Polymerase Chain Reaction (PCR) at the genetic loci Amelogenin, D3S1358, D1S1656, D2S441, D10S1248, D13S317, PentaE, D16S539, D18S51, D2S1338, CSF1PO, PentaD, TH01, vWA, D21S11, D7S820, D5S818, TPOX, DYS391, D8S1179, D12S391, D19S433, FGA, and D22S1045 using the Promega PowerPlex Fusion amplification system.

Results and Conclusions:

The presumptive test indicated the presence of blood in item 11. No confirmatory testing was performed.

The DNA profile obtained from item 11 is a single source of male origin. A likelihood ratio was calculated assuming item 11 contained DNA from one unknown contributor. A match was identified between item 11 and Arthur Keith (item 7). This match is:

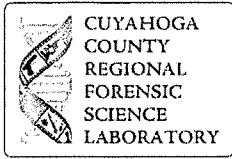

148 nonillion times more probable than a coincidental match to an unrelated African American person, 2.77 undecillion times more probable than a coincidental match to an unrelated Caucasian person, and 130 decillion times more probable than a coincidental match to an unrelated Hispanic person.

No statistical support for a match was identified between item 11 and P.O. Griffiths (item 13) or Commander Burdyslaw (item 14).

The DNA profile obtained from item 19.1.1 is a mixture. A likelihood ratio was calculated assuming item 19.1.1 contained DNA from three unknown contributors. A match was identified between item 19.1.1 and Arthur Keith. This match is:

163 nonillion times more probable than a coincidental match to an unrelated African American person, 3.17 undecillion times more probable than a coincidental match to an unrelated Caucasian person, and 153 decillion times more probable than a coincidental match to an unrelated Hispanic person.

No statistical support for a match was identified between item 19.1.1 and P.O. Griffiths or Commander Burdyslaw.

The DNA profile obtained from item 19.1.2 is a mixture. A likelihood ratio was calculated assuming item 19.1.2 contained DNA from two unknown contributors. A match was identified between item 19.1.2 and Arthur Keith. This match is:

164 nonillion times more probable than a coincidental match to an unrelated African American person, 3.07 undecillion times more probable than a coincidental match to an unrelated Caucasian person, and 148 decillion times more probable than a coincidental match to an unrelated Hispanic person.

No statistical support for a match was identified between item 19.1.2 and P.O. Griffiths or Commander Burdyslaw.

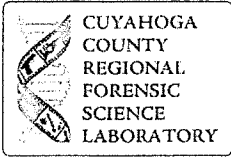

The DNA profile obtained from item 19.2.1 is a mixture. A likelihood ratio was calculated assuming item 19.2.1 contained DNA from four unknown contributors. A match was identified between item 19.2.1 and Arthur Keith. This match is:

122 nonillion times more probable than a coincidental match to an unrelated African American person, 1.82 undecillion times more probable than a coincidental match to an unrelated Caucasian person, and 92.2 decillion times more probable than a coincidental match to an unrelated Hispanic person.

No statistical support for a match was identified between item 19.2.1 and P.O. Griffiths or Commander Burdyslaw.

Mr. Jackson,

Pursuant to our conversation I reached out to Frontline Services and learned that I was actually the person who called in the family referral. I was told that Kathy Harris reached out to Rita Keith twice and did speak with Arthur's aunt. Rita Keith has never called Kathy Harris back. Kathy can be reached at 216-470-8243. I highly recommend that she call Kathy and accept the offered services. We have found that it is extremely beneficial to victim's family members.

I am still looking into the other things we have discussed and will get back in touch with you shortly.

20 Glock model 17 S/N #BATV872
Firearms Section Description: Glock 9 mm caliber pistol, model 17 Gen 4 with the serial number of BATV872, one (1) seventeen (17) round magazine (magazine will hold eighteen (18) rounds), one (1) evidence envelope containing one (1) WCC 9 mm caliber cartridge, one (1) clear plastic bag marked "from magazine" containing four (4) WCC 9 mm caliber cartridges, one (1) clear plastic bag marked "Ammo used on 5/5/21" containing nine (9) fired WCC 9 mm caliber cartridge cases and one (1) WCC 9 mm caliber cartridge.

The evidence description displayed in italics has been provided by the submitting agency.

Results and Conclusions:

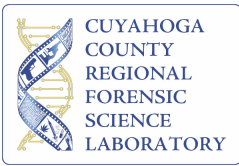

The submitted fired cartridge cases Items 12.2 through 12.8 and the test fired cartridge cases from Items 18, 19 and 20 were physically, visually, and microscopically examined and their characteristics noted.

The submitted Glock 9 mm caliber pistol Item 18 was test fired using the submitted seventeen (17) round magazine and six (6) rounds of laboratory stock ammunition and found to be in operable condition. The submitted seventeen (17) round magazine will hold eighteen (18) rounds of ammunition.

The submitted Glock 9 mm caliber pistol Item 19 was test fired on 12-10-20 and retest fired on 06-16-21 using the submitted twenty-four (24) round magazine and six (6) rounds of laboratory stock ammunition and found to be in operable condition.

The submitted Glock 9 mm caliber pistol Item 20 was test fired using the submitted seventeen (17) round magazine and six (6) rounds of laboratory stock ammunition and found to be in operable condition. The submitted seventeen (17) round magazine will hold eighteen (18) rounds of ammunition.

Microscopic examination and comparison of the four (4) fired 9 mm Luger caliber cartridge cases Items 12.2 through 12.5 to the test fired cartridge cases from the submitted Glock 9 mm caliber pistol Item 20 reveals an agreement of a combination of individual characteristics (firing pin aperture shear marks, firing pin, breech face, ejector and ejector port marks) and all discernible class characteristics establishing that the four (4) fired 9 mm Luger caliber cartridge cases Items 12.2 through 12.5 were fired by Item 20 the submitted Glock 9 mm caliber pistol. Internal Affairs Unit

Monitoring Report

File: FIT 20-026

Date: March 12, 2021

Examined By: [Signature]

Date: 3/15/21

From: Michael Moctezuma, Sergeant #9250

To: Charles Neidbalson, Lieut. #8547

Subject: FIT Monitoring Report and Recommendation.

Sir:

On March 12, 2021, while assigned to the Internal Affairs Unit, car 98, I assisted with monitoring members of the Homicide Unit, Det. Borden #43, car 8188, who were conducting a follow up investigation in connection with FIT 20-026, CPD2020-0111. WCS was turned on by Detectives only while collecting a witness statement.

All actions by Cleveland Division of Police members that were monitored by me were conducted in a professional and fair manner without bias.

The investigation led members of the Homicide Unit to the Cleveland Boys and Girls club, 2561 East 59th St. where Detectives met with CEO, Jeffrey Scott and Teen Center Director Richard Starr. WCS were not turned on during this meeting. During this interaction, Mr. Starr came off as being upset and his attitude was somewhat hostile, uncooperative and bias towards police and how this investigation was being handled. Detectives did their best to explain how information is received and acted on but Mr. Starr was not satisfied, stating that there was a line of un-trust with the police and that he will decide what is best for his kids. That being the potential witnesses. Business cards were exchanged and Mr. Starr was advised accordingly by Det. Borden.

I am requesting that in order to help bridge any gap believed to be between the police and the youth, that the Bureau of Community Relations make contact with Jeffrey Scott and Richard Starr to address these concerns. Mr. Starr has been in contact with these potential juvenile witnesses since the day of the incident but due to his negative experience with police did not contact the Homicide Unit to advise of these witnesses. Lt. Neidbalson was advised. A copy of this report was provided to the Homicide Unit.

Respectfully,

[Signature]

Michael Moctezuma, Sergeant #9250
