Township, OH (L)

**Investigative Activity:** Case Opening  
**Involves:** Mark E. Evers (S)  
**Date of Activity:** 07/14/2022  
**Activity Location:** – 5945 N. SR 48, OH 45036, Warren County  
**Author:** SA Richard Ward, #55

**Narrative:**

On the evening of Tuesday, July 12, 2022, Ohio Bureau of Criminal Investigations (BCI) Special Agent Richard Ward responded to 5945 North State Route 48, Clearcreek Township, Warren County, Ohio on the report of an Officer-Involved Critical Incident. BCI was requested by Clearcreek Township Police Department to investigate the incident. Once on scene, Agent Ward was informed Clearcreek Township Police Sergeant Nicole Cordero and Officer Eric Ney were dispatched to this address earlier this evening on a domestic dispute between Mark Evers and his wife, Sylvia Norris. The property where the incident occurred was an horse farm owned by the couple and the area was vast.

A determination was made by Sergeant Cordero to arrest Evers for domestic violence and during the attempt, Evers shot Officer Ney. Cordero discharged her duty weapon and shot Evers who died from gunshot wounds. Evers remained on scene reportedly in the same position he fell. A Sig Sauer 9mm handgun reportedly possessed by Evers, which was used to shoot Officer Ney, was moved from Evers' immediate reach by Springboro Police Sergeant Eric Kuhlman and placed a greater distance away. Kuhlman, who had assumed command of the scene, had photographed the handgun prior to its removal. Officer Ney had been removed by Care flight to Miami Valley Hospital in Dayton prior to Agent Ward's arrival.

Agent Ward made contact with Sylvia Norris and her cousin, Megan Cranmer who remained on the scene and seated at the front porch of the residence. Ward requested both parties meet BCI Agents at the Warren County Sheriff's Office for the purpose of interviews. See separate investigative reports related to those interviews. Also interviewed was an employee and resident in an apartment on the property, David Ward.

BCI Agents were informed Sergeant Cordero's cruiser camera may have captured all of some of the incident. Agent David Hornyak was able to secure/view a portion of the camera footage and provided an investigative narrative of its content.
