TASER Update

From Douglas Bobovnyik <douglas.bobovnyik@co.trumbull.oh.us>

Date Mon 12/1/2025 1:14 PM

To Joseph Lamping <Joseph.Lamping@OhioAGO.gov>

SA Lamping,

Regarding your questions of [REDACTED] TASER upload report, there were several irregularities concerning the accuracy of the date and time of the uploaded history of the TASER deployment. There were 2 major errors associated with his TASER with the FIRMWEAR due to the TASER was not updated with the FIRMWEAR since January of 2024. Therefore, it showed an inaccurate date and time of deployment of 30 August 2025 at 15:32:03. However, when the TASER was plugged in to the FIRMWEAR it resynced to the correct real time of 14 NOV 2025 at 21:32:49.. If you have any further questions, please do not hesitate to inform me.

Sincerely,

Douglas P. Bobovnyik
