Narrative:

On August 2, 2023, the Ohio Bureau of Criminal Investigation (BCI) was requested by the Ohio State Highway Patrol (OSP) to investigate an Officer Involved Critical Incident (OICI), which occurred on the morning of August 2, 2023. The incident between law enforcement and the involved subjects, Rodney and Elaine Helman, started in Madison County, Ohio. It ended on Airport Access Road in Montgomery County, Ohio.

The Helmans kidnapped a semi-truck driver named [REDACTED] at a truck stop in London, Ohio. After the Helmans entered the semi-cab, Derosia was shot in the hand by the Helmans. A chase ensued through several counties west of London, Ohio, when the truck became disabled near the Dayton Airport. After hours of negotiations, OSP's Special Response Team (SRT) breached the semi's cab when Rodney Helman brandished and discharged a firearm at the SRT team. The SRT team returned gunfire, striking both Helmans. The Helmans were transported to Miami Valley Hospital but succumbed to their injuries.

On August 2, 2023, Special Agent (SA) Perry Roeser met with OSP Sergeant (SGT) Jim Boyssel from OSP's Criminal Investigations Section concerning documents. Sgt. Boyssel provided SA Roeser with the CAD log, Critical Incident Scene Log, SRT team CAD, and Incident reports from the Vandalia Division of Police.

The CAD logs indicated OSP's involvement began on 8/2/2023 at 0104 hours, and the last entry was at 0816 hours on 8/2/2023. The Vandalia Police reports, four in total, all involved the Helmans with loss of property, child custody issues, a felony arrest, and a stolen car complaint.

All the documents have been reviewed and uploaded into the case file for review; see attachments.

Investigative Supplement

On Friday, September 07, 2018, Officer Coatsworth and I were dispatched to the Vandalia-Butler High School, located at 600 S. Dixie Drive. We spoke with Lisa Brock with the Department of Job & Family Services and she told us she was there to remove a child from his parents for Child Protective Services.

Brock informed us the child, Nicholas Helman, was not picked up from school and it was found the parents had been arrested in Fayette County. The parents, Rodney & Elaine Helman, were arrested for possession of a stolen vehicle and also possible drug possession. She stated Nicholas was being removed from the family for his safety and well-being.

Officer Coatsworth and I were at the high school for approximately 2 hours and the parents still had not shown up. Officer Coatsworth advised Brock she could go ahead and take Nicholas with her back to the office. Brock and the staff at the high school told the parents Nicholas would be taken back to the Department of Job & Family Services office and if they had any concerns to contact the Vandalia Police Department.

Officer Coatsworth and I stood by while Brock arranged a temporary living plan for Nicholas before transporting him back to her office.

Rodney and Elaine Helman responded to the Vandalia Police Department at 2011 hours and talked to Officer Coatsworth. Officer Coatsworth told them Nicholas was with Child Protective Services and gave them contact information.

This report is for information purposes only and there is no further action required.

Ofc. J. Stelzer #187

Narrative

On 06-29-18 I responded to Enterprise Rental Car 450 E. National Rd on the report of a vehicle not having been returned. I spoke with the store manager Aaron Drakeford who said he was contacted by Det. Sink about one of their rental cars he found in Butler Township. Mr. Drakeford said upon looking at the rental agreement he found the vehicle was supposed to have been reported stolen but no one called police to do so. Mr. Drakeford said he spoke with his security department who advised him to file the stolen vehicle report. At this time the vehicle has not been located. PSS Wetzel entered the vehicle into LEADS as a DWOC vehicle. Investigation continues.

Investigative Supplement

On 06-29-18 I responded to Enterprise Rental Car, 450 E. National Rd., on the report of a vehicle theft.

I arrived on scene and spoke with the store manager, Aaron Drakeford.

Mr. Drakeford said he received a call from Det. Kevin Sink with the Butler Township Police Department. Det. Sink told Mr. Drakeford he located a car belonging to Enterprise and wanted to know if they were aware of its location. Mr. Drakeford said he looked the vehicle up in their system and found where was supposed to have been reported as stolen, however no one had called police to do so.

Mr. Drakeford said a person by the name of Rodney Helman rented the 2018 Chevy Malibu on 05-18-18. Mr. Drakeford said the last time anyone was able to make contact with Mr. Helman was on 05-21-18 and he was asked to return the vehicle at that time. Mr. Helman has not been located and the vehicle was not returned. Mr. Drakeford said he contacted his security department about the incident and they advised him to contact police and report it stolen. Mr. Drakeford said he can see in the system where they have made several attempts to contact Mr. Helman about the vehicle but they have been unsuccessful in making contact with him.

I called Det. Sink to get more information about the vehicle. Det. Sink said he found the vehicle parked at 6426 Woodville Dr in Butler Township earlier in the day. Det. Sink said he is familiar with the address so he called Enterprise to inquire about who may have rented it. It was while he was speaking with Mr. Drakeford when it was discovered the vehicle was an unreported stolen. Det. Sink said he has since drove by the Woodville Dr address and the vehicle was no longer there.

At my request PSS Wetzal entered the vehicle into LEADS as stolen (DWOC).

At this time the vehicle has not been located.

Investigation continues.

Investigative Supplement

7-2-18

I reviewed this case and attempted to contact Aaron Drakeford at Enterprise Rent-A-Car at 450 East National Road. I was only able to leave a message with a co-worker for him to call me.

I went to 710 Randler Avenue, Apt. B and spoke with a female who said that she has lived at this address for over a year and does not know Rodney Helman. The resident at this address thinks he possibly lived at her apartment before she rented it.

I went to the address 6426 Woodville Drive given by Detective K. Sink from Butler Township Police. I was unable to locate the vehicle or the suspect, Rodney Helman.

I called the phone number (937)979-5785 listed for Helman several times. No one answers and I left a voicemail message for someone to contact me.

Drakeford from Enterprise Rent-A-Car called and we spoke about the case. Drakeford said the vehicle has been located at the Enterprise Rent-A-Car lot in Miamisburg. Drakeford thought this was a civil matter at this point due to Helman possibly keeping the vehicle too long.

I had PSS K. Cheatwood take the vehicle out of LEADS/NCIC as a stolen vehicle. Drakeford requested no further action and stated this case was a civil matter.

7-3-18

Detective Hulbert and I went to Enterprise Rent- A-Car in Miamisburg and confirmed the vehicle was turned in. Assistant Manager Pete Richards said the vehicle was returned overnight yesterday, and the keys were placed in a drop box. There was no damage to the vehicle and it has since been re-rented out. They have no idea who turned the car in and the extra rental bill and charges for its use has been turned over to collections.

Richards stated this matter is being handled civilly and not a criminal matter. No further action is required and the case can be exceptionally cleared.

Narrative

On 05092018 Ms. Simpkin stated she found two Social Security Cards in front of 555 Gabriel St Vandalia, OH, while walking her dog. Ms. Simpkin turned the card over to me. I ran the SS numbers thru LEADS and ascertained the address of one of the individuals in Dayton, OH. Both cards have the same last name on them.

I placed them in the Vandalia Police property room. A letter will be sent to the known address.
