PNEUMATIC COIL UNIT MUST BE DRAINED AS WELL IN SUCH CASE, AN ALTERNATIVE
HEAT SOURCE MUST BE UTILIZED.

DANGER
CARBON MONOXIDE POISONING HAZARD
Carbon monoxide is a colorless, odorless gas that can be fatal. Carbon monoxide poisoning
may occur if the unit is not properly vented. Always use proper venting and follow the
instructions in the manual. If you suspect carbon monoxide poisoning, leave the building
immediately and call the fire department. Do not use the unit if you suspect carbon monoxide
poisoning. Always use proper venting and follow the instructions in the manual.
DANGER
RISQUE D'EMPOISONNEMENT AU MONOXYDE DE CARBONE
Le monoxyde de carbone est un gaz inodore et incolore qui peut être mortel. L'intoxication au
monoxyde de carbone peut survenir si l'appareil n'est pas correctement ventilé. Utilisez
toujours une ventilation appropriée et suivez les instructions du manuel. Si vous suspectez une
intoxication au monoxyde de carbone, quittez immédiatement le bâtiment et appelez les
pompiers. Ne réutilisez pas l'appareil si vous suspectez une intoxication au monoxyde de
carbone. Utilisez toujours une ventilation appropriée et suivez les instructions du manuel.
PELIGRO
RIESGO DE INTOXICACIÓN POR MONÓXIDO DE CARBONO
El monóxido de carbono es un gas inodoro e incoloro que puede ser mortal. La intoxicación por
monóxido de carbono puede ocurrir si el equipo no se ventila correctamente. Siempre
utilice una ventilación adecuada y siga las instrucciones del manual. Si sospecha una
intoxicación por monóxido de carbono, abandone inmediatamente el edificio y llame a los
bomberos. No use el equipo si sospecha una intoxicación por monóxido de carbono.
Siempre utilice una ventilación adecuada y siga las instrucciones del manual.

WARNING: Do not use this unit if you suspect a gas leak. Always use proper venting and follow the instructions in the manual. If you suspect a gas leak, leave the building immediately and call the fire department. Do not use the unit if you suspect a gas leak. Always use proper venting and follow the instructions in the manual.
