Officer Involved Critical Incident - 2307 10th Street SW, Canton, Ohio

Investigative Activity: Photographs of Officer Robert Huber / Subject Perspective
Activity Date: Friday, January 21, 2022
Activity Location: 221 3rd St., Canton, Ohio 44702 (Canton Police Department)
Authoring Agent: SA Dan Boerner #135

On Friday, January 21, 2022, at approximately 1330hrs, SA Dan Boerner met with BCI SAs Chuck Moran, Matt Armstrong and Andy Harasimchuk at the Canton Police Department (221 3rd St., Canton, Ohio 44702) in reference to an officer-involved critical incident investigation.

SA Boerner was requested to photograph Officer Robert Huber in his uniform (shirt, pants, boots and outer carrier) similar to what Ofc. Huber was wearing the night of the incident. With Ofc. Huber's attorney present, SA Boerner photographed Ofc. Huber with a scale present (Figure 1, Overall photograph). The purpose of the photographs was to document the approximate height of Ofc. Huber, the approximate height of the body worn camera (BWC) and the approximate height of Ofc. Huber's eyes. Using this data, BWC footage and scan data collected the night of the incident, still images and panoramas of Ofc. Huber's perspective and of the BWC perspective were created and provide to investigators (Figures 2-3, Ofc. Huber and BWC perspectives)¹.

¹ The perspectives are based on the information obtained from the scene and from Ofc. Huber. The intent of the perspectives is to demonstrate what was or was not visible at the time of the incident. The perspectives are not meant to be a reconstruction of the incident.
