On April 25, 2025, [REDACTED] was working an interdiction detail when he and Ptl. Gallo conducted a traffic stop on a vehicle for a traffic violation. During the stop, the driver fled both in the vehicle and on foot while armed with a handgun, prompting a coordinated pursuit and perimeter response. [REDACTED] relayed critical information to assisting units and maintained officer safety throughout the incident, which ultimately led to the suspect's apprehension without injury to officers or residents. [REDACTED] initiative and dedication to duty reflects great credit upon himself and upholds the highest traditions and the mission and values of the Parma Police Department.

COPIES TO:

On [REDACTED] and Gallo were on an interdiction detail when they tried to execute a stop for a traffic violation from which the driver failed to stop and fled from officers. The vehicle was a Chevrolet (Ohio license plate KPL8979) which was owned by a female named Melissa Lusk but the officers could see that it was a male driver, who was identified as Calvin Lusk once arrested.

The stop was attempted at the intersection of Brookpark Rd. and S.R. 176. Lusk drove north on SR 176 until merging onto I-90 E before exiting on to E. 9th St. When turning onto E. 9th from the off-ramp, Lusk's vehicle slowed and rolled into another vehicle as he fled on foot. Lusk was soon apprehended after being tased. The occupants of the vehicle struck were not injured and Cleveland PD along with EMS responded to the scene.

I reviewed the video of the pursuit and the facts Ptl. Gallo gave over the air regarding safety concerns were accurate. I believe [REDACTED] driving during the pursuit was appropriate. This is my after-action report of the pursuit.

On 6 October 2025 at 1955hrs. Parma Officers were dispatched to 1307 Wexford Ave., for a B & E. The caller, a neighbor, watched as a party was dropped off in a vehicle carrying luggage and enter the vacant home but never leave. On arrival officers set up a perimeter and spoke to the neighbor and verifying that the home was in fact vacant and should not have anyone inside.

Announcements were made and with no answer from inside the K9 was deployed. Officers then conducted a safe room to room search and located a male hiding inside of a hallway closet. The male was taken into custody without incident, and upon identification, had a felony warrant for his arrest.

All officers did a great job of gathering information, holding the perimeter, giving good commands, and utilizing their resources. This was an excellent demonstration of teamwork that led to a great arrest. Well done!

Departmental Reprimand and Counseling Form

DATE May 28, 2025

FROM: Lt. Leon #403 TO: [REDACTED]
SUBJECT: Violation OP. 11.2 Operation of Emergency/ Public Safety Vehicles - Pursuit
COPIES TO: Captain Hach #500

DATE OF INCIDENT: [REDACTED]

PERSON: [REDACTED]

REASON: Violation of OP. 11.2 Operation of Emergency/ Public Safety Vehicles - Pursuit

ACTION TAKEN: Verbal Reprimand

NARRATIVE:

The purpose of this form is to document a Verbal Reprimand given to you for violating the following Departmental Policies: **Operation of Emergency/ Public Safety Vehicles- Pursuit**

I was asked to review a vehicle pursuit that was initiated by [REDACTED] on [REDACTED] at approximately 0044 hours. [REDACTED] attempted to stop a vehicle bearing Ohio license plate KIX 9614 at the intersection of Broadview Rd. and Brookpark Rd. for a speed offence. The aforementioned vehicle refused to stop continuing eastbound on Brookpark Rd. Within seconds the Blue Chevy being pursued, entered the I176 exit ramp traveling in the wrong direction against traffic. [REDACTED] followed the vehicle and approximately 15 seconds later, [REDACTED] advised that he was now in pursuit traveling in the wrong direction on the exit ramp.

During the approximate 14-minute pursuit, [REDACTED] violated several policies including, excessive speed, passing vehicles to the right, speeding through red lights, and operating his vehicle with due regard for the safety of all persons and property on the roadway.

[REDACTED] violated the following procedure:

OP. 11.2 OPERATION OF EMERGENCY/PUBLIC SAFETY VEHICLES – PURSUITS

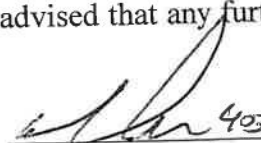

IV. **PROCEDURE**

An incident will be classified, defined, and reported as a pursuit if sufficient elements are present to support a charge of fleeing and eluding a law enforcement officer, whether or not an apprehension is made (e.g., the pursuit is ordered or voluntarily terminated by law enforcement, or the offender successfully eludes the pursuing officers). Emergency operations of department vehicles will be conducted in accordance with the Ohio Revised Code. When a decision to pursuit is made, the safety of all persons concerned must be considered. In the initiation and continuation of a pursuit, there is to be an on-going balancing of the seriousness of the offenses versus the public's safety. The primary unit or Officer- In-Charge ("OIC") shall terminate a pursuit whenever the risks to the safety of the officer(s) or public outweigh the seriousness of the offenses and danger to the community if the offender is not caught.

G. (6) No pursuit shall continue if the offender proceeds the wrong way on a divided highway. This does not preclude a unit to pursuit an offender if the offender is not attempting to avoid capture. For example, when an OVI suspect proceeds the wrong way on a divided highway.

H. Terminate Pursuit _ The decision of the primary officer or the Officer- In- Charge to cease the vehicular pursuit. The primary officer will slow the vehicle to the lawful speed limit, deactivate audible and visual emergency warning equipment, and then notify dispatch that the pursuit has been terminated.

Due to the violations of the OP. 11.2 Operation of Emergency/ Public Safety Vehicles - Pursuit, [REDACTED] is receiving a notice of a Verbal Reprimand which is being placed in his personnel file. [REDACTED] is also being advised that any further instances of policy violations may result in progressive discipline.

Lt. Dean Leon #403

You have the right to object by filing a grievance within five (5) working days of receipt of this notice. The grievance procedure provides for a hearing by an independent arbitrator as its final step. You are entitled to representation by a union representative at every step of the proceeding.

[REDACTED]

I was asked to look into the pursuit initiated by [REDACTED] on [REDACTED]. The pursuit started at 0044 hours and it was completed at 0058 hours. FROM: Sgt. R. Morgan #602

TO: Captain R. Hach #500

SUBJECT: After Action Review (Pursuit Incident # [REDACTED] / CAD # [REDACTED])

COPIES TO: Lt. B. Jackson #410 / Sgt. Schuld #607

Captain Hach,

On [REDACTED] at approximately 0044 hours [REDACTED] in marked Parma Unit # [REDACTED] for criminal interdiction, called out that he had a vehicle fleeing from him E/B on Brookpark Rd. approaching 176. He was able to provide a license plate KIX9614, which came back to a 2019 Chevrolet Malibu, occupied by at least 2 people. Within seconds [REDACTED] stated that the vehicle was traveling the wrong way on the 176 exit ramp going N/B. The vehicle was on the ramp traveling N/B for approximately 25 seconds with [REDACTED] following behind it at a speed of approximately 78mph when it came to the I-480 split and performed a u-turn to proceed in the correct direction.

The vehicle continued on I-480 W/B where Ptl. Dimotsis #575 in marked Parma Unit #164 was given permission to enter the pursuit from State Rd and I-480. As the suspect vehicle reached speeds of 115mph units were advised to terminate the pursuit. At this time [REDACTED] slows his patrol vehicle and deactivates his overhead emergency lights and sirens. The suspect vehicle then slows down and proceeds to get off at the Tiedeman Rd. exit when permission to re-engage the pursuit is given. It was at this time that Ptl. Romano #534 in marked K-9 Unit #134 was also given permission to leave the city and attempt to enter the pursuit.

The vehicle speeds were approximately 80mph as the suspect vehicle continued N/B on Tiedeman Rd. and made a left hand, W/B turn, onto Memphis Ave. The suspect vehicle continued on Memphis Ave. (W. 117 St) and proceeded to turn right onto Governor Ave. and into several side streets at speeds of approximately 60mph. The suspect vehicle came out onto Lorain Ave. and turned right onto W. 128th where it went over the curb and side swiped a stop sign. The suspect vehicle then continued through several side streets and eventually proceeded onto I-90 E/B where [REDACTED] terminated the pursuit as he had lost sight near W. 25th St.

Vehicle traffic was light, there was no pedestrian traffic, the roads were dry, and the weather was clear during the entire pursuit which lasted approximately 14 minutes.

[REDACTED] and I reviewed policy/procedure for following vehicles in the wrong direction as well as how to handle any future incidents.

I reviewed dash camera, read the incident report, reviewed the CAD call notes, and spoke with the officers involved. Reference the below dash cameras that were reviewed as part of the after-action review.

On 05/10/2025 at approximately 0044 hrs, I (Ptl. Dimotsis 575, BWC 575, Cruiser 164) assisted [REDACTED] with a motor vehicle pursuit.

[REDACTED] advised a vehicle (blue Chevrolet OH-KIX9614) was taking off on him on Brookpark Rd near I176. The vehicle went the wrong direction on I176 but would eventually correct and head W/B on I480. I was able to catch up to [REDACTED] on I480 W/B when the suspect vehicle passed the State Rd exit. The vehicle continued on I480 W/B until it exited at Tiedeman Rd and went N/B. The vehicle went W/B on Memphis Ave and then W/B on Lorain Ave. The suspect vehicle tried taking side streets in an attempt to lose Officers. The suspect vehicle went E/B on W.129th and came back onto Lorain Ave for a brief moment then went S/B on W.128th St. The suspect vehicle then went E/B on Mortimer Ave and then S/B on W.117th St. The suspect vehicle then went into the Memphis Industrial Parkway and exited the lot back N/B on W.117th St. The suspect vehicle continued N/B on W.117th St. until they went I90 E/B where [REDACTED] lost sight of the vehicle.

The pursuit was terminated and we exited at W.25th St. See [REDACTED] case report for further.

On 10MAY25 at approximately 1117 hours, I (Ptl. Romanello #505) responded to the intersection of East 116th Street and Miles Avenue to meet with Cleveland Police Department (CPD) units regarding a vehicle they had located, which was entered by our agency as a "felony vehicle". CPD Officers Cole #517 and Smith #1964, had located the 2026 Chevrolet Malibu, Ohio registration KIX9614, occupied by two juveniles. (CPD's incident #2025-131544)

The aforementioned vehicle had been involved in a police pursuit incident on 10MAY25 at approximately 0044 hours, with our agency.

Upon my arrival, CPD Officers Cole and Smith advised me that both occupants had been mirandized and interviewed. The driver was identified as SUS- Kartiere Gilmore (DOB 15JAN09). The passenger was identified as SUS- Jada Kimbrough, (DOB 09MAY08).

SUS- Gilmore denied any involvement in the events of the prior night. SUS- Kimbrough, however, stated that Gilmore was driving the vehicle and she was the passenger when they fled from officers, subsequently sleeping in the vehicle until CPD officers located them. The interactions and statements obtained by CPD officers are documented on their respective body-worn cameras.

Parma Towing responded to the scene and towed the 2026 Chevrolet Malibu to the Parma Police Department for evidence processing. The vehicle was secured in front of Bay 2 of the Evidence Garage.

Both juveniles were released by Cleveland Police Department to the custody of their respective parents or guardians.

Title / Subject: PURSUIT

On May 10 2025, at approximately 0044 hours I [REDACTED] was stationary in the parking lot of 5520 Broadview Rd. conducting criminal interdiction on Broadview Rd. I observed a dark blue Chevy sedan drive north on Broadview Rd. at such a high rate of speed my cruiser shook as it passed. I observed that the sedan slammed on the brakes but continued north on Broadview Rd. I pulled out of my location and noticed the vehicle still traveling at a high rate of speed. The vehicle changed lanes quickly cutting off another vehicle. I caught up to the Chevy at Brookpark Rd. and Broadview Rd. I observed that there was at least two black occupants inside the vehicle. The vehicle (Ohio license plate number KIX9614) turned east onto Brookpark Rd. before I initiated a traffic stop. The vehicle immediately fled east on Brookpark Rd. As I was calling out information to Dispatch the vehicle got onto the 176 on ramp, I followed in pursuit. The vehicle had turned onto the exit ramp and was driving up the exit ramp. I was unable to turn around due to concrete barriers being on both sides of me.

As soon as we made it onto 90 from the 176 exit ramp the vehicle conducted a U-turn and drove onto the 480 west on ramp. I continued pursuing the vehicle west on 480. Officer Dimotsis (#575) joined in the pursuit. Near 480 and Tiedman Rd. exit Sgt. Morgan (#602) terminated the pursuit however the vehicle exited onto Tiedman Rd. and Sgt. Morgan advised me to continue the pursuit. The vehicle fled north on Tiedman then west on Memphis. The vehicle continued fleeing at a high rate of speed driving recklessly through W 117th St., Lorain and side streets disregarding multiple red lights and stop signs on the west side of Cleveland. The vehicle drove over curbs and sidewalks multiple times even striking a stop sign at one point. The vehicle was able to flee to 90 east where visual was lost around the W 25th St. exit and I self-terminated. I attempted to call the registered owner but the number had been disconnected.

See Officer Romanello's supplemental for the recovery and identification of the driver and passenger of that vehicle.

Details:

On 04/25/2025, [REDACTED] and Gallo were on an interdiction detail when they stopped a vehicle for a traffic violation in the area of Brookpark Rd. and W. 130th St. While speaking to the driver, officers developed probable cause to search the vehicle and when asking the male to exit, he became nervous and refused. The male soon placed his vehicle in gear and fled at which time one of his tires was deflated by a terminator device that was previously placed. [REDACTED] and Gallo pursued the vehicle while relaying all pertinent information. The pursuit proceeded east on Brookpark Rd. until the driver pulled into the address 5685 Brookpark Rd (Honey Baked Ham) followed by him fleeing on foot.

The male fled over the south fence of the business and continued south through the residential neighborhood ignoring commands to stop. When he exited the vehicle, a gun was observed in his hand and remained in his possession as he cleared the fence and ran. After officers scaled the fence, the male was observed continuing to flee and when getting out of sight, a gunshot was heard. [REDACTED] and Gallo lost sight of the male and waited for assisting units.

Additional officers quickly converged in the area and a strong perimeter was established. Other officers arrived and began a methodical search of the assumed route of escape. After an hour and a half, the male was apprehended by the searching officers without any further incident. As the perimeter was held and officers were searching, detectives responded to the abandoned vehicle to start investigating as well as Thoreau Park Elementary which was locked down by police order during dismissal with a crowd of cars and parents outside.

The response and execution of the events leading to the apprehension of the arrestee produced the successful outcome without any injury to any officer or resident. All involved are to be commended. Job well done!

On July 30th, 2022 at 1353 hours, you observed a Ford Taurus with illegal window tint and expired license plates near 3903 West Pleasant Valley Road. You took the initiative to conduct a traffic stop on this vehicle for the observed violations. During your initial approach, you detected the odor of marijuana prompting an assist officer (Ptl. Paul) be sent to your location. A probable cause search revealed that the male was in possession of 116 individual packages of Fentanyl, 12 individual packages of cocaine, body armor, marijuana blunts, a handgun with the serial number removed, and an extended magazine for this weapon. Further investigation revealed that the male had a suspended driver's license and prior Felony convictions for Drug Possession and Domestic Violence.

This traffic stop resulted in the arrest of a serious drug trafficker who was armed. You are commended for your aggressive patrol tactics and keen observation skills. Due to your outstanding individual effort, you are being awarded the Officer of the Quarter for the 3rd quarter of 2022.

Comments: On August 14th, 2020 at 0200 hours, officers were dispatched to 2807 Ingleside Dr. for a report of an Aggravated Burglary in progress. Dispatch further advised the female victim had barricaded herself in a first-floor bedroom and was unsure if the suspect, her ex-boyfriend, was still in the residence or had fled the scene. Upon arrival, officers established a safe perimeter around the residence and began to formulate a plan to safely extricate the female victim from the residence. Other mobile assist officers were utilized to check surrounding streets in case the suspect was able to flee prior to officers arriving on scene. Preliminary information gathered from units on scene was used to determine that the suspect's motorcycle was parked in the victim's driveway, to the rear of the residence and the engine was warm. The victim confirmed the motorcycle should not be there and is used by the suspect. Communications between officers on scene, dispatch and the victim continued and a plan was implemented to safely extricate the victim out of the first-floor bedroom window with the assistance of officers. This was successfully completed and the victim was taken to a safe location to gather further information prior to searching the residence for the suspect.

The victim reiterated that it was unknown whether the suspect fled the residence or was still inside. She confirmed the suspect did not have his shoes or cell phone, which were both locked in the bedroom with her when she exited through the window. Officers utilized Ptl. Schuld and his K9 partner Coney, along with a ballistic shield to safely clear the residence which checked negative for the suspect. Officers began checking surrounding yards for the suspect when a piece of his clothing was found in a nearby back yard. Ptl. Schuld and K9 Coney began to track the suspect from his abandoned piece of clothing. K9 Coney led officers directly to the suspect's hiding location, which was located in some tall weeds behind a garage on Marioncliff Dr. The suspect fled from that location, using a fence to lift himself on top of a garage roof. He jumped off the other side of the garage and fled toward the ravine just east of South Park Blvd. K9 Coney immediately located the suspect's odor and began to track toward the ravine. A broken

fence was located near the ravine and it was believed the suspect was now in the wooded area of the ravine.

Officers established a perimeter, and requested Parma Fire to assist with scene lighting. Ptl. Morgan was advised and responded to the scene in order to pilot the drone with infrared capabilities. During the search for the suspect, he was observed once using the drone; however, managed to retreat back into the ravine. The suspect was never able to breach the established perimeter during the course of the entire search. After exhausting all apprehension efforts, the search was terminated at approximately 0800 hours.

Det. Hanley and Det. Neff remained in the area in their unmarked vehicles. At approximately 0824 hours, Det. Hanley observed a male matching the suspect's description, walking on Ingleside Dr. toward the victim's residence. Assist units responded and it was determined the suspect most likely made entry back into the victim's residence, which was now vacant. Officers from A Platoon, the Detective Bureau, the Traffic Unit and Ptl. Schuld with K9 Coney established a perimeter around the residence. A search of the residence subsequently resulted in the suspect being located under an upstairs bed. He was taken into custody without further incident.

I would like to commend all the officers involved on their persistent efforts to locate this violent suspect. Because of their determination, the suspect was never able to breach the established perimeters and ultimately resorted to returning to the scene where he had forced entry and assaulted the victim only hours prior. I would also like to recognize dispatch for their efforts in coordinating resources, while relaying and documenting pertinent information related to the incident. The successful capture of this wanted, violent felon is a direct reflection of the teamwork and determination demonstrated by the men and women of the Parma Police Department. Because of the commitment of all the officers and dispatchers involved, to always carry out the mission of the Parma Police Department, the victim was able to gain some closure that morning. Congratulations on a job well done!

Departmental Information

DATE: 04MAY18

FROM: Det. Scott Traxler #729
SUBJECT: Recent dumpster fires
COPIES TO: Chain of Command

TO: Sgt. Suchan #702

Sir,

On April 25, 2018, I was assigned to investigate a dumpster fire that occurred on the 24th in the parking lot of *Zingallis Barber Shop* located at the corner of State Rd. and Albertly Ave., Incident # [REDACTED]. On the 25th, Officer Garrison #594, observed a male matching the description of a suspect fleeing a dumpster fire at *Donatos Pizza* on April 23rd. Garrison identified the male as Steven B. Harper and took photos of Steven to include his clothing, (camo jacket), bike, backpack, ski goggles and skateboard.

These photos of Harper were crucial in comparing video surveillance obtained at *Napoleon's Pizza*. Video showed a suspect riding a bike northbound on State Rd., parking his bike by the dumpster and then igniting the same. We were able to show that the bike was a BMX style, the male was wearing ski goggles and had a skateboard secured under his backpack; thus matching Garrison's photos.

On April 6th, there were (2) dumpster fires. The first at *Heart to Heart Pet Grooming* and the second at *Rite Aid*, (State and Snow). Officer Strange #557 obtained video surveillance from a neighboring business which showed a male matching the physical descriptors of Harper.

I viewed this video and want to commend the officers on scene; Campana #541, Strange #557, Gilligan #566, Smith #563, Lenk #516, Lajeski #553 and Sgt D'Eusanio #608. Officers risked their safety by attempting to extinguish the fire, and while completely engulfed in flames, did move the dumpster away from the building to prevent the gas line, located between the dumpster and the building, from igniting. This action was performed prior to PFD arriving.

In all, (7) dumpster fires were reported from September 2017 to April 2018. All associated Incident Reports were detailed with photos, statements and knowledge of video surveillance. This detail and overall excellent work of Uniformed Patrol enabled a direct indictment on Steven Harper for Arson and Vandalism. Harper was arrested on April 27th and there have been no further reports of dumpster fires.

Thanks to Officers Chihil #556, Schuld #587, Romanello #505, Sopko #502, Seelie #506, Lake #548, Robinson #590, and [REDACTED] for their excellent work in these investigations. If I missed anyone, I apologize. Great work!!!!

Re: Lorain County Community College [REDACTED]

Date of Completion: [REDACTED]

Dear [REDACTED]

Congratulations! You have successfully completed peace officer basic training requirements and the peace officer certification examination. The date you passed the certification examination will be considered the date that your basic academy was completed, for all of the calculations mentioned below.

If you are appointed as a peace officer within one year of that date, a certificate of completion will be awarded, as long as no additional training requirements become mandated by the legislature. If you are appointed more than one year but less than two years after that date, you will be required to complete an OPOTC-approved refresher course and exam, plus any training requirements mandated by the legislature. If you receive an appointment more than two years after the date of completion, you must repeat the entire peace officer basic training course.

In all cases, you legally cannot perform the functions of a peace officer until you have been awarded a certificate from the Ohio Peace Officer Training Commission. If you do not receive an actual paper certificate, do not assume that you are valid. Contact this office for more information, as there may be additional documentation that is needed before you are certified.

To obtain your peace officer basic training certificate, a notice of appointment (form SF400adm) must be submitted to this office by your first appointing agency. If the agency does not have this form, it is available from our office and website. Incomplete or improper appointment documents will not be processed and will be returned for correction.

If you or your prospective employer have further questions, please contact us.

Sincerely,

Arianne M. Fauber

Professional Standards Division
