Ofc. Lehman stated he had been a two (2) man unit leaving FPD, due to the nature of the call. FPD Ofc. Hernandez (Unit 882) had been the other responding unit in the cruiser with Ofc. Lehman. According to Ofc. Lehman himself and other FPD Officers had still been preparing for their regular shift duties due to their regular shift having not started yet.

Upon Ofc. Lehman's arrival to 1642 Cherry Lane, he observed a shield team on the west side of the house, so Ofc. Lehman went to the east side of the house where another shield team had been established and included himself with that team. As the two (2) shield teams approached the front door, Ofc. Lehman put on Personal Protective Equipment (PPE) which consisted of rubber gloves.

Once at the front door, Ofc. Lehman said he opened the front glass screen door which the glass had been broken out of and noticed, **"a male laying on the floor just inside the front door."** Being the first law enforcement officer inside of the house after shots had been fired, Ofc. Lehman noticed a firearm lying on the floor next to the male subject's right hand, picked up the firearm and placed it on to a chair away from the male subject.

Ofc. Lehman said he immediately started to render first aid to the male subject, later identified as Robert Norton (Robert). The rest of the officers associated with the shield teams went past Ofc. Lehman to "clear"(complete a protective sweep) of the house to make sure no other subjects or victims were inside. Once the house had been deemed safe by FPD Officers, Emergency Medical Service (EMS) Members were advised to come inside and took over first aid to Robert.

SA Burke confirmed with Ofc. Lehman that the actual OICI had taken place prior to himself and Ofc. Hernandez's arrival at 1642 Cherry Lane and Ofc. Lehman said that was correct. SA Burke asked Ofc. Lehman if he ever used any sort of lethal force during this event and Ofc. Lehman said he did not.

SA Emahiser asked Ofc. Lehman if Robert had made any comments during the time Ofc. Lehman had been rendering first aid to Robert. Ofc. Lehman said the male subject did not make any comments and had been unconscious the entire time Ofc. Lehman
