On top of the refrigerator are several cereal boxes: **Chex Muddy Buddies**, **Wheat**, and **Charms**. The refrigerator door is decorated with a **Meida** brand label, a vertical ruler, a calendar, a photo of a person, a **Good Friends are a Treasure** sign, and a **Logan** sign. The wall to the right of the refrigerator has a large red liquid splatter and a yellow tag labeled **BI 7.0**.

On the wooden countertop, there is a **CLOROX** No-Splash Bleach 10X bottle, a **Pepsi** can, a **French** jar, a **Lysol** spray bottle, and a **Windex** spray bottle. A red liquid spill is visible on the counter near the **CLOROX** bottle.

A black office chair is positioned in front of the refrigerator. A red bucket is on the floor next to the chair.
