RE: Ricky R. Anderson; SSN: [redacted]

Subject: Member Minimum Medical Testing and Diagnostic Procedures/Physician's Report

Dear Employer:

The Ohio Police & Fire Pension Fund ("OP&F") received the personal history record that your office submitted for the member listed above on December 1, 2004.

Per Section 742.38 of the Ohio Revised Code, a pre-employment physical is required for all new members of OP&F. In order to be classified as a current member, the person must have current contributions on file, with no lapse more than a year. Since Mr. Anderson is a current member of OP&F, a pre-employment physical is not required; only the personal history record was necessary.

If you have any questions, please feel free to contact our Customer Service department at 1-888-864-8363. We do appreciate your assistance in filing the required documentation in a timely manner.

Sincerely,

Tricia Rock

On 9-3-2017 at 02:05 am officers from Zone 5 (16 pct., 7 pct., K-9-8, COTA Spcl.) were dispatched to the Broad Street bridge on a report of a man attempting suicide by jumping from the bridge. Per radio dispatch a male caller stated he was at the bridge, about to jump and to "not try to stop me" (him). A ping of the callers phone number came back to the bridge. Officers responded initially with lights and siren but were cautious when close to the scene to mute the lights and siren in order to not further agitate the male. Upon arrival the officers found a male in his late 50's in distress. The male had climbed over the rail on the south side of the Broad Street bridge and was threatening to jump into the Scioto River.

On September 3, 2017, officers on Zone 5 were dispatched to the Broad Street Bridge on a report of a male preparing to attempt suicide by jumping. Per Radio, a male told the call taker that he was at the bridge ready to jump and not to try and stop him. K9 Officer Ricky Anderson responded to assist.

A ping of his cell phone came back to the bridge. Officers located the male and as they approached, saw that he had climbed over the railing and was threatening to jump. The officers initiated conversation with the male and found he was distressed at the loss of his mother and depressed due to being homeless.

By offering suggestions to the male to help him, the officers gained the male's confidence and convinced him to climb back over the railing to safety. He was transported by EMS personnel to the hospital for mental health treatment.

Officer Ricky Anderson is awarded a First Aid/Lifesaving Award for taking action to save or attempt to save the life of another. His actions reflect positively on him and the Columbus Division of Police.

Chief Jacobs,

On January 15, 2018 at approximately 0005 hours our patrol units were dispatched to the area of Plain Township for a stolen vehicle that was being followed by the victim. As our units were able to catch up to the stolen vehicle, it started to flee. The on-duty supervisor requested assistance of your helicopter by asking for them to come to our radio channel for air support. Once the vehicle started onto Interstate 71 southbound from the Polaris area the helicopter crew was able to get overhead and started airing the vehicle's direction of travel. Our units were able to back off and permit the helicopter to keep track of the vehicle. Several attempts were made to get cruisers from our agency and others into place to deploy stopsticks, but they were unsuccessful. The vehicle continued on several interstates and then exited onto West Broad Street out near the county line. CPD K-9 Handler, Officer Ricky Anderson, was able to successfully deploy stopsticks in the area of West Broad Street near Galloway Road slowing the speed of the vehicle. CPD Officer Duffy Everhart was requested to perform a PIT Maneuver for our agency and did so successfully bringing the vehicle to a stop. The driver was then taken into custody without further incident. The helicopter crew flying that night was CPD officers Adam Beine and Ike Moore. The suspect was ultimately charged with Theft of a Motor Vehicle, RSP for other stolen property in the vehicle, Burglary and Felony Fleeing.

On behalf of Sheriff Baldwin and myself, we would like to acknowledge the great work of those from the Columbus Division of Police who assisted us with this incident that morning. Please accept this letter of compliment for their personnel files.

Sincerely,

Chief Jim Gilbert

Officer Anderson administered Naloxone, which was ineffective. Officer Antolec immediately began performing chest compressions. Columbus Division of Fire personnel arrived and took over the scene. CFD personnel performed CPR and administered additional doses of Naloxone and the female eventually regained consciousness. She was transported to the hospital in stable condition.

Incident #170650737

On July 29, 2017 at 12:27am, Officers on 3 Precinct were dispatched to 3347 N. High St. #2 on a report of a female that overdosed and in need of Narcan. Additional information advised that the female was not breathing and turning blue. Officer Ricky Anderson #1144, K9-8, had just driven by the location and immediately responded and was on scene in less than a minute. The victim, later identified as Ms. Victoria Byram 4/28/1994, was lying unresponsive on the ground. Officer Anderson observed that Ms. Byram was not breathing and administered Narcan to her. This appeared to be non-effective. CFD personnel in Medic 19 arrived and took over the scene, performing CPR and administering more Narcan. Ms. Byram was eventually brought back and regained consciousness. They transported her to Riverside Hospital in stable condition. CFD personnel stated that had Officer Anderson not arrived as quickly as he did and administered the first dose of Narcan, they most likely would not have been able to bring Ms. Byram back to life.

Dear Sirs:

Upon returning home to Upper Arlington after a Christmas dinner in Licking County last night at about 9:30 p.m., our car had a flat tire just as we were heading west onto 270 S.

Almost immediately, a police car pulled up to protect and help us, and a wonderful officer, Ricky Anderson, helped my brother change the tire so that we could get home safely.

Officer Anderson was genial and capable and soothed our fears about this situation on the freeway. We just wanted you to know how grateful we are for the Columbus police and this officer specifically. He was skilled and helpful.

Sincerely yours,

Officer Ricky Anderson

On April 9, 2016, SWAT officers responded to a West California Avenue residence to serve an aggravated arson warrant on an emotionally unstable male who was believed to be armed, and who had barricaded himself in his apartment. SWAT personnel set up a perimeter around the building to keep the male contained. Officers made contact with the male and breached the door to deploy a robot, which the male shot and disabled.

Officers Dennis Prestel, Troy Palmer, and David Thivener entered the basement of the building to turn off the power to the male's apartment. The male fired at the officers, striking Officer Palmer's gas mask pouch which was strapped to his leg. Officers Prestel and Palmer remained in the basement throughout the incident and provided intelligence to the officers outside of the suspect's position.

Officer Thivener and Sergeant Scott Bray approached a bedroom window to determine the male's location while Officer Steve Smith provided cover from the turret of the unit's Bearcat armored vehicle. The male opened fire from the window and Officer Smith was struck by a bullet and suffered a critical head injury. The armored vehicle could not be extracted from the scene, so Officer Thivener removed Officer Smith from the vehicle. Officer Thivener and K-9 Officer Brian Carter exposed themselves to the line of fire to carry Officer Smith to safety. K-9 Officer John Jones ran forward with a rifle- rated bunker to shield them, and SWAT Sergeant Brian Bruce provided cover as they moved Officer Smith out of the way of further harm.

Lieutenant Paul Ohl located the Tactical Emergency Medics, Firefighters Phil Harrow and Josh Brehm, and led them to where Officer Smith had been evacuated, crossing areas in the line of fire in order to reach and render aid to the gravely wounded Officer Smith. Lieutenant Ohl directed a transport medic to move as close as possible and Officer Smith was carried to the medic by Officers Carter, Thivener, and Jones and Firefighters Harrow and Brehm.

After placing Officer Smith in the medic, all of the officers returned to their posts. Officer Thivener positioned himself in the turret where Officer Smith had just been shot and exchanged additional gunfire with the male. Lt. Ohl went to each post occupied by a SWAT officer, Canine officer, or hostage negotiator and informed them of the events taking place and that the mission had to be completed. The male continued his standoff with SWAT and set a fire that consumed a large part of the apartment building. The male was eventually taken into custody. Officer Smith was transported to the hospital by the medics and underwent surgery, but succumbed to his injuries on April 12th.

Officer Ricky Anderson is awarded the Special Commendation for his actions during this life-threatening situation. He performed a valuable police service that demonstrated special faithfulness and perseverance. His actions reflect positively on him and the Columbus Division of Police.

NARRATIVE

Please give a detailed description of the incident for which you are nominating the individual(s). Include suspect/victim information, court case numbers, any injuries, and/or fire report associated with the incident. **DO NOT** attach copies of the electronic incident report(s), Arrest Information form(s), criminal complaints, CAD printouts, or medical documentation. The pertinent information from these documents should be contained within the narrative (cut and paste, if necessary).

On April 9, 2016, at approximately 11:00 PM Officers of the Columbus Division of Police SWAT Section were attempting to locate and arrest Lincoln Rutledge for Aggravated Arson and secure his residence, located at 14 W. California Av., for Columbus Division of Fire Arson Squad Investigators who had a search warrant for his residence. Rutledge had set a fire earlier in the day at 536 Fairlawn St., the residence of his estranged wife.

Officers observed that someone was inside of 14 W. California Av. but no one would answer the door. Additionally, officers observed what appeared to be an open flame in the room at the rear of 14 W. California Av., on multiple occasions. Fearing that Rutledge may be attempting to ignite the building, additional SWAT Officers responded and the Division of Fire deployed fire-fighting equipment. Gas to the building was shut off and the building was evacuated.

Officers first made contact with Rutledge at 12:38 AM on April 10. A shot was heard from inside the residence and Lt. Paul Ohl #5064 ordered the front door breached in order to deploy a robot to determine if Rutledge had shot himself. Rutledge had not shot himself and directed fire from a pistol at the robot disabling it.

Continued Narration:

At approximately 12:33 AM, Officers Dennis Prestel #476, Troy Palmer #1586 and David Thivener #1357 went into the basement and occupied it, as a common hallway led to the basement and Rutledge had access to the hallway. While in the basement, Officers Prestel and Palmer took fire from Rutledge while turning off power to Rutledge's apartment. Officer Palmer was struck in the drag handle and gas mask pouch of his tactical body armor. Despite taking fire, Officers Prestel and Palmer remained in the basement for the remainder of the incident and maintained their position to provide valuable intelligence regarding the suspect's position and actions. Officers Prestel and Palmer were forced to evacuate after the building caught fire and was eventually totally destroyed by flames.

At approximately 1:30 AM a single gunshot, was heard from within the residence and believed to have come from the room in which the suspect was located. At 1:33 AM chemical munitions were deployed and no movement or coughing was heard from within the structure. Chemical munitions were again deployed at 1:44 AM, 1:54 AM, 2:02 AM, and 2:22 AM with no response from the suspect. At approximately 2:25 AM Lt. Ohl ordered an approach plan for the rear window in order to utilize a pole camera to determine if the suspect had shot himself or was incapacitated as he had not been heard from since the last gunshot at 1:30 AM.
Officer Thivener and Sgt. Scott Bray #5237 would approach the window while Officer Steve Smith #1386 covered the window from the turret of the armored vehicle. At 2:34 AM, while officers were attempting to probe the rear window with the pole camera, multiple shots came from within the structure, through the rear window striking the armored vehicle and Officer Smith. An Officer down call went out from multiple officers at the rear of the residence. Lt. Ohl ordered that the armored vehicle with Officer Smith inside to be extracted, however the armored vehicle became stuck in the soft earth in the backyard. Officer Thivener removed Officer Smith from the rear of the armored vehicle and began to move him to the alley to the west of the building, exposing himself to the window from which the shots had been fired. Officer Brian Carter #1155, seeing that Officer Thivener needed assistance, exposed himself to the line of fire and ran to assist Officer Thivener. Officer John D. Jones #1735 observed that Officer Thivener and Officer Carter were in the line of fire and protected only by their body armor. Officer Jones ran forward with a rifle rated bunker to shield them as they were dragging Officer Smith west to the alley. Sgt. Brian Bruce #5303 had come from the front of the residence to the alley and provided cover as the officers extracted Officer Smith.

Lt. Ohl, recognizing that the situation was severe and the downed officer needed immediate medical attention, exited the Command Post and found the Tactical Emergency Medics, Fire Fighters Phil Harrow and Josh Brehm, who had moved from the armored vehicle located at the front of 14 W. California Av. to the area of N. High St. and California Av. Lt. Ohl informed the medics to follow him, radioed to the officers that he was bringing medics to them and ran to the area where Officer Smith had been evacuated. Lt. Ohl, Fire Fighter Harrow and Firefighter Brehm crossed areas which were in the line of fire from the window at the rear of 14 W. California Av. in order to render aid to Officer Smith who was gravely wounded. Lt. Ohl then directed a transport medic to move as close as possible to the downed Officer. Officer Smith was carried to the Medic by Officer Carter, Officer Thivener, Officer Jones, Fire Fighter Harrow, and Fire Fighter Brehm. Once secured in the Transport Medic, all officers returned to their assignments. Officer Thivener positioned himself in the turret of the armored vehicle, from which Officer Smith had just been shot, and exchanged gunfire with the suspect on three separate occasions.

Lt. Ohl circulated to each position occupied by a SWAT Officer, Canine Officer and Hostage Negotiator and informed each officer what had taken place and that the mission must continue to be carried out professionally. Lt. Ohl focused the officers on rescuing Sgt. Bray who was pinned down at the northeast corner of the building and worked with Division of Fire, Assistant Chief David Whiting, to safely direct fire resources when the building caught fire, while directing the law enforcement response to the barricaded gunman. Mr. Rutledge was taken into custody at 7:18 AM following an explosive breach of the glass block window of the apartment's bathroom located on the east side of the building.

NARRATIVE

Please give a brief, but detailed, description of the incident for which you are nominating the individual(s). Include any injuries, suspect/victim information, court case numbers, and any fire or other reports associated with the incident.

Ma'am, on Monday, March 26, 2012, at approximately 9:42PM, officers responded to a residential fire at 2281 S High St (Incident number 120244518). The run stated that the female half was inside the trailer while her boyfriend was setting it on fire. Officers Mark McMillen #2510 13B18, and Rick Anderson #1144 K98, were in the immediate vicinity and were the first units to arrive on scene. Upon arrival the officers observed the trailer fully engulfed with the female passed out lying just inside the front door. Officers McMillen and Anderson knew they did not have adequate time to wait for fire personnel to arrive on scene so they subjected themselves to circumstances which placed them under substantial risk of personal harm. Officers McMillen and Anderson demonstrated extrodinary heroism by approaching the burning trailer and pulling the unconscious victim out from inside the residence. Although the victim (who was identified as Crystal Spence DOB 5/23/77) did suffer from smoke inhalation; she was transported to Grant Hospital in stable condition and is expected to make a full recovery.

I spoke with Batallion Chief Mike Ruddle at the scene who commended the actions of Officers McMillen and Anderson stating had the officers not gotten to Ms. Spence when they did she would have no doubt sustained life threatening injuries.

The boyfriend was apprehended at the scene by responding officers and was interviewed by Arson Investigators. The boyfriend was not charged and the investigation is still on-going.

Medal of Valor Award

presented to

Officer Anthony Sebastiano

On March 3, 2011, Officer Anthony Sebastiano was dispatched to the area of S. High Street and Dering Avenue on a report that three males were approaching vehicles and demanding money from the occupants at gunpoint. As Officer Sebastiano approached the area he observed a male matching the description of one of the suspects running between the houses. He exited his vehicle and pursued the suspect on foot.

The pursuit lasted up to five minutes, and as the officer paused and looked before running around a blind corner, he lost sight of the suspect. Knowing that the suspect hadn't been that far ahead of him, the officer observed an open door on a nearby apartment. He carefully approached the apartment, and upon looking inside, observed a couple seemingly frozen with fear. The officer yelled "Where's he at?" and the male pointed off to his left. Officer Sebastiano entered the doorway and observed the suspect standing less than 8 feet away with the gun down to his side. Before he could say a word, the suspect raised his gun and fired at him. Officer Sebastiano felt pressure and figured he had been shot, but he returned fire, striking the suspect, and then took up a position of cover until additional officers arrived and took the suspect into custody. It was discovered that the shot fired by the suspect had penetrated the officer's gunbelt and become lodged in the taser he was carrying.

Officer Anthony Sebastiano is awarded a Medal of Valor for his actions while confronting an armed felony suspect and after being shot, demonstrating exemplary personal commitment and bravery. His actions are in the highest tradition of law enforcement excellence and reflect positively on him and the Columbus Division of Police.

NARRATIVE

Please give a brief, but detailed, description of the incident for which you are nominating the individual(s). Include any injuries, suspect/victim information, court case numbers, and any fire or other reports associated with the incident.

Ma'am, due to the fact that this award recommendation stems from an Officer involved shooting I respectfully request that the 90 day nomination requirement be waived. I intentionally waited until I had a chance to review the findings of the Firearms Review Board so that their assessment of Officer Sebastiano's actions would not conflict with my award recommendation. On June 14, 2012, I received the findings of the Firearms Review Board which indicated that Officer Sebastiano acted within policy as set forth in Division Directive 3.25, "Action Respose to Resistance/Aggression."

On Thursday, March 03, 2011, at approximately 10:25PM, Officer Anthony Sebastiano was dispatched to a gun run in the area of South High St. and Dering Ave. The run stated three suspects were approaching vehicles in the area of S High St. and Dering Rd. with a handgun demanding money. According to the remarks on the run one of the males had threatened the caller with a derringer. Radio provided the description of the suspects, and the chopper aired he had two individuals matching the description walking southbound on South Hight St. Officer Sebastiano stated as he approached the intersection of South High St. and Benfield Ave. he overheard the chopper provide additional information that two suspects had started running and were now hiding behind a van. Officer Sebastiano stated as he turned eastound onto Benfield Ave. he observed one of the suspects (who was later identified by his CPD mugshot as Dewayne Terrance Smith) running eastbound through the houses. Officer Sebastiano stated as he exited his cruiser he immediately drew his service weapon and began chasing after Mr. Smith on foot. Officer Sebastiano stated he pursued the suspect on foot for approximately 3 to 5 minutes between several houses and dark alleys. Officer Sebastiano stated the foot chase ended at the two story apartment building located at 53 Dering Ave. Officer Sebastiano stated when he first arrived at the apartments the suspect was approximately 20- 30 feet ahead of him. Officer Sebastiano stated as he reached the southeast corner of the building he paused for a second and peeked around the building to make sure Mr. Smith was not waiting to ambush him.

☒ NARRATION CONTINUED ON OTHER SIDE.

Continued Narration:

Officer Sebastiano stated as he looked around the corner of the building he could no longer see Mr. Smith running on foot. Officer Sebastiano stated he momentarily lost visual sight of Mr. Smith while he was tactically clearing the corner of the building, but he knew Mr. Smith had not run that far ahead of him. Officer Sebastiano stated he observed light coming from inside the open doorway to Apartment D; which was about 10 feet from where he was standing. Officer Sebastiano stated as he approached the doorway he kept his body close to the east wall of the apartment for cover. Officer Sebastiano stated as he arrived at the front of the doorway he did a quick peek inside the residence and observed a male white and a female white standing inside the apartment. Officer Sebastiano stated the couple upon seeing him did not move and appeared to be frozen with fear; so he yelled out to them "Where's he at!!" Officer Sebastiano stated neither one of them said a word; however, the male raised his arm and pointed to his left. Officer Sebastiano stated as he entered the doorway he observed Mr. Smith standing less than 5-8 feet away from him holding a semi automatic pistol down by his side. Officer Sebastiano stated as soon as he turned and pointed his firearm at Mr. Smith the shooting occurred. Officer Sebastiano stated he did not even have enough time to order Mr. Smith to drop his gun before Mr. Smith instinctively raised his gun and fired directly at him. Officer Sebastiano stated as soon as Mr. Smith fired his weapon he felt an intense pressure on the left side of his utility belt. Officer Sebastiano stated although he believed he had been shot he returned fire (which struck Mr. Smith one time in his left side) and took up a position of cover at the northeast corner of the building. Officer Sebastiano stated he did not want to give up his position of containment so he held his position until additional responding units were able to arrive on scene and take Mr. Smtih into custody.

Upon further inspection of Officer Sebastiano's utility belt equipment it was discovered that the suspect's bullet had penetrated through the holster and had lodged into his Taser.

When the residents of the apartment were interviewed by detectives they stated Mr. Smith had attempted to rob them. The residents stated as soon as Mr. Smith entered the apartment he pointed his gun at them and demanded their money.

Mr. Dewayne Smith was subsequently charged with Aggravated Attempted Murder, Felonious Assault, RSP, and Aggravated Robbery (Case #2011-04). Mr. Smith was convicted of the charges and is now serving a 15 year sentence.

I believe the actions of Officer Sebastiano speak for themselves. Officer Sebastiano was engaged in a lethal encounter with an armed suspect who was not only attempting to rob innocent civilians, but he was also willing to take the life of a Police Officer. Officer Sebastiano's extrodinary heroic actions and decision making during this incident reflects highly upon the Division of Police. When faced with a potential hostage and life or death situation, Officer Sebastiano rose to the occasion; and although we can contribute a portion of his success to the training he has received, the courage he demonstrated and the exemplary manner in which he performed his duties before and after being shot is a direct reflection of Officer Sebastiano's personal commitment and bravery.

It is for the reasons listed above that I nominate Officer Sebastiano to receive The Medal of Valor and Ribbon in accordance with Directive 3.16, 1,A, which states, "The commendation awarded to any active police officer or reserve officer for an act of personal bravery performed above and beyond the call of duty, which involved an incontestable risk of life, and which failure to perform the act would not reflect negatively on the officer.

Respectfully Submitted,

SGT.

He was sentenced yesterday on the two charges to which he plead guilty, aggravated attempted murder and aggravated burglary. He received 9 years for the attempted murder charge and 3 years for the burglary charge along with an additional 3 years for the gun specification. In total he received 15 years and was credited with the 400 and some odd days he has already served. If all goes well we won't have to deal with him again until he's in his 30's.

Special Commendation

presented to

Officer Ricky Anderson

On February 19, 2012, officers on 17 Precinct were advised of a missing 78-year old female with Alzheimer's disease who was missing from her Dierker Road home. Officer Ricky Anderson responded to the area with his canine to see if he could pick up her trail. As he was driving toward the area he decided to swing past Griggs Dam and check there first. At the corner of Zollinger Road and Riverside Drive he saw an object on the ground, and upon closer examination he discovered the female lying on the ground near some bushes clothed only in a short-sleeved shirt and pants. She was unable to speak and shivering violently. Officer Anderson covered her with a blanket and called for medical assistance. The female was transported to the hospital in serious condition, but made a full recovery after being exposed to below-freezing temperatures for several hours.

Officer Ricky Anderson is awarded a Special Commendation for his quick actions that helped to save the life of another. His actions reflect positively on him and the Columbus Division of Police.

Subject: high risk missing info

Around 8pm, detectives Battle and Perry were called regarding a missing 78yr old female white, Mary Doyle. Mary has Dementia and most likely full-on Alzheimer's. She has wandered off before and been recovered by Grandview PD, UA PD and CPD. She walks and usually goes to Griggs Reservoir. Officers advised that chopper had looked around Griggs as well as the area she was missing from and had not seen anyone matching her description.

Detectives arrived to 5032 Deirker Rd and spoke with Ms Doyle's son George. He was unconcerned and could not repeat the same information correctly. It was learned that he is an alcoholic and may have Dementia early onset Alzheimer's. The apartment was deplorable as there was rotten food inside and outside the refrigerator. There were bugs crawling around the floor near the trash were there were rotting items. Both bedrooms were filled with miscellaneous collectable stuff and left no room for clothes, beds, etc. The smaller of the two rooms had a twin mattress on the floor with one blanket where Mary supposedly sleeps.

When detectives checked Mary's medications, she was completely out of all of them, including the two for memory. She had most likely been out of them since December. She had a few clothing items which were stored under a hockey game table. It was apparent that the son could barely care for himself, let alone his mother.

All the neighbors officers spoke with in the building are familiar with Mary and say that she wanders around quite frequently and if she finds an unlocked door, she will go inside. Pictures were taken of the residence and detectives plan to contact APS (Adult Protective Services).

Mary was finally located lying in the grass without a coat and had a sheet over her as if lying down to sleep, in the front yard of 3250 Riverside Dr across from Marine Park Sub shivering and non-verbal. She was located by K-9 officer R. Anderson. The recovery efforts of officer Anderson was essential in saving Mary's life as the temperatures were below freezing.

Mary was then transported to Riverside Hospital stable via medic 30.

Det Battle and Perry met up with hospital personnel and advised them of the high risk nature.

Dear Chief Distelzweig, Walt,

On Tuesday, November 15, 2011, twenty-seven canine teams from Ohio agencies conducted a drug sniff operation simultaneously at six Hilliard City Schools' properties, including all middle and high school properties. The involvement of your department was instrumental in conducting this successful operation.

Please accept my sincere appreciation for your willingness to allow Officer Kenneth Coontz and Officer Ricky Anderson and their canines to participate in this operation. I highly commend your canine teams for their dedicated teamwork, which allowed the canine teams' portion of the operation on school grounds to conclude in twenty-six minutes. The canine teams performed in an efficient and effective manner, which allowed us to recover narcotics, a weapon and other contraband, all with minimal disruption to the learning environment in the schools.

Respectfully,

To Whom It May Concern,

I would like to send a special thanks to the Columbus Police Department and its Dispatchers, and especially Officers' Anderson, Coontz and Steiner. Tonight (07/10/2010), I was hit by a drunk driver. The drunk driver drove away after hitting me without stopping to see what he had done to me or my car. I followed him, as I wanted this documented. I called 911 when I was chasing him and I was routed to the Worthington Police Department and a Worthington 911 Dispatcher, probably due to the fact the chase went through Worthington. I told the Worthington 911 Dispatcher what had happened to me. The Dispatcher asked where the accident took place, which happened to be Columbus. She said that they could not help me because the accident happened in Columbus and then she transferred me to an electronic non-emergency voicemail that obviously could not help me during the chase! I was totally shaken up after the accident and needed help. I called 911 back and keep getting routed to Worthington 911 Dispatcher and they kept transferring me into a non-emergency line voicemail. The chase continued, and finally my 911 call ended up back with a Columbus 911 Dispatcher. The Columbus Dispatcher helped calm me down and helped the Columbus Police find me and the offender after a 19 minute call and 25 minute chase. All the Columbus Police Officers responded quickly, with professionalism, and were once again, helpful in seeing that our city is staying safe and drunk drivers are getting caught, as well as giving citizens like me, a peace of mind. This message is to send a huge Thank you to the Columbus Police Officers and Dispatchers who helped me. I feel better knowing that the City of Columbus Police Department will help me when I have been a victim, no matter where I end up, considering the chase ended up in Columbus/Grandview area!

Sincerely,

Ricky Anderson #1144

All,

Ricky R.

I just wanted to take a minute to recognize the arrest and subsequent U.10-100 of Defendant Jerry Moore by CPD officers B. Wilson (# 1830); D. McClain (# 328); F. Sclafani (#2396); and R. Anderson (# 1144). In the four years that I have been reading and analyzing U-10's this U-10 stands out as one of the best. The report was thorough, well reasoned, and most importantly well written. For what my opinion is worth, this was a text book example of good policing. Please, if you could pass this along to their respective supervisors. I feel their good work and service to the city of Columbus needed to be recognized.

Handler spoke with the Homeowners. Mother stated that nobody should be in the residence. Father stated it was possible that his son and a friend could be inside. Father went on to say that the two M/B's he saw did not look like his son and that they both ran and hid after seeing the Father.

K9 team and officers opened the front door to the residence. Handler yelled three (3) loud verbal warnings "Columbus Police K9 unit... If you are inside, let me know now...or you will get bit." After hearing no response, K9 team and a few officers started to search the residence on lead. Handler requested one officer port the stairs leading upstairs and another officer to port the stairs leading to the downstairs. K9 team searched the kitchen. K9 team started towards the basement steps, Handler again gave two (2) loud verbal warnings "Columbus Police K9 unit...Sound off or you will get bit." After hearing no response, K9 team started down the steps. About 3/4 the way down the steps, K9 showed a change in behavior and alerted by pulling harder on the leash. Handler told the other officers that someone is down in the basement. K9 team got to the bottom of the steps and observed two M/B's laying on two separate beds. Handler again gave two (2) loud verbal warning "Columbus Police K9 unit...Show me your hands." Handler, getting no response, gave the K9 a hand signal to bark. K9 barked several times. Handler said to the other officers, who were still in the stairwell coming to the basement, "We have two who are pretending to be asleep." The officers walked around the K9 team and placed the two young men onto the floor and took them into custody w/o incident.

One of the young men was the son of the Homeowners and the other was a friend of the sons.

Handler spoke with the son, he stated he did see his Father looking inside the window and did hide because he did not want to speak to him. He also stated he did not hear the warnings or the K9 barking.

Lt.,

The Akron Police Dept. requested that we respond to 4445 Belcher on a 50A. The suspect and a person of interest had committed an armed robbery earlier in the day in Akron and eluded apprehension by OSP. A subsequent investigation led authorities to believe that the suspects had fled to Belcher Avenue. The officers requested that I respond with them. Prior to arriving at the staging area, the officers sketched and planned a strategic approach to the residence. I briefed the officers after I had contacted Lt. Phillips of the Akron P.D.

Upon making contact with the residence there was no answer at the front door. Officers in the rear observed a motion at the rear window and contact with a neighbor confirmed that the female was at the residence. The officer's diligence paid off when the 50A answered the front door and we were able to secure the residence and was able to locate the person of interest who was also a 50A in Columbus. Although the firearms were not recovered, the female resident signed a consent to search, which netted evidence that will assist the Akron P.D. in prosecution, along with some crack cocaine. I would like to commend the following personnel who performed their duties with highest diligence and professionalism that we have come to expect from our officers.

Officer Anderson #1144

Detective Miller should be commended for her assistance in processing the residence and being a liaison with the Akron P.D.

TO: James G. Jackson, Chief of Police

FROM: Sergeant Kenneth A. Griffis #5244, RS-Z1A-C

SUBJECT: LETTER OF COMMENDATION FOR

Officers Ricky Anderson #1144 and Paul Boldin #1804

Sir,

On February 19, 1999 at 12:30 am, officers of the Columbus Division of Police were dispatched to 3176 Heathron Court in the Agler Green Apartments. This was in response to a call for assistance involving an intoxicated female who was threatening suicide. This person was identified as:

Tammy Sue Ratcliff F/W/36
SSN
DOB 02-06-63
3176 Heathron Court
Columbus, Ohio 43219

This call was answered by Officers Ricky Anderson #1144, Paul Boldin #1804, and myself. At our arrival, we encountered Ms. Ratcliff who was standing in the kitchen and appeared to be highly intoxicated. Ms. Ratcliff had superficial cuts on both wrists and what appeared to be a single edge razor in her right hand. Ms. Ratcliff was subdued without incident by responding officers. A Columbus Fire Squad was summoned to treat her wounds. Ms. Ratcliff was charged with Disorderly Conduct and was arrested for a Traffic Warrant, Case #98TRC02792-1-4.

I would like to take this opportunity to commend both Officers Anderson and Boldin for their conduct during this situation. Ms. Ratcliff was in a highly agitated state and refused repeated requests to drop the razor blade. Despite the factors that complicated this situation, Ms. Ratcliff was taken into custody without a use of force or a use of mace.

Through the efforts of Officers Boldin and Anderson, the situation was resolved without further injury to Ms. Ratcliff, and with no injury to responding officers, in spite of the hazard the razor represented. In closing, I would again like to thank and commend Officers Anderson and Boldin for their actions.

Respectfully submitted,

Kenneth A. Griffis 5244

Gahanna Police Department
CHIEF DENNIS MURPHY

August 13, 2001

Columbus Police Department
Attn: Chief James Jackson
120 Marconi Blvd.
Columbus, OH 43215

Dear Chief Jackson,

I would like to take this opportunity to thank all the Columbus Officers who responded to a Code-44, Officer in Trouble call, on Friday, August 10, 2001 at 0010 hours. Two armed robbers had just robbed Papa Johns Pizza located at the Stone Ridge Shopping Center. Gahanna Officers responded and pursued the suspects north into a Columbus residential neighborhood where the suspects fired upon two officers at close range. By the grace of God neither officer was hit.

While the media focused on Officer Ernest Choung, the rookie officer on the receiving end of the gun fire, they failed miserably in reporting the team effort between our two departments in the pursuit, containment, search, capture and subsequent criminal investigation. While words of thanks were said in front of the cameras, they probably ended up on the cutting room floor doing an injustice to your department.

I would like to recognize a few officers whose names and badge numbers have crossed my desk. They include **Officer Paul J. Bolden CPD #1804**, who contrary to the Columbus Dispatch article, actually caught the first suspect. **Officer William Lang CPD #2007** who passed the initial call for help and coordinated and directed other CPD units in the area. **Officers Anderson CPD #1144 and Dave Lawrence CPD #1260** who caught the second suspect in the Little Turtle sub division.

Please extend my sincere thanks and appreciation to all your officers who came to the aid of fellow officer in trouble. Those involved bring credit upon themselves, the Columbus Police Department and the City of Columbus.

Respectfully,

DENNIS MURPHY

Dear Chief,

I was tremendously helped by one of your patrol officers last night and I wanted to commend him for his assistance in an investigation of an aggravated robbery which occurred in my city.

On August 30 four men robbed a Westerville resident at gunpoint while he was washing his car at a coin operated car wash. They held a gun to his head and stole his wallet, cell-phone, and his 1990 Corvette. The car they drove into Westerville was also stolen and the suspects had robbed a woman at gunpoint earlier that same evening in Columbus.

C.P.D. Officer Ricky Anderson (7 sub) gave me information on two possible suspects who were active in his area, the same area where the stolen cars were abandoned. I checked the palm prints of both suspects against prints which I lifted from the recovered Corvette and got a good match to one of the men which resulted in charges of Aggravated Robbery and Grand Theft of a Motor Vehicle being filed.

The investigation is ongoing and, thanks to Officer Anderson, we have a chance to clear several serious crimes in both of our cities. Please see that he is commended for this.

Sincerely,

Gene

Officer Ricky Anderson #1144, 71-C
Officer Paul Boldin #1804, 78-C

FROM: Commander Michael J. Manley #5012, Patrol East Zone 1

DATE: March 5, 1999

SUBJECT: Job Well Done

This is an excellent job, and you are to be congratulated.

On March 5, 1999, Sgt. Ken Griffis, RS-Z1A-C, advised me of the good work you did which resulted in the arrest of an intoxicated female who was threatening suicide with a razor blade. Sgt. Griffis related that on February 19, 1999, at 12:30 a.m., you were dispatched on a run at 3176 Heathron Court.

This call was answered by Officers Ricky Anderson #1144, Paul Boldin #1804, and Sgt. Griffis #5244. At arrival, they encountered Ms. Ratcliff who was standing in the kitchen and appeared to be highly intoxicated. Ms. Ratcliff had superficial cuts on both wrists and what appeared to be a single-edge razor in her right hand. Ms. Ratcliff was subdued without incident by responding officers. A Columbus Fire Squad was summoned to treat her wounds. Ms. Ratcliff was charged with Disorderly Conduct and was arrested for a Traffic Warrant, Case #98TRC02792-1-4.

Ms. Ratcliff was in a highly agitated state and refused repeated requests to drop the razor blade. Despite the factors that complicated this situation, Ms. Ratcliff was taken into custody without a use of force or a use of mace.

Through the efforts of each of you, the situation was resolved without further injury to Ms. Ratcliff and with no injury to responding officers, in spite of the hazard the razor represented.

This is an excellent example of police work, and you are to be commended.

Thank you.

Dear Chief Jackson

This is a letter of thank you.

I am writing you because of the encounter I had with the officer who's Badge No. 1144.

While in the rear bedroom today, I noticed an odd shadow on the curtain. On closer inspection I found that two of my three layers of glass had been broken.

I called the Police Department, my insurance company, and the company who installed my windows; the officer arrived within 20 minutes.

The officer was courteous and efficient. He even corrected the behavior of some passing youth, while taking the report information

☐ CHECK MARK (✓) IF THE REVERSE SIDE HAS BEEN USED FOR ADDITIONAL REMARKS A-10 (REV. AUGUST, 1976)

Sir:

On May 26, 1995 at approximately 2:35 A.M., Officer Ricky Anderson #1144 and Recruit Officer Scott Clinger #1809, working 70 cruiser were enroute to a Burglary Alarm call when, Officer Anderson observed a large plume of smoke coming from the area of Westerville Rd. and Value-Way Dr. Further investigation revealed a residence at 3715 Westerville Rd. fully engulfed in fire. After relaying information to Radio, officers began banging on windows and doors attempting to arouse possible residents. After noticing several vehicles in the driveway with current registrations, unable to arouse anyone, the officers went to opposite ends of the house.

Officer Anderson kicked open the rear door, in a smoked filled room just off the kitchen. He found Brett Barmer, M/W-35 unconscious on a couch with fire racing up the walls and falling on his blanket.

As Officer Anderson attempted to revive Mr. Barmer, he could hear Officer Clinger yelling for others in a lower level of the residence; in fact Mr. Barmer advised Officer Anderson two other people were in the basement. While Officer Anderson assisted Mr. Barmer, Officer Clinger advised via Radio he had the two from the basement.

As both officers assisted the residents safely from the burning home to their PTV, the roof collapsed into the downstairs living area where Mr. Barmer lay unconscious. Shortly thereafter, the Division of Fire arrived. I feel Officers Clinger and Anderson's actions clearly demonstrated extraordinary bravery involving an incontestable risk of life. I therefore nominate each for the Medal of Valor and Ribbon.

Summaries (to include statement of conditions, vehicle/property, witness statements)

On October 27, 2019, at approximately 12:20 a.m., Officer Ricky Anderson #1144, K9-8, was involved in an auto accident. I conducted the following investigation:

The accident occurred on I71 Northbound near Weber Rd. The temperature was 60 degrees, the roadway was wet at the time of the accident, and the visibility was obscured by rain with a lighted roadway.

The Ford Explorer, Cruiser #K9-8, Brass Tag #26590, sustained damage to the front end.

Interview with Officer Ricky Anderson #1144, K9-8

I interviewed Officer at scene. Prior to my interview, I provided Officer Anderson with his Garrity Rights and asked Officer Anderson if he wished to have a grievance representative present. Officer Anderson declined.

Officer Anderson stated that he was responding to a 10-3, Incident #190906923. Officer Anderson stated that he was responding to the area of Ferris Rd. and Dresden St. to assist in locating a suspect who had fled on foot. Officer Anderson stated that he was traveling north bound and I71 around Weber Rd. He stated that he was responding to the area utilizing his lights and sirens. Officer Anderson stated that at the time of his response there was significant rainfall in the area. Officer Anderson stated that his cruiser began to hydroplane. Officer Anderson stated that once his cruiser stopped hydroplaning, the cruiser quickly veered towards the median wall. Officer Anderson stated that he then struck the median wall. Officer Anderson stated that he and his canine partner were uninjured. Officer Anderson had nothing further to add and the interview was concluded.

Additional Information:

Officer Allen Horn Jr. #3097, GRZ4EMW, took the accident report. The report was forwarded to the Records Police Accident email distribution list prior to the end of my shift.

Photographs of the cruiser were taken. The photographs were uploaded to my 2019 file in the Patrol Administrative U-drive under incident # 190907019

Conclusion:

I find that this accident occurred due to Officer Anderson hydroplaning in heavy rain on the freeway. He was operating under urgent conditions and was not careless in his driving.

I recommend a finding of No-Fault for Officer Anderson in regards to the accident. This finding is based on the Fleet Safety Manual; Section IV.D5, which states "Vehicle operating under urgent conditions with no carelessness or poor judgment on the part of the operator." I defer further recommendations to Officer Anderson's immediate supervisor, Sergeant Steve Redding #5254, K9-1.

DIVISION OF POLICE

TO: Kimberley Jacobs
Chief of Police

FROM: Sgt. Mark Cartwright #5102
Canine Unit

SUBJECT: Lost Division Property
Ref: Electronic K9 Collar Controller

Ma'am:

Officer Ricky Anderson # 1144 assigned to K9-8, advised he had lost the electronic K9 collar controller during a training exercise on Tuesday 6/26/12. The exercise was in the heavy wooded area west of Brice Rd. and south of Lowridge Dr. A decoy was placed in the woods and the canine team was to enter the wooded area with the wind direction to their favor and search until the decoy was located. This was a large search area with very dense foliage. Officer Anderson had fallen several times over downed trees and heavy under brush. When the exercise was completed he noticed the holster worn on the gun belt was cracked in half and the electronic controller was gone.

An extensive search followed, however the conditions of the search area made it impossible to locate the lost controller as the area was vast with dense foliage.

I checked the holster and found it to be worn and cracked the entire length of the holster. An incident report was completed and attached to this letter # 12214700.

Officer Anderson was engaged in canine training conducting a thorough area search through heavy foliage in a dense wooded area for a decoy. He had fallen several times during the search, which is probably when the holster was damaged and the controller lost. It would be easy not to realize this had occurred working in this type of environment. Therefore, it is my opinion negligence was not a contributing factor in the loss of this controller.

Property lost:
Tri-tronics Electronic K9 collar controller
Serial # 11101713R
Cost: 290.50

Lost/Stolen property
Electronic K9 Collar Controller

This is the second controller we have lost in three weeks. I have issued an email to be cognitive of the holsters being worn and to be aware of this issue until new holsters can be ordered.

I recommend no further action.

Respectfully submitted,

Sgt. Mark Cartwright #5102
Canine Unit
