Officer Involved Critical Incident - 2307 10th Street SW, Canton, Ohio

Investigative Activity: Receipt and Review of CAD Report, Radio Traffic and 911 Call
Activity Date: January 3, 2022
Activity Location: BCI - Richfield
Authoring Agent: SA Matthew Armstrong #146

Narrative:

On Monday, January 3, 2022, Ohio Bureau of Criminal Investigation (BCI) Special Agent (SA) Matthew Armstrong (Armstrong) received the following items related to the January 1, 2022, officer-involved shooting in Canton, Ohio:

- Audio recorded 911 call
- Audio recorded police radio traffic and data
- Canton Police Department (CPD) Computer Aided Dispatch (CAD) report

The documents and recordings were provided by Canton Police Department (CPD) Lt. Mark Kandel. The recorded radio traffic and 911 call have been stored in the BCI SIU case file as Reference Item H. The CAD report has been uploaded to Matrix and attached to this report.

On January 28, 2022, CPD Officer Sean Flaherty provided SA Armstrong with Mobile Data Terminal (MDT) records associated with Officer Huber's MDT from December 31, 2021. The records were provided in the following three files and have been stored in the BCI SIU case file as Reference Item L:

- ff380a66-4f8c-4f11-a2ad-07ed6f8b369a (MDT Chat Messages)
- nciclog
- rhuber04 NCIC queries

SA Armstrong reviewed the provided files and recordings and noted the following:

Audio recorded 911 Call

The recording was 2 minutes, 44 seconds and titled, "911_Console_2_2022_01_01_00_08_21 (1)." A female dispatcher answered the call stating, "911 what is your emergency?" A female began frantically yelling and provided the following information:

She said she needed an ambulance. Her address was 2307 10th Street. When the dispatcher asked what happened, she said her husband was shot. There was crying in the background and a

barking dog. The caller, which appears to be Marquetta Williams, can be heard telling someone (believed to be the officers outside the home) that her husband was shot. She is also heard saying "Come on. They want everybody outside." The line becomes silent then a male voice can be heard saying, "Canton Police. We have multiple firearms here." A female dispatcher then speaks with a towing service and the recording concludes.

Audio Recorded Police Radio Traffic

The radio traffic provided included 195 recorded radio transmissions. They were numbered 21 through 215 and each recording was titled with the date and time of the transmission. A text document titled, *2307_10th_St_SW_Radio-CDR*, was provided with the recordings and contained identifying data for each of the recorded radio transmissions. SA Armstrong reviewed each of the recorded radio transmissions and the data. The table below contains the radio data and content of the radio traffic for the transmissions believed to be most relevant to the actual shooting incident.

That's affirmative.				

A spreadsheet containing the relevant data for all the radio transmission has been attached to this report for review. For additional details each radio transmission should be reviewed in conjunction with the attached spreadsheet titled, *2022-01-27 Radio Traffic Data*.

Radio transmissions 81 – 215 contained radio traffic from numerous responding officers and supervisors. The content of those radio transmissions included information related to the management of the critical incident after the shooting incident occurred.

Canton Police Department CAD Report

The CPD CAD Report documented times and personnel assigned to the call. The report contains the dispatch, en route and arrival times of the officers who responded to the incident. The call was initiated at 12:05:46. The call type was entered as a traffic stop. Lt. Mark Kandel explained this was because the call was initiated by Officer Huber. The CAD Report has been attached to this report for additional details.

MDT Records

SA Armstrong reviewed Officer Huber's MDT records for December 31, 2021. The records indicated Officer Huber made six separate NCIC inquiries during his shift on the night of December 31, 2021. They included four registration inquiries and two license inquiries. None of the inquiries appeared to be related to the officer-involved shooting incident. The last inquiry prior to the incident was at 23:54:36 hours.

There were 15 instant messages exchanged on December 31, 2021. All the messages were sent during the previous shift. None of the messages were related to the officer-involved shooting incident.
