**Author:** SA Douglas Eveslage, #66

**Narrative:**

On Wednesday, April 16, 2025, the Ohio Bureau of Criminal Investigation (BCI) was requested by the Norwood Police Department (NPD) to conduct an independent investigation of the facts and circumstances surrounding an Officer-Involved Critical Incident that occurred in the area of 4411 Montgomery Road, Cincinnati, Hamilton County, Ohio.

Ohio BCI Special Agent Doug Eveslage was assigned as the Lead Case Agent. BCI Special Agents Kenny Smith, Rick Ward, and Lauren Frazier assisted with portions of the investigation. The investigation was supervised by BCI Special Agent Supervisor William Jones. Additionally, the BCI Crime Scene Unit (CSU) was requested to process the scene, by documenting and collecting pertinent evidence. Crime Scene Technician Holly Ryczek was the lead for crime scene and processed the scene and all involved officers.

The physical confrontation involved a subject, Akeem Holtz, Karita Thomas, and officers from the Norwood Police Department. Responding agencies include Hamilton County Sheriff's Office, Xavier University Police, Hamilton County Bailiff, and Cincinnati Police Department. The incident resulted in the subject being sprayed with oleoresin capsicum (OC), transported by Norwood Medics Squad 82, life saving measures being conducted while enroute to the University of Cincinnati Hospital, and the subject being pronounced deceased at the hospital approximately thirty minutes after arrival.

The following is an initial summary of the incident:

On April 16, 2025 at approximately 1038 hours, the Hamilton County Communication Center received a phone call reference a homeless male letting his white dog wonder around a parking lot at 4425 Montgomery Road and the dog almost attacked someone. At approximately 1054 hours the Norwood Police officers located the male subject, Akeem Holtz

(Holtz), on the second floor of 4411 Montgomery Road, Cincinnati, Ohio.

Holtz was located in the elevator on the second floor with multiple German Shepard dogs and a female named Karita Thomas (Thomas). The Norwood Police requested the Hamilton County Mobile Crisis Team (MCT) to respond to their location and were advised that the MCT was 38 minutes away. The Norwood Police also requested the Hamilton County dog warden to respond to assist.

While the Norwood Police were interacting with Holtz and Thomas, a physical altercation ensued after Holtz and Thomas were not complying with the officers' requests. Reportedly, the physical altercation order of events were as follows: Holtz used a butane lighter on an uniformed officer, the police used OC spray, the physical fight began, Holtz bit an uniformed officer, an officer hit Holtz with a closed fist, Holtz was handcuffed with multiple pairs of handcuffs, the Norwood paramedics administered medication to Holtz, and Holtz was transported to the University of Cincinnati Hospital via life squad, and pronounced deceased thirty minutes after arrival.
