Investigative Activity: Interview with Witness

Involves: Chad Evangelista (S)

Date of Activity: 09/12/2024

Author: SAS Kevin Barbeau, #142

Narrative:

On Thursday, September 12, 2024, Bureau of Criminal Investigation (BCI) Special Agent Supervisor Kevin Barbeau (SAS Barbeau) received a phone call from Franklin County Coroner's Office, Doctor Todd Barr (Dr. Barr). Dr. Barr was the pathologist assigned to the Chad Evangelista (Evangelista) death case when the body was brought to the Franklin County Coroner's Office from Riverside Hospital. It should be noted Evangelista was arrested and a use of force situation occurred during his arrest and at the Fairfield County Jail during the booking process. At an unknown point, Evangelista became unconscious and was taken to Fairfield Medical (Lancaster, Ohio) and eventually transferred to Riverside Hospital (Columbus, Ohio), where he died.

Dr. Barr explained since Evangelista was imaged and/or cared for at Riverside Hospital, a non-traditional autopsy was performed.
