This is all my fault. Do not blame yourself.
Do not blame each other. This all happened
because I have lost all hope and because
I am too weak in the mind.

I could never find love. I could never hold
down a job. I never fit in. •
I have done so many questionable things in
my life. I am pathetic and a failure.

I'm sorry for deceiving everyone these last
few months, pretending that I was normal.
I'm sorry for causing you so much trouble in the
present time. I'm sorry for being such a pain
when I was alive.

Life goes on, with or without me.
Maybe it's better this way.
I love you.

I can't choose sides. I can't put
one parent over the other. Our family
is forever broken.

When I am dead, do not put
me on life support. I have no
money, no insurance. The damage
will be irreparable. I also request
for my body to be cremated.

I'm sorry for being a burden on
both life and death. Because of
my unwillingness to change and my
lies, I deserve to die. The hospital is
worse than death.
