Officer Involved Critical Incident - 905 E. Warren St.,
Bucyrus, OH 44820, Crawford County

Investigative Activity: Review of Bucyrus Police Department Reports
Involves: Bucyrus Police Department
Activity Date: 05/22/2026
Activity Location: BCI – Bowling Green
Authoring Agent: SA David Hammond

Narrative:

On Friday, May 22, 2026, Ohio Bureau of Criminal Investigation (BCI) Special Agent (SA) David Hammond (SA Hammond) received documents from Bucyrus Police Department (Bucyrus PD) Captain Kevin Wert. The records which were requested included any reports pertaining to the May 10, 2026, officer-involved critical incident, except for any statements made by the officers involved. SA Hammond reviewed the documents and noted the following:

Title	Date	Author
[REDACTED]	05/10/2026	Captain Kevin Wert

The report for Bucyrus PD incident # [REDACTED] (CFS #: [REDACTED]) was attached to this investigative report. Please refer to the attachment for further details. The Dispatch Nature was listed as Disturbance. Paul A. Desmarais was listed as the subject of the investigation.

Where indicated, the following excerpts are taken directly from the narrative section of the PPD report, but do not include all the information contained in the narrative section. Rather, the excerpts and other notations only include the information deemed by the author to be the most relevant and useful in obtaining an understanding of the PPD Incident Report as it relates to the Officer Involved Critical Incident.

This report details the Bucyrus Police Department response to a disturbance call - domestic violence incident at 905 E. Warren St. in Bucyrus on May 10, 2026, at 22:59 hours.

This document is the property of the Ohio Bureau of Criminal Investigation and is confidential in nature. Neither the document nor its contents are to be disseminated outside your agency except as provided by law - a statute, an administrative rule, or any rule of procedure.

Pages 3-15 documented weapons and ammunition that were turned over to the Bucyrus Police Department by BCI Crime Scene Agents for safekeeping. These weapons were deemed unlikely to have been used during the incident. Due to the state of the home and the potential for theft, they were collected by BCI investigators, photographed and inventoried. They were then turned over to Bucyrus PD.

Approving Officer

Ofc. Conner #9
05/10/2026

On the above date, officers were dispatched to 916 E. Warren St. in reference to a domestic violence complaint. My trainee, Ofc. Cox, and I arrived on scene to assist Ofc. Carver, who was already there and had spoken with the witness, Chasity Turner, resident of 916 E. Warren St. Ofc.

Chasity stated the victim, [REDACTED] had been in the backyard having a fire with Chasity when the suspect, Paul Desmarais, arrived and became involved in an altercation with her. Chasity advised that she observed Paul grab [REDACTED] by the hair.

Chasity advised her (Officer Carver) that [REDACTED] disclosed Paul had been abusive toward her in the past. It should be noted that [REDACTED] Paul are in a romantic relationship, reside together at 905 E. Warren St., and have children in common.

Ofc. Carver, Ofc. Cox, Ofc. Dalton, and I then made contact with [REDACTED] at 905 E. Warren St. As [REDACTED] exited the residence, I observed an injury

Bucyrus, OH 44820, Crawford County

to her right elbow with a small amount of blood coming from it. When asked about the injury, [REDACTED] stated that she had fallen and admitted she had been drinking. I also observed redness to [REDACTED] chest area near her sternum, of which she appeared to be unaware.

[REDACTED] told officers that Paul had not assaulted her or threatened her. Juveniles present at the residence were also asked if they had seen or heard anything. The juveniles appeared hesitant at times while answering questions but stated that Paul and [REDACTED] had only been arguing.

One of the juveniles provided a different explanation regarding how [REDACTED] sustained the injury to her elbow. Based on the conflicting statements, I believed [REDACTED] was concealing information regarding the altercation. [REDACTED] also stated that Paul does not trust the government and is a conspiracy theorist who believes the government is out to get him.

Officers then attempted to make contact with Paul, who was upstairs inside the residence. Ofc. Carver and Ofc. Cox gave Paul multiple commands to come downstairs and speak with officers.

Paul began yelling at officers to leave his property and stated that he would defend his home.

During this time, Chasity returned to the scene, and I asked her again about what she had witnessed. Chasity again stated that she observed Paul pull [REDACTED] by the hair.

Ofc. Cox continued giving commands for Paul to come to the door. Ofc. Cox advised that he was able to observe Paul and stated that Paul was wearing a bulletproof vest.

Ofc. Cox also advised that he observed Paul physically push one of the juveniles, later identified as [REDACTED] who was attempting to get him to come downstairs.

It should also be noted that I was familiar with Paul from a prior incident approximately 2-3 weeks earlier in which he threatened officers by stating he would show up to a traffic stop with a firearm.

This document is the property of the Ohio Bureau of Criminal Investigation and is confidential in nature. Neither the document nor its contents are to be disseminated outside your agency except as provided by law - a statute, an administrative rule, or any rule of procedure.

Bucyrus, OH 44820, Crawford County

I later spoke with [REDACTED] and [REDACTED] who were waiting inside 916 E. Warren St. I asked [REDACTED] about Paul pushing him. [REDACTED] stated that he had been attempting to remove Paul's helmet and convince him to come speak with police when Paul struck him in the hand with the stock of a rifle. [REDACTED] showed me his hand, where I observed a small cut on the inside of one of his fingers. [REDACTED] also stated that Paul pointed the firearm at him and threatened to shoot him.

When speaking further with [REDACTED] she advised Ofc. Cox and me that she and Paul had argued prior to officers' arrival and that Paul slapped her in the face during the altercation. [REDACTED] stated that after being slapped, she threw a beer can at Paul. [REDACTED] further stated that Paul then pointed a handgun at her and threatened to shoot her. [REDACTED] also advised that Paul was heavily intoxicated during this altercation. [REDACTED] also mentioned that Paul had been planning to barricade himself since the 2020 Presidential Election.

that Paul was upstairs with a helmet, body armor, and a gun. Officers then removed the rest of the children from the house.

Cox then stated Paul was making threats on officers life's. Ofc. Cox retreated on to the sidewalk. Ofc. Carver began to radio dispatch to contact the proper contacts for the situation. I collected my rifle from my cruiser and moved across the street to a tree for cover. I then adv Ofc. Carver that I was going to move to the alley behind the house to watch the back of it. While we waited for assistance to arrive. We maintained our positions till the Special Response Team and the A.S.O.R.T Team had arrived. Officers then backed off to hand the scene to A.S.O.R.T. Team.

**Officer Cox
BPD13**

On the date above at approximately 2219hours, dispatch advised of a domestic dispute located at 905 E, Warren St. While enroute to this location, Ofc. Carver requested additional assistance. A short time later, myself and Ofc. Conner arrived on scene and made contact with Chasity Turner and Rian Greene in the backyard of 916 E. Warren St.

Rian states that [REDACTED] (Paul Demarais) arrived at the property and began cursing and demanding [REDACTED] to return home in a loud and aggressive manner. I asked Rian if he witnessed any physical altercation between Rian and [REDACTED] and he stated, "no but Chasity did". I then turned my attention to Chasity to confirm this information and she stated, "Paul grabbed her by the hair".

Ofc. Carver at this time knocked on the door and made contact with [REDACTED] exited the residence and began to speak with Ofc. Carver and Ofc. Conner (refer to Ofc. Carver and Conner's report for further detail of this conversation). I remained by the front door of the

Officer Involved Critical Incident - 905 E. Warren St.,
Bucyrus, OH 44820, Crawford County

residence at this time in attempts to speak with Paul. [REDACTED] confirmed that Paul was inside the residence at this time.

A juvenile (identified as [REDACTED]) began exiting the residence and re-entering. While doing so, I observed multiple other juveniles inside the living room of the residence. I then asked [REDACTED] if she could ask her dad if he would be willing to speak with us and she stated she would ask him.

After a few short seconds of [REDACTED] shutting the door, I began to hear loud screaming coming from inside the residence. A short time later, [REDACTED] exited the house again and stated that her dad was upstairs yelling. Once Paul began to yell, Ofc. Carver re-entered the front porch and attempted to talk to Paul.

Paul continued shouting in a loud manner stating "I 'm not talking, now get the fuck off of my property". Paul would continue to use this statement multiple times. (It should be noted that during this verbal conversation with Paul, Paul was yelling from the upstairs bathroom where he could not be seen by Officers).

I asked [REDACTED] if Paul possessed any weapons and she stated he did have weapons inside the home. It was also advised that Paul also possessed an exterior bullet proof vest.

Paul... began to speak upon the U.S. Constitution and upholding it, He stated that he would defend himself against anyone who was attempting to violate him or the constitution.

[REDACTED] began attempting to speak with his dad in attempts to get him downstairs, it should be noted, from my position in the doorway and the location of the stairs.

While [REDACTED] was speaking with Paul, I observed Paul push [REDACTED] out of the doorway. While doing so, I was able to catch a visible angle of Paul's person. During this observation, I observed what appeared to be an exterior vest of some kind, aligning with the statement I received from [REDACTED] then began to walk down the stairs towards the front door. At this time, I advised all juveniles to exit the home to ensure their safety. All juveniles were safely removed from the residence at this time.

Officer Involved Critical Incident - 905 E. Warren St.,
Bucyrus, OH 44820, Crawford County

Once [REDACTED] was outside of the residence, I asked him if his dad was armed with a weapon. [REDACTED] at this time stated he was wearing body armor and had a pistol in a holster.

The residence was secured from the outside until the Crawford County Special Response Team arrived on scene to take command of the scene, Once SRT was on scene, myself and Ofc. Conner made contact with [REDACTED] and the rest of the family and began gathering additional information.

[REDACTED] stated that prior to Officers' arrival, Paul slapped [REDACTED] in the face and then pointed a loaded firearm at [REDACTED] and [REDACTED] also stated that during this encounter, he attempted to remove a rifle from his father to which Paul hit him with the butt of the stock causing a scratch on his hand. This mark was photographed for evidence. Myself and Ofc. Conner then received more verbal statements from the family and then cleared without further issues.

concerned about [REDACTED] and her welfare, which I advised I would go check on her.

We had made contact with [REDACTED] I advised [REDACTED] that officers were there for a welfare check due to what had occurred at the bonfire. [REDACTED] stated she had taken the kids over to Chasity's and were just hanging out drinking. I asked why Paul had come over in an aggressive manner to get her to go home and she stated that he did not know where she was and did not have permission to go, which concerned me.

Officers observed [REDACTED] right elbow to be scratched and bleeding as well as a red mark on her chest near her sternum. I asked [REDACTED] what had happened to her arm which she advised she had fallen coming home and she just tripped as she had been drinking. I asked [REDACTED] about the red mark on her chest which she advised she did not know why it was red. I asked [REDACTED] if she and Paul had been physical with each other tonight or if any threats had been made and she stated no it was just a verbal argument.

When [REDACTED] entered the residence you could observe multiple juveniles in the living room as well as a few of her kids upstairs with Paul. It should be noted speaking with [REDACTED] you could hear Paul inside the residence yelling at officers but could not make out what was being said.

I then opened the front door while standing outside on the porch to observe inside for safety where I then yelled up to Paul to come down and speak with me and I just needed to see if he was okay and just needed his side of the situation and [REDACTED] also advised me I could not go into the home.

Paul then stated "I 'm not talking, now get the fuck off my property".

Officer Cox stated that he observed Paul push [REDACTED] out into the hallway and observed Paul to be wearing an exterior bulletproof vest aligning with [REDACTED] statement made about him owning one. [REDACTED] then began to walk down the stairs where officers then began to have all the juveniles exit the residence for safety.

**Ohio Attorney General's Office
Bureau of Criminal Investigation
Investigative Report**

2026-1831

Officer Involved Critical Incident - 905 E. Warren St.,
Bucyrus, OH 44820, Crawford County

I asked [REDACTED] if Paul was wearing the vest which he stated he was and Paul had a firearm in his holster that he refused to take off.

[REDACTED] stated that Paul had put the gun to his own head where attempted to grab his arms to stop him from doing that where Paul had directed the gun at him.

While taking cover Paul opened the front door numerous times but could not be seen calling officers "tyrant pigs" and slamming the door. You could also make out at some points Paul stating he would defend himself. Officers could hear Paul yelling from inside the residence from across the street as well after shutting the door.

A while later Crawford County Special Response team and negotiators were on scene and I was advised [REDACTED] was in the residence of Chasity's acting belligerent. I then responded to the residence where [REDACTED] appeared to be having a mental breakdown.

[REDACTED] did state to me that Paul has Schizophrenia and is not on his meds at the time. [REDACTED] also had made a statement to me that Paul had been planning a situation like this and had made statements to her about suicide by cop as he did not want to go to jail. I asked [REDACTED] if she believes he would come out and fire at law enforcement and she stated she believed he would and that's why she is scared.

Approving Officer

On Sunday, May 10, 2026, at 11:07pm, I received a call at home from dispatch. I was advised that Paul Desmarais was part of a Domestic Violence incident and was now in an armed standoff with Police at 905 E Warren St.

As I arrived on the scene, I could hear someone yelling "tyrants". This presumably was Paul yelling at officers posted outside.

This document is the property of the Ohio Bureau of Criminal Investigation and is confidential in nature. Neither the document nor its contents are to be disseminated outside your agency except as provided by law - a statute, an administrative rule, or any rule of procedure.

Bureau of Criminal Investigation
Investigative Report**

2026-1831

Officer Involved Critical Incident - 905 E. Warren St.,
Bucyrus, OH 44820, Crawford County

Inside 916 E Warren, we spoke with [REDACTED] and he told me that Paul had swung the butt of a handgun at him and hit his hand. The officers on scene also told me that they saw Paul standing inside the house, and he was wearing what they knew to be a heavy ballistic armor vest.

I returned to station and wrote a search warrant for the house. While I was writing the search warrant in my office, dispatch called back and said that Desmarais was on 911. I went to dispatch and picked up the call.

Desmarais told me that he was a Federal undercover agent and I needed to pull my officers out. I told him that we could not do that, but we would like to speak with him. I told him several times that we wanted a peaceful resolution to the situation. As we talked it was clear that he hated the Bucyrus Police Dept. He told me our officers were liars and tyrants. He told me he was going to bed and needed to work in the morning. He told me he was calling from his work phone. (I later shared the phone number with the negotiators.) Paul hung up and did not agree to come out of the house.

When I returned to the scene with the search warrant, Officer Cox had been speaking with several of Paul's children (teenagers). They told us that he thinks the government was out to get him. He hates the Police and has been preparing for a barricade/standoff situation ever since Biden was elected President. They said that he had a ballistic shield, a gas mask, explosives, specifically several grenades, Tannerite and possible TNT. They also said that he had at least one long rifle that they believed was full auto. This info was passed on to the SRT teams.

At 3:56am- I was in the command post that Richland County had set up on Highland and Warren St. Officers radioed the scene commander that the suspect was shooting at them on the back side of the house. Several officers described hearing "burst rounds" coming from the house.

The scene commander made the decision to call in the OSP SRT. OSP arrived and used their Rook to pipe gas directly into the house. They did this several times at the front and back of the house. Again, this did not draw the suspect out. Officers made multiple announcements over a loudspeaker all night asking Paul to come out of the house.

SRT officers went to the east side of the house and pulled the electric meter from the base to disconnect the power to the house. Later in the morning, I called Columbia Gas and asked them to send a tech to the scene because we needed to shut the gas off. I advised them to come to the command post. They arrived and

Officer Involved Critical Incident - 905 E. Warren St.,
Bucyrus, OH 44820, Crawford County

met with the scene commander. The Columbia Gas technicians showed the SRT units where to locate the curb stop valve and gave them the tools to shut it off. After this, simultaneous penetrations were made at the front and the back of the house to open up the walls. The Bearcat opened up the front, the Rook opened up the back. The suspect was then located by the small drone on the second floor, southeast bedroom.

SRT Units on scene said the suspect kept saying he was sitting on a grenade and could not come out of the house. He also said he did not have a phone. The SRT ran a hard-wired throw phone to the room where he was known to be.

Around 11:12am a sniper on the back side of the shot the suspect and it was radioed that the suspect was down.

Additional Information provided by Captain Wert, documented on 05/14/26:

I was told that Adam Swerlin (915 E Warren St) had told Gregory and Officer Noah Graves, that he had supplied drugs to Paul before. He had given over his phone with the passcode. I called Adam and asked if he would stop at the station and speak with me.

Adam did come on station, and I spoke with him in interview room #1. Adam admitted to me that he "supplied" meth to Paul several times (3 or 4) over the last 6 months or so. He said that the transaction would always take place in Paul's back yard by the fence. He said he would supply a 0.5g to 1g at a time.

Approving Officer

Ofc. Conner #9
05/10/2026

On the above date, officers were dispatched to 916 E. Warren St. in reference to a domestic violence complaint. My trainee, Ofc. Cox, and I arrived on scene to assist Ofc. Carver, who was already there and had spoken with the witness, Chasity Turner, resident of 916 E. Warren St. Ofc. Carver advised that Chasity stated the victim, [REDACTED], had been in the backyard having a fire with Chasity when the suspect, Paul Desmarais, arrived and became involved in an altercation with her. Chasity advised that she observed Paul grab [REDACTED] by the hair. Ofc. Carver also stated that Chasity advised her that [REDACTED] disclosed Paul had been abusive toward her in the past. It should be noted that [REDACTED] and Paul are in a romantic relationship, reside together at 905 E. Warren St., and have children in common.

Ofc. Carver, Ofc. Cox, Ofc. Dalton, and I then made contact with [REDACTED] at 905 E. Warren St. As [REDACTED] exited the residence, I observed an injury to her right elbow with a small amount of blood coming from it. When asked about the injury, [REDACTED] stated that she had fallen and admitted she had been drinking. I also observed redness to [REDACTED] chest area near her sternum, of which she appeared to be unaware. [REDACTED] told officers that Paul had not assaulted her or threatened her. Juveniles present at the residence were also asked if they had seen or heard anything. The juveniles appeared hesitant at times while answering questions, but stated that Paul and [REDACTED] had only been arguing. During this conversation, one of the juveniles provided a different explanation regarding how [REDACTED] sustained the injury to her elbow. Based on the conflicting statements, I believed [REDACTED] was concealing information regarding the altercation. [REDACTED] also stated that Paul does not trust the government and is a conspiracy theorist who believes the government is out to get him.

Officers then attempted to make contact with Paul, who was upstairs inside the residence. Ofc. Carver and Ofc. Cox gave Paul multiple commands to come downstairs and speak with officers. Paul began yelling at officers to leave his property and stated that he would defend his home. During this time, Chasity returned to the scene, and I asked her again about what she had witnessed. Chasity again stated that she observed Paul pull [REDACTED] by the hair. It should be noted that the juveniles present were also attempting to get Paul to come downstairs. Ofc. Cox continued giving commands for Paul to come to the door. Ofc. Cox advised that he was able to observe Paul and stated that Paul was wearing a bulletproof vest. Ofc. Cox also advised that he observed Paul physically push one of the juveniles, later identified as [REDACTED], who was attempting to get him to come downstairs.

At that point, officers had everyone else exit the residence. Paul continued yelling, although he was difficult to understand at times. Due to the escalating nature of the situation, officers took defensive positions outside the property. It should be noted that Ofc. Cox had to physically restrain [REDACTED] from reentering the residence; however, she eventually complied and went to 916 E. Warren St. with the juveniles. Officers maintained defensive positions around the residence until the Crawford County Special Response Team (SRT) arrived on scene. It should also be noted that I was familiar with Paul from a prior incident approximately 2-3 weeks earlier in which he threatened officers by stating he would show up to a traffic stop with a firearm. I assisted SRT by gathering intelligence

regarding Paul and the household.

I later spoke with [REDACTED] and [REDACTED] who were waiting inside 916 E. Warren St. I asked [REDACTED] about Paul pushing him. [REDACTED] stated that he had been attempting to remove Paul's helmet and convince him to come speak with police when Paul struck him in the hand with the stock of a rifle. [REDACTED] showed me his hand, where I observed a small cut on the inside of one of his fingers. [REDACTED] also stated that Paul pointed the firearm at him and threatened to shoot him.

When speaking further with [REDACTED], she advised Ofc. Cox and me that she and Paul had argued prior to officers' arrival and that Paul slapped her in the face during the altercation. [REDACTED] stated that after being slapped, she threw a beer can at Paul. [REDACTED] further stated that Paul then pointed a handgun at her and threatened to shoot her. [REDACTED] also advised that Paul was heavily intoxicated during this altercation. [REDACTED] also mentioned that Paul had been planning to barricade himself since the 2020 Presidential Election.

Ofc. Cox and I later cleared the scene to begin typing our reports while SRT remained on scene. See other narratives for further...

Approving Officer

Ofc. Dalton #8
5/10/2026

On the date above Officers were dispatched to 905 E Warren St. In reference to a possible Domestic situation. Upon arrival Officers Carver, Conner and Cox were speaking with [REDACTED]. I walked up onto the porch and began looking into the living room window looking for Paul Desmarais as I was familiar with the address and he was not present. Officers continued to speak with [REDACTED] had stated that her neighbor was having a fire and her and some of her kids had went over to sit at it when Paul came over and yelled at her to go home. Ofc. Carver asked if anything physical between the two had happened. [REDACTED] stated no. Ofc. Carver and Conner began to check [REDACTED] for injuries. I was unable to see any injuries on [REDACTED] from my position on the porch. Ofc. Conner asked about her arm. [REDACTED] stated that she had fell. Ofc. Carver then transitioned her attention at Paul. [REDACTED] Children had adv Officers that Paul was upstairs in bed. Ofc. Carver asked one of the Children to go get Paul because we needed to speak with him. After some time. Paul still hadn't come to the door. Ofc. Carver then yelled into the house for Paul to come down and speak with Officers. Paul responded but sounded very agitated that we were there and told Officers to leave his property. Ofc. Carver then began to speak with another Child from the house asking him about what he had heard. the child stated that he didn't see anything physical but did hear them yelling. The Child also stated that Paul was upstairs with a helmet, body armor, and a gun. Officers then removed the rest of the children from the house. Ofc. Cox then attempted to speak with Paul to try and get him to come down stairs just to talk. I went to speak with witness Chastity Turner to get more information on what she had seen. Turner stated that She did see Paul grab [REDACTED] by the hair. Ofc. Cox then stated Paul was making threats on officers life's. Ofc. Cox retreated on to the side walk. Ofc. Carver began to radio dispatch to contact the proper contacts for the situation. I collected my rifle from my cruiser and moved across the street to a tree for cover. I then adv Ofc. Carver that I was going to move to the alley behind the house to watch the back of it. While we waited for assistance to arrive.

After a few minutes of being in the alley Deputy Thomas arrived. Deputy Thomas and I could hear Paul yelling and slamming the door periodically. we maintained our positions till the Special Response Team and the A.S.O.R.T Team had arrived. Officers then backed off to hand the scene to A.S.O.R.T. Team.

Officer Cox
BPD13

On the date above at approximately 2219 hours, dispatch advised of a domestic dispute located at 905 E. Warren St. While enroute to this location, Ofc. Carver requested additional assistance. A short time later, myself and Ofc. Conner arrived on scene and made contact with Chasity Turner and Rian Greene in the backyard of 916 E. Warren St. I then began to speak with Rian at this time. He stated that he and Chasity were having a fire and had a neighbor [REDACTED] over to visit. While having the fire, Rian states that [REDACTED] (Paul Demarais) arrived at the property and began cursing and demanding [REDACTED] to return home in a loud and aggressive manner. I asked Rian if he witnessed any physical altercation between Rian and [REDACTED] and he stated "no but Chasity did". I then turned my attention to Chasity to confirm this information and she stated "Paul grabbed her by the hair". After receiving this verbal statement, I began to attempt to locate Ofc. Conner and Ofc. Carver. While attempting to do so, I observed Ofc. Conner and Ofc. Carver approaching the front door of 905 E. Warren St.

Ofc. Carver at this time knocked on the door and made contact with [REDACTED] exited the residence and began to speak with Ofc. Carver and Ofc. Conner (refer to Ofc. Carver and Conner's report for further detail of this conversation). I remained by the front door of the residence at this time in attempts to speak with Paul. [REDACTED] confirmed that Paul was inside the residence at this time. While standing at the door, a juvenile (identified as [REDACTED]) began exiting the residence and re-entering. While doing so, I observed multiple other juveniles inside the living room of the residence. I then asked [REDACTED] if she could ask her dad if he would be willing to speak with us and she stated she would ask him.

[REDACTED] then entered the residence and shut the door. After a few short seconds of [REDACTED] shutting the door, I began to hear loud screaming coming from inside the residence. A short time later, [REDACTED] exited the house again and stated that her dad was upstairs yelling. Once Paul began to yell, Ofc. Carver re-entered the front porch and attempted to talk to Paul. Paul was advised at this time that we just needed to confirm his side of the story and confirm he had no injuries. Paul continued shouting in a loud manner stating "I'm not talking, now get the fuck off of my property". Paul would continue to use this statement multiple times. (It should be noted that during this verbal conversation with Paul, Paul was yelling from the upstairs bathroom where he could not be seen by Officers). While attempting to speak with Paul from the front doorway of the home, [REDACTED] began to make attempts of re-entering the home. We advised her that for her safety, we would have her remain outside. [REDACTED] would verbally resist but would then seize from her actions at this time.

Ofc. Carver then exited from the doorway and began speaking with [REDACTED] again. I asked [REDACTED] if Paul possessed any weapons and she stated he did have weapons inside the home. It was also advised that Paul also possessed an exterior bullet proof vest. I then approached the doorway in attempts to speak with Paul. While speaking with Paul, he began to speak upon the U.S. Constitution and upholding it. He stated that he would defend himself against anyone who was attempting to violate him or the constitution. In my experience of Law Enforcement, I identified these statements to align towards Sovereign beliefs. Around this same time of attempting to speak with Paul, a juvenile (identified as [REDACTED]) began walking up the stairway towards the doorway of the bathroom Paul was located in. [REDACTED] began attempting to speak with his dad in attempts to get him downstairs. It should be noted, from my position in the doorway and the location of the stairs, I could observe the top of the stairway where [REDACTED] and Paul were conversing.

While [REDACTED] was speaking with Paul, I observed Paul push [REDACTED] out of the doorway. While doing so, I was able to catch a visible angle of Paul's person. During this observation, I observed what appeared to be an exterior vest of some kind, aligning with the statement I received from [REDACTED] then began to walk down the stairs towards the front door. At this time, I advised all juveniles to exit the home to ensure their safety. All juveniles were safely removed from the residence at this time. I identified these juveniles to be [REDACTED] and [REDACTED]. Once [REDACTED] was outside of the residence, I asked him if his dad was armed with a weapon. [REDACTED] at this time stated he was wearing body armor and had a pistol in a holster that was on his persons. I then advised the juveniles to go with their mother [REDACTED] and to exit the property.

During this time, I heard what appeared to be an individual walking down the stairway. Due to [REDACTED] and [REDACTED] statements of Paul being armed, his aggravated state, and prior history of threats towards Officers of the Bucyrus Police Department, I drew my duty weapon and began to make my way towards cover. While doing so, [REDACTED] began to attempt to run towards the residence stating "that's

[REDACTED], I then approached [REDACTED] and escorted her to the ground and provided the necessary protection to her at this time. When it was safe to do so, I escorted her to her feet and across the street with her kids at 916 E. Warren St while Officers safely held the house.

At this time, the residence was secured from the outside until the Crawford County Special Response Team arrived on scene to take command of the scene. Once SRT was on scene, myself and Ofc. Conner made contact with [REDACTED] and the rest of the family and began gathering additional information. While doing so, [REDACTED] stated that prior to Officers arrival, Paul slapped [REDACTED] in the face and then pointed a loaded firearm at [REDACTED] and [REDACTED] also stated that during this encounter, he attempted to remove a rifle from his father to which Paul hit him with the butt of the stock causing a scratch on his hand. This mark was photographed for evidence. Myself and Ofc. Conner then received more verbal statements from the family and then cleared without further issues. - **CMC**

Approving Officer

Initial Report

05/11/2026 1236 CARVER, TAYLOR NICOLE

Officer T. Carver #4

05/10/2026

On the above date officers were dispatched to 916 E Warren St regarding a domestic situation that had happened. Upon arrival I spoke to Chasity Turner and Rian Green. Chasity and Rian stated that her neighbor, [REDACTED], was over at her house with her kids and they were having a bonfire. Chasity stated [REDACTED], Paul Desmarias, had come to the back yard and began screaming at her in a loud and aggressive manner to get up and go home. Chasity advised [REDACTED] has mentioned to her that there has been a past of domestic violence between the two and when Paul had came back screaming at her she had just got up and began to walk home. Chasity stated as the two got to the driveway she thought she had seen Paul grab [REDACTED] by her hair in an aggressive way. Chasity was very concerned about [REDACTED] and her welfare which I advised I would go check on her. I then radioed to Officers Conner and Cox to assist me in speaking with [REDACTED] and Paul due to a possible domestic and also Officer Graves's past occurrence with Paul making threats with a firearm on his traffic stop for officer safety. It should be noted [REDACTED] and Paul are in a romantic relationship, reside together, and have children in common.

Officers then went to Paul and [REDACTED] residence of 905 E Warren St where we had made contact with [REDACTED]. I advised [REDACTED] that officers were there for a welfare check due to what had occurred at the bonfire. [REDACTED] stated she had taken the kids over to Chasity's and were just hanging out drinking. I asked why Paul had come over in an aggressive manner to get her to go home and she stated that he did not know where she was and did not have permission to go which concerned me. I then asked why she would need permission to go anywhere which she stated she did not mean to put it like that and tension was high as her mother had just recently passed. Speaking with [REDACTED] officers observed [REDACTED] right elbow to be scratched and bleeding as well as a red mark on her chest near her sternum. I asked [REDACTED] what had happened to her arm which she advised she had fallen coming home and she just tripped as she had been drinking. I asked [REDACTED] about the red mark on her chest which she advised she did not know why it was red. I asked [REDACTED] if she and Paul had been physical with each other tonight or if any threats had been made and she stated no it was just a verbal argument. [REDACTED] appeared to be hesitant at times while answering officers questions as well which rised more concern. I then asked where Paul was at where she stated he was inside where I then had asked one of the children, [REDACTED], inside to get him to come down stairs. [REDACTED] had mentioned that she did not think Paul would come down the stairs and asked to go inside to get him which I stated

no for safety. When [REDACTED] entered the residence you could observe multiple juveniles in the living room as well as a few of her kids upstairs with Paul. It should be noted speaking with [REDACTED] you could hear Paul inside the residence yelling at officers but could not make out what was being said.

[REDACTED] then came back outside and shut the door where I asked if he was coming down and she stated no. I then asked if that was him yelling and she stated yes. Due to other juveniles in the home I then opened the front door while standing outside on the porch to observe inside for safety where I then yelled up to Paul to come down and speak with me and I just needed to see if he was okay and just needed his side of the situation and [REDACTED] also advised me I could not go into the home. Paul then stated "Im not talking, now get the fuck off my property". I then advised Paul I could not just leave given the situation and I just needed to speak with him where he again refused. Paul was commanded to come down stairs multiple times where he refused and kept making statements for officers to leave. [REDACTED] attempted to go inside the house past officers where I then grabbed [REDACTED] and advised she was not going back in the house and to step back on the porch which she complied as the situation was escalating. Officer Cox asked [REDACTED] if Paul had any weapons inside the home which she stated that he did. It was also told to officers that Paul had possessed a bullet proof vest as well.

At this time Officer Cox had approached the doorway and attempted to speak with Paul. Officer Cox had advised officers then in attempts to deescalate and speak with Paul he began to speak upon the U. S Constitution and upholding it and he would defend himself against anyone who would attempt to violate him or the constitution. Officer Cox advised Officers that he could observe Paul's [REDACTED] walk up the stairway and converse with Paul and attempt to get him downstairs peacefully. Officer Cox stated that he observed Paul push [REDACTED] out into the hallway and observed Paul to be wearing an exterior bulletproof vest aligning with [REDACTED] statement made about him owning one. [REDACTED] then began to walk down the stairs where officers then began to have all the juveniles exit the residence for safety. I had asked [REDACTED] about [REDACTED] injuries where he stated that [REDACTED] had kicked a toy and it came up and hit her and that's where the injury came from. I then asked [REDACTED] why her statement did not line up where both parties appeared hesitant. I asked [REDACTED] if Paul was wearing the vest which he stated he was and Paul had a firearm in his holster that he refused to take off. [REDACTED] stated that Paul had put the gun to his own head where [REDACTED] attempted to grab his arms to stop him from doing that where Paul had directed the gun at him. [REDACTED] was told to take the children across the street to Chasity's residence and to go inside for their safety as Paul was attempting to escalate his behavior and information officers now had. All children were removed safely from the home with [REDACTED]

BUCYRUS POLICE DEPARTMENT

At this time Officer Cox advised he had heard Paul coming down the stairway and given the information of Paul being armed, in an aggressive state, and threats against officers previously officers drew their duty weapons and began to take cover behind vehicles around the property and hold the scene. While taking cover Paul opened the front door numerous times but could not be seen calling officers "tyrant pigs" and slamming the door. You could also make out at some points Paul stating he would defend himself. Officers could hear Paul yelling from inside the residence from across the street as well after shutting the door. I then radioed to dispatch to get ahold of LT. Keegan who is the supervisor of third shift, Detectives, and Chief Dorsey. Due to the circumstances I also requested assistance from Crawford County Special response team and Crawford County Sheriffs Deputies, Detillion, Rowland, and Thomas.

A while later Crawford County Special Response team and negotiators were on scene and I was advised [REDACTED] was in the residence of Chasity's acting belligerent. I then responded to the residence where [REDACTED] appeared to be having a mental breakdown. I then advised [REDACTED] to have a seat on the couch and I spoke to her in a soft manner to attempt to deescalate as I understood she was under a lot of emotions. [REDACTED] advised she watches videos of cops just going in and killing people where I advised [REDACTED] that's not the outcome any Law Enforcement wants and we just want to get Paul out as safely and peacefully as possible and no one wants to hurt him we just have to ensure the safety of her, the children, and citizens in a strategic manner where she eventually understood. [REDACTED] did state to me that Paul has Schizophrenia and is not on his meds at the time. [REDACTED] also had made a statement to me that Paul had been planning a situation like this and had made statements to her about suicide by cop as he did not want to go to jail. I asked [REDACTED] if she believes he would come out and fire at law enforcement and she stated she believed he would and that's why she is scared. It should be noted Children were sitting in the living room as well when [REDACTED] had stated Paul had pointed a firearm at him and a few siblings in the home which [REDACTED] stated she did not know. After calming down [REDACTED] I immediately relayed this information to Sheriff Scott Kent and SWAT officers. I had also asked the kids if they were okay as well which they all stated they were.

I then helped hold the scene in the back of the residence with Officer Dalton and Deputies Rowland, Detillion, and Thomas while it was advised due to the threat escalating Mansfield would be enroute with their special response team. It should be noted after Mansfield's special response team's arrival Officers and Deputies were in the next few yards over from the back of the residence standing by when Mansfield attempted to use less lethal gas to the residence to make their way up to the back of the residence when Paul had fired through the top window of the residence. Officers and Deputies then took cover behind near by vehicles in the alley and I advised dispatch shots have been fired. Officers continued to hold cover while SWAT and

05/12/2026 0919 WERT, KEVIN L

On Sunday, May 10, 2026, at 11:07pm, I received a call at home from dispatch. I was advised that Paul Desmarais was part of a Domestic Violence incident and was now in an armed standoff with Police at 905 E Warren St. As I arrived on the scene, I could hear someone yelling "tyrants". This presumably was Paul yelling at officers posted outside. I spoke with Officer Conner. I was told that earlier in the evening Paul was seen grabbing the hair [REDACTED]

[REDACTED] Officers also said that [REDACTED] was pushed by Paul. We then went inside 916 E Warren St where Paul's family had been evacuated to, which was the home of Rian Green and Chasity Turner. (This house was across the street to the north and east of 905.)

Inside 916 E Warren, we spoke with [REDACTED] and he told me that Paul had swung the butt of a handgun at him and hit his hand. The officers on scene also told me that they saw Paul standing inside the house, and he was wearing what they knew to be a heavy ballistic armor vest. They evacuated the family to 916. They attempted to call Paul outside and that is when the standoff began.

I returned to station and wrote a search warrant for the house. While I was writing the search warrant in my office, dispatch called back and said that Desmarais was on 911. I went to dispatch and picked up the call. Desmarais told me that he was a Federal undercover agent and I needed to pull my officers out. I told him that we could not do that, but we would like to speak with him. I told him several times that we wanted a peaceful resolution to the situation. As we talked it was clear that he hated the Bucyrus Police Dept. He told me our officers were liars and tyrants. He told me he was going to bed and needed to work in the morning. He told me he was calling from his work phone. (I later shared the phone number with the negotiators.) Paul hung up and did not agree to come out of the house.

I contacted Judge Shane Leuthold from the Crawford County Municipal Court. I showed him the search warrant, and he found probable cause to grant the search warrant. The warrant was signed at 1:42am.

I then contacted Lt Wolfe, as I knew he had been called in as he is part of the Crawford County SRT; and he was on scene. He said that the Crawford County SRT had contacted Richland County SRT for assistance because they had learned about weapons and resources the suspect had available to him in the house. When I returned to the scene with the search warrant, Officer Cox had been speaking with several of Paul's children (teenagers). They told us that he thinks the government was out to get him. He hates the Police and has been preparing for a barricade/standoff situation ever since Biden was elected President. They said that he had a ballistic shield, a gas mask, explosives, specifically several grenades, Tannerite

and possible TNT. They also said that he had at least one long rifle that they believed was full auto. This info was passed on to the SRT teams.

Richland County SRT arrived on scene. They had several drones and more equipment to deal with this situation. It was deemed that it was not safe to make entry and the suspect would have to be forced from the house. It should be noted that several negotiators attempted to contact Paul by phone. Multiple rounds of gas canisters were delivered into the house. This appeared to have no effect on the suspect.

At 3:56am- I was in the command post that Richland County had set up on Highland and Warren St. Officers radioed the scene commander that the suspect was shooting at them on the back side of the house. Several officers described hearing "burst rounds" coming from the house.

The scene commander made the decision to call in the OSP SRT. OSP arrived and used their Rook to pipe gas directly into the house. They did this several times at the front and back of the house. Again, this did not draw the suspect out. Officers made multiple announcements over a loudspeaker all night asking Paul to come out of the house.

SRT officers went to the east side of the house and pulled the electric meter from the base to disconnect the power to the house. Later in the morning, I called Columbia Gas and asked them to send a tech to the scene because we needed to shut the gas off. I advised them to come to the command post. They arrived and met with the scene commander. The Columbia Gas technicians showed the SRT units where to locate the curb stop valve and gave them to tools to shut it off. After this, simultaneous penetrations were made at the front and the back of the house to open up the walls. The Bearcat opened up the front, the Rook opened up the back. The suspect was then located by the small drone on the second floor, southeast bedroom.

SRT Units on scene said the suspect kept saying he was setting on a grenade and could not come out of the house. He also said he did not have a phone. The SRT ran a hard-wired throw phone to the room where he was known to be.

Around 11:12am a sniper on the back side of the shot the suspect and it was radioed that the suspect was down.

It was decided that BCI would be called and asked to handle the investigation into the shooting and handled the scene. I drafted a second search warrant for the BCI scene processing. This was signed by Judge Shane Leuthold at 2:49pm. I returned to the scene and met with Ashland County Sheriff's Office units that had been called in to check the house for explosives. They said they found several containers of Tannerite and that the suspect was setting on a grenade. Ashland County removed the dangerous ordinances and detonated them off site.

BCI had a team that handled the scene where the shooting occurred and forensics evidence and a team that handled getting all of the weapons and ammo out of the house. Capt. Bursby, Officer Wireman, and I assisted the team removing the weapons and ammo from the home. These items were seized and put into BPD evidence.

A total of 10 firearms and 21 military style cannisters of ammo were removed and put into evidence. It should be noted the BCI took several firearms with Paul had with him when he was killed. klw

Investigative Notes

05/12/2026 1545 WERT, KEVIN L

On Tuesday, May 12, 2026, at the start of my shift, the Investigator for the County Prosecutor's Office (Jamey Gregory) came on station and said that he would assist if there was any follow up needed from the case. I asked him to check with neighbors in the area to see if anyone had security video or cell phone video.

I also asked him to check with the City Zoning and Administration about getting the 905 E Warren St. boarded up.

I was told that Adam Swerlin (915 E Warren St) had told Gregory and Officer Noah Graves, that he had supplied drugs to Paul before. He had given over his phone with the passcode. I called Adam and asked if he would stop at the station and speak with me. Adam did come on station, and I spoke with him in interview room #1. Adam admitted to me that he "supplied" meth to Paul several times (3 or 4) over the last 6 months or so. He said that the transaction would always take place in Paul's back yard by the fence. He said he would supply a 0.5g to 1g at a time. He said recently, Paul sent him photos of [REDACTED] nude and asked him if he wanted to "fuck her." Adam claimed this was within the week before the incident and he did not respond. Adam signed a consent to search his cell phone. He did say that the phone (a black Google Pixel 7) had been factory reset within the last few months. He was unsure if the messages about the drugs were still on it.

The canvass resulted in several phone calls. I spoke with Rian Greene and Chasity Turner who live at 916 E Warren St. They came on station and I spoke with them individually in interview room #1. Rian said that he did not know Paul that well and when they first met it was not pleasant because their kids were feuding. He said the kids are friends now and Paul's younger girls were at his house a lot because they are friends with his girls. He said the night of the incident, he, Chasity, [REDACTED] and two of Paul's younger kids were sitting in their back yard around a campfire. He said Paul came over and told [REDACTED] and the girls to get home now. (around 9pm). They left right away. He said he did not see anything physical happen between the two. He said a short time later they could hear a lot of yelling coming from 905 E Warren St. They called the Police and asked to meet them in the rear alley. This was the beginning of the Police involvement. After the Police went to the house, [REDACTED] asked Chasity to take the kids to her house. Ryan said later into the standoff, he did post the incident on Facebook live. He was unsure if it was recorded or if it was possible to get the recording to me. He said Chasity set up the FB live; he did not know much about it. Ryan said that he heard Paul making statements that were anti-government.

I then spoke with Chasity Turner (who is Rian's live-in girlfriend and also lives at 916). She said that she did not know Paul that well but did talk with [REDACTED] every once in a while. She said the

night of the incident; [REDACTED] had come over and asked Chasity if she could take her to Kroger. Chasity did so and they returned to the house. During the car ride Chasity said that [REDACTED] admitted the two were arguing that Paul had been abusive to her in the past. Chasity said later, she, Rian, [REDACTED] and two of [REDACTED] kids were setting at the fire at the rear of 916. She said that Paul came over and told them to get home. They started walking home, and Chasity said she turned and saw Paul grabbed [REDACTED] by the hair or did something to her head. After [REDACTED] and Paul went home, Chasity said they could hear yelling coming from 905. They could not understand what was being said but it was yelling and it was loud. They called the Police because they were worried about the children in the house. Chasity said that she knew that [REDACTED] was not being honest with the Police about what really happened between her and Paul. She said [REDACTED] asked her to take the kids to her house. Chasity said that later on in the night, [REDACTED] was telling the kids that this was their fault and that Paul was going to die. klw

Supplement

05/14/2026 1353 WERT, KEVIN L

As stated in a previous narrative. When I was writing the search warrant in my office at the beginning of the standoff; Dispatcher Barth called my office on the inter-office phone system and said that Paul Desmarais was on hold on 911. I went to the dispatch center to speak with Paul. When I later received the recording from the Crawford County Sheriff's Office, the phone call was not recorded after the 911 call was taken off hold and I was speaking to Desmarais. It is unknown why the call recording was cut off and the possibility of an issue with our 911 hold is being investigated. klw
