Re: University of Akron Police Academy #BAS 18-053
Date of Completion: 5/16/2019

Dear Mr. Wise:

Congratulations! You have successfully completed peace officer basic training requirements and the peace officer certification examination. The date you passed the certification examination will be considered the date that your basic academy was completed, for all of the calculations mentioned below.

If you are appointed as a peace officer within one year of that date, a certificate of completion will be awarded, as long as no additional training requirements become mandated by the legislature. If you are appointed more than one year but less than two years after that date, you will be required to complete an OPOTC-approved refresher course and exam, plus any training requirements mandated by the legislature. If you receive an appointment more than two years after the date of completion, you must repeat the entire peace officer basic training course.

In all cases, you legally cannot perform the functions of a peace officer until you have been awarded a certificate from the Ohio Peace Officer Training Commission. If you do not receive an actual paper certificate, do not assume that you are valid. Contact this office for more information, as there may be additional documentation that is needed before you are certified.

To obtain your peace officer basic training certificate, a notice of appointment (form SF400adm) must be submitted to this office by your first appointing agency. If the agency does not have this form, it is available from our office and website. Incomplete or improper appointment documents will not be processed and will be returned for correction.

If you or your prospective employer have further questions, please contact us.

Sincerely,

Courtney Delong

Subject: Brock Wise Full-time Start Date

Good afternoon,

Please make Brock Wise's full time hire date - **8/9/20**. This will be a clean cut off for the pay periods. It will still split his pension file for reporting to OPERS and OP&F, but we will verify all is reported correctly.

We are willing to make an exception this time, understanding there were some delays with the COVID shut down and getting his pension physical complete. However, I need to remind everyone that we prefer to use our reporting date cut off provided by the pension boards for our records. Due to the nature of pensions and timing of proper reporting, it is a policy we want to maintain. As long as we have good communication when hiring in the future we should be able to keep us compliant!

Thanks and have a great weekend!

Probationary Police Officer Evaluation Report

Ptl. Wise #429

03/04/2020

Appearance- Ptl. Wise presents himself in a professional manner on a daily basis as his uniform and equipment are in good, clean shape. Ptl. Wise maintains a clean cut appearance.

Attitude- Ptl. Wise accepts criticism well as he makes the necessary changes while remaining positive. Ptl. Wise has an upbeat attitude toward public service and never complains about the profession or calls.

Knowledge- Ptl. Wise has read the department policies / procedures and appears to have a working knowledge of them. He appears to have a working knowledge of laws, arrest, search and seizure. This is based on me explaining, demonstrating, and discussions of the calls we handled together afterwards plus discussing scenarios. He appears to know basic traffic codes while issuing citations and infractions to look for while on patrol. He tested well with signals and codes as well as the phonetic alphabet. His radio traffic is constantly improving while using said radio traffic on a routine basis.

Driving Skill- Ptl. Wise shows good driving skills in normal patrol conditions as he follows traffic laws and appears to be a cautious driver. Ptl. Wise appears to have average driving skills for a patrolman while driving in moderate & stress conditions during the few times we had emergency type calls to respond to. Ptl. Wise has improved his orientation skills while driving and his response time in the past week. Ptl. Wise has a working knowledge of all main city streets and most secondary, however, sometimes gets confused while attempting to get to a destination in an emergency type situation without delay due to asking confirmation of the location at times which I believe is normal for the amount of hours he's been employed with RPD.

Report Writing- Ptl. Wise's report writing is constantly improving and is at an acceptable level most days. Ptl. Wise would benefit from rereading his reports for grammar issues upon completion which has been discussed several times. Ptl. Wise use of proper terminology is constantly improving. Ptl. Wise has neat handwriting. Ptl. Wise's report writing speed is constantly improving and at a near acceptable level. Ptl. Wise is at a nearly acceptable level for completing traffic tickets as well as different mini-cites and complaints with assistance. He still has questions on traffic cites, mini-cites, and complaints occasionally due to inexperience but is progressing at an acceptable level.

Field Performance- Ptl. Wise is constantly improving his field performance and at an acceptable level for the amount of hours worked thus far. At times, I have to point him in the right direction due to inexperience which is acceptable at this time. As for stress field performance, he hasn't dealt with a stressful call as a lead officer at this time. Ptl. Wise has not initiated any field activity at this time but I've talked to him about doing so on 03/01/2020. Ptl. Wise has been advised to be cautious during traffic stops or out in roadway with traffic passing by as several times he was focused on driver only and not surrounding environment. Ptl. Wise has observed me with suspects and prisoners thus far but we've discussed officer safety, approaching suspects and reactionary gap on multiple occasions as well as levels of force while discussing use of force policies.

Probationary Police Officer Evaluation Report

Ptl. Wise #429

03/04/2020

Control of conflict- Ptl. Wise appears to be fit and healthy as I've observed no issues which would prevent him from being a productive member of RPD. Ptl. Wise speaks clearly and concise while giving commands or speaking with P/R's.

Radio / MDT- Ptl. Wise has a working knowledge of signals and codes as well as the phonetic alphabet. In the past week, Ptl. Wise has greatly improved his listening of radio transmissions and comprehending them. His radio traffic is clear, concise, and effective.

Relationships- Ptl. Wise is polite and courteous to citizens throughout his day to day activities. Ptl. Wise has appeared unbiased and fair during his encounters with all citizens regardless of ethnic background. Ptl. Wise is respectful of all RPD employees and appears to have a good working relationship with all ranks of RPD.

Probationary Police Officer Evaluation Report

Ptl. Wise #429

04/06/2020

Appearance- Ptl. Wise presented himself in a professional manner on a daily basis as his uniforms and equipment were in good, clean shape. Ptl. Wise maintained a clean cut appearance during his FTO period with me.

Attitude- Ptl. Wise accepted criticism well as he made the necessary changes while remaining positive. Ptl. Wise maintained an upbeat attitude toward public service.

Knowledge- Ptl. Wise has a working knowledge of department policies / procedures. While my time with Ptl. Wise, he developed a working knowledge of laws, arrest, search and seizure. Ptl. Wise became familiar with basic traffic codes while issuing citations and the infractions to look for while on patrol. Ptl. Wise knows the geography of Ravenna very well including businesses, primary streets as well as secondary. He displayed a working knowledge of signals, and the phonetic alphabet. His radio traffic improved significantly during my time with him.

Driving Skill- Ptl. Wise was a cautious driver with good driving skills in normal patrol conditions. During stress conditions while enroute to emergency type calls, there were occasions I would have to remind him when to use the overhead lights and siren as he would question the appropriate times. Other times, I would advise him to pick up the pace when dispatched to a priority call and the importance of getting there promptly. Overall, Ptl. Wise has improved his driving style during his time with me.

Report Writing- Ptl. Wise has shown report writing to be his most improved area as he has shown drastic improvement during his time with me. Ptl. Wise has a tendency of not rereading his reports upon completion which has been discussed which would greatly benefit him. Ptl. Wise has neat handwriting. Ptl. Wise's report writing speed increased drastically and is at an acceptable level. Ptl. Wise is at an acceptable level for completing traffic tickets. Ptl. Wise is at an acceptable level for completing long form complaints, however, at times needs assistance with completing mini-cites. Overall, his report writing and use of known forms is at an acceptable level.

Field Performance- Ptl. Wise is constantly improving his field performance. At times, I have to point him in the right direction with gathering complete information. Many times he would only write down the person's social security number without gathering their name and other information which I have stressed the importance of gathering all pertinent information and the downside of not doing so. At times he interviewed different subjects, I would have to suggest pertinent questions to ask to determine if a crime had been committed and the need for him to be a more commanding presence as a Lead Officer. As for stress field performance, he hasn't dealt with a stressful call as a lead officer at this time. As for initiating calls, I would remind Ptl. Wise the need to be proactive during down times as well as things to look for while on patrol. Overall, Ptl. Wise has shown continuous improvement in field performance but could improve in the suggested deficiencies.

Control of conflict- Ptl. Wise appears to be fit and healthy as I've observed no issues which would prevent him from being a productive member of RPD. Ptl. Wise speaks clearly and concise.

Probationary Police Officer Evaluation Report

Ptl. Wise #429

04/06/2020

Radio / MDT- Ptl. Wise has vastly improved his listening of radio transmissions and comprehending them. His radio traffic is clear, concise, and effective.

Relationships- Ptl. Wise is polite and courteous to citizens throughout his day to day activities. Ptl. Wise has appeared unbiased and fair during his encounters with all citizens regardless of ethnic background. Ptl. Wise is respectful of all RPD employees and appears to have a good working relationship with all ranks of RPD.

Overall Perspective- I believe Ptl. Wise is a good fit for RPD as he brings a lot of good attributes to the organization. He has shown he is responsible and constantly improving. He has maintained a positive attitude the entire time and I enjoyed working with him. I think he has unlimited potential once he finds his own style and job confidence.

CONSEQUENCES OF TEST AND REFUSAL (R.C. 4511.192) (MUST BE READ TO OVI / PHYSICAL CONTROL OFFENDER)

"You now are under arrest for (specifically state the offense under state law or a substantially equivalent municipal ordinance for which the person was arrested) operating a vehicle under the influence of alcohol, a drug, or a combination of them; operating a vehicle while under the influence of a listed controlled substance or a listed metabolite of a controlled substance; operating a vehicle after underage alcohol consumption; or having physical control of a vehicle while under the influence. "If you refuse to take any chemical test required by law, your Ohio driving privileges will be suspended immediately, and you will have to pay a fee to have the privileges reinstated. If you have a commercial driver license and refuse to submit to the test or tests you will immediately be placed out-of-service for twenty-four hours; you will be disqualified from operating a commercial motor vehicle for a period of not less than one year; and you will be required to surrender your commercial driver license to me."

"If you have a prior conviction of OVI, OVUAC, or operating a vehicle while under the influence of a listed controlled substance or a listed metabolite of a controlled substance under state or municipal law within the preceding twenty years, you now are under arrest for state OVI, and if you refuse to take a chemical test, you will face increased penalties if you subsequently are convicted of the state OVI."

"If you have previously pled guilty or been convicted of two or more OVI's, OVUAC's, or equivalent offenses in the previous ten years, or pled guilty or been convicted of five or more OVI's, OVUAC's, or equivalent offenses in the previous twenty years, or pled guilty or been convicted of a felony of any of the above violations, and you refuse to submit to a chemical test required by law, I am authorized to use whatever reasonable means are necessary to ensure that you submit to a chemical test."

(Read this part unless the person is under arrest for solely having physical control of a vehicle while under the influence.) "If you take any chemical test required by law and are found to be at or over the prohibited amount of alcohol, a controlled substance, or a metabolite of a controlled substance in your whole blood, blood serum or plasma, breath, or urine as set by law, your Ohio driving privileges will be suspended immediately, and you will have to pay a fee to have the privileges reinstated."

"If you take a chemical test, you may have an independent chemical test taken at your own expense."

CONSEQUENCES OF TEST AND REFUSAL – OUT-OF-SERVICE (R.C. 4506.17) (MUST BE READ IN ADDITION TO THE ABOVE TO AN OFFENDER WHO IS THE HOLDER OF A COMMERCIAL DRIVER LICENSE OR IS DRIVING A COMMERCIAL VEHICLE)

"I am a law enforcement officer; I have probable cause to stop or detain you. After investigating the circumstances, I have probable cause to believe you were operating a motor vehicle in violation of section 4506.15 of the Ohio Revised Code. I request that you submit to a test or tests of your blood, breath, or urine for the purpose of determining your alcohol concentration or the presence of any controlled substance. If you refuse to submit to the test or tests you will immediately be placed out-of-service for twenty-four hours; you will be disqualified from operating a commercial motor vehicle for a period of not less than one year; and you will be required to surrender your commercial driver license to me."

Ravenna Police Department

Field Training Report

Ptl. Brock Wise

Observation Dates April 5, 2020 to present date:

During my observation period of Ptl. Wise's progress through the department's Field Training program, I have found Ptl. Wise to possess the following skills and traits:

Ptl. Wise arrives in plenty of time each day for his shift and is ready to go with all the proper equipment and paperwork he would need for the day's activities. Ptl. Wise freely socializes with fellow members of the department and integrated well into the Ravenna Police Department officer fold.

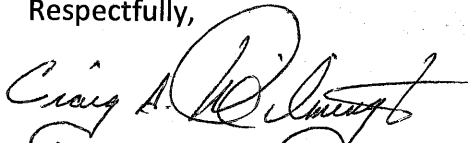

Ptl. Wise displayed proper officer safety during traffic stops, calls for service, and as a backup unit to fellow officers. Ptl. Wise responds to calls in a timely matter and navigates through the city well.

Ptl. Wise communicates well with complainants / victims of crimes as well with possible suspects of crimes. Ptl. Wise displays proper tactics and officer safety when called upon for various calls for service. Over the past week, Ptl. Wise needs little input from me regarding how to handle calls for service or how to complete a report. He will ask questions and does not get discouraged when corrected.

Ptl. Wise possesses traits consistent with a good effective, police officer. He is calm in demeanor, not easily rattled, and not quick to make judgement. Ptl. Wise is able to multi-task and is not afraid to go hands on when needed.

As Ptl. Wise's Field Training Officer, it is my opinion that he is ready and capable of operating on his own. Prior to making this decision, Ptl. Wise was asked if he had any reservations about being released from the Field Training Program, he advised he had none and was ready for the challenge. Several veteran officers and dispatchers were asked if they had any concerns regarding Ptl Wise performances during his time in the Field Training Program. No concerns were brought up.

Respectfully,

Ptl. Craig A. Wilmington #418

FIELD TRAINING MANUAL

INTRODUCTION

Law enforcement within Ohio continues to hire new officers at an unprecedented rate. With continued attrition and retirements, law enforcement agencies will need to continue to hire and train many law enforcement officers over the next few years. The need for quality training has never been greater.

Ohio law enforcement academies and recruit schools enjoy a nationwide reputation as one of the leaders in law enforcement training. However, training does not stop with graduation from a recruit peace officer academy or school. Probationary law enforcement officers must apply what is learned in the Academy to real-life situations. The importance of solid field training cannot be overemphasized in order to maintain the Agency's reputation as a leader in law enforcement.

The Field Training Manual is designed to summarize the duties, and responsibilities of those involved in the training process, as well the required documentation. It is not intended to provide the "nuts and bolts" of training methodology or the technical aspects of police work.

Although the Field Training Manual describes proper procedures for termination, it should be emphasized that the goal is to identify performance weaknesses and to take all necessary steps to correct the behavior. Termination should be considered only after all efforts to remediate have been exhausted.

The intent of the Field Training Manual is to guide the probationary officer through the subsequent steps of development until the probationary officer is ready to function without constant coaching from the Field Training Officer. The Field Training program is offered as an extensive, one-on-one, individualized experience designed to replace "learning by trial and error" with learning by well designed, systematic instruction. It is our desire to assist the probationary officer in becoming a fully competent police officer.

It is the Agency's goal to place a greater emphasis on training, and to view training as an integral part of providing the highest level of service to the community. The future of the Agency rests upon the quality of training received by today's probationary police officers. Every officer should view this as an opportunity to enhance the reputation of the Agency as a leader in law enforcement.

FIELD TRAINING AND EVALUATION PROGRAM

FTO MANUAL

PROBATIONARY OFFICER Brock Wise

BADGE 429

DATE OF COMMISSION 1/8/2020

DUTIES AND RESPONSIBILITIES OF THE FIELD TRAINING OFFICER

Every officer assigned to work with a probationer is acting as a field training officer (FTO) and is responsible for the following:

- * Assisting the probationer in setting clear, job-related learning goals;
- * Using practical and innovative methods of instruction and providing remedial training when necessary to teach the probationer how to do the job;
- * Providing the probationer with clear *and* specific feedback on performance;
- * Apprising the immediate supervisor of serious or continual deficient performance, or other problems related to training; and
- * Documenting the probationer's performance for review by supervisory personnel.

DOCUMENTATION REQUIRED OF THE FIELD TRAINING OFFICER

Each FTO is required to document the performance of each assigned probationer. The required documentation falls into the following four categories:

1. Probationary Police Officer Daily Observation Sheet.
2. Probationary Police Officer Evaluation Report.
3. Probationary Officer Field Task Performance Checklists.
4. Photocopies of deficient reports completed by the probationer.

1. Probationary Police Officer Daily Observation Report

The Daily Observation Report (DOR) is a performance evaluation form which includes ten (10) categories which the Field Training Officer will utilize to formally record and report "On the Job" performance. The FTO will review the probationary officer's overall performance on a category by category basis at the end of each shift worked and/or immediately prior to the next shift. The purpose of this debriefing is to assist the probationary officer in correcting areas of deficient performance and further strengthen those areas in which he/she are performing satisfactorily. There are no secrets in the FTO program; the probationary officer must know where he/she stands in terms of formal performance assessment. The probationary officer will be required to sign and date each Daily Observation Report after he/she has been debriefed. The probationary officer's signature indicates that the FTO has discussed the performance assessment and actions during your assigned work shift and noted any deficiencies in performance. Remedial training action should be initiated to improve performance.

2. Probationary Police Officer Evaluation Report

The Probationary Police Officer Evaluation Report (PPOER) is used by the FTO and reviewing personnel to identify the strengths and weaknesses of the probationary officer. The PPOER shall be completed every two weeks during the FTO program. At the conclusion of each rating period, the FTO shall review all entries on the Daily Observation Reports (DOR's) and other documentation relating to performance. The FTO must then rate the probationary officer in each of the 30 subcategories listed on the PPOER in accordance with the following:

BELOW STANDARD: The behavior demonstrates an inability to accomplish required tasks.

STANDARD: The behavior demonstrates an adequate ability to accomplish required tasks.

ABOVE STANDARD: The behavior demonstrates a more than adequate ability to accomplish required tasks.

The PPOER serves as the basis for a meeting every two weeks between the probationary officer, the FTO, and the Field Training Supervisor and/or Field Sergeant. The PPOER insures that the probationary officer's progress is thoroughly scrutinized and all responsible parties are accountable for his/her continued training and development. The probationary officer should be evaluated on their ability to perform each of the subcategories listed on the PPOER during the rating period. The amount of time in the field is NOT a factor in determining whether or not performance in a particular subcategory was performed at the "Standard" level. All tasks which are rated "Below Standard" must be supported by a specific comment on the PPOER or related attachments.

The FTO must also determine if the probationary officer's **overall** performance is "Satisfactory" or "Unsatisfactory." This is probably the hardest yet most crucial decision that the FTO will make. The criteria for evaluating the overall rating differs from that of the 30 subcategories on the PPOER The following areas should be considered collectively in determining the overall rating of a probationary officer:

- * Length of time in the field. A probationary officer performing "Below Standard" in several subcategories during the first rating period could be given an **overall** rating of "Satisfactory." If the same probationer performed at the same level during subsequent rating periods, an **overall** rating of "Unsatisfactory" would most likely be given.
- * Severity of the deficiencies. If the probationary officer's performance in a particular area is severely deficient, an overall rating of "Unsatisfactory" may be given. For example, if a probationary officer is unable to speak coherently during emergency situations, the overall rating would probably be "Unsatisfactory," regardless of field time.

- * Criticality of the deficiencies. At times a probationary officer will perform "Below Standard" in a crucial area, most often in the area of "Officer Safety." Should a probationary officer's actions place himself or others in physical danger, then the overall rating might very well be "Unsatisfactory." "Below Standard" performance in one subcategory may justify an overall rating of "Unsatisfactory."
- * Response to training. Remedial training is the responsibility of every FTO. However, if the probationary officer has failed at a task and has been properly remediated then subsequently fails again, the overall rating may be adversely affected. There is no magic number as to how many times a probationary officer must fail in order to be classified as "Unsatisfactory." Again, other factors, such as length of service, may be considered in assessing whether the probationary officer is responding to training.
- * Amount of deficiencies. "Below Standard" performance in numerous categories may prompt an FTO to give the probationary officer an **overall** rating of "Unsatisfactory." However, length of service will play a role in this area.

The **overall** evaluation is always subject to review by the Captain or Chief. In those instances where a probationary officer's performance is "Unsatisfactory," the FTO should discuss the overall rating with a supervisor. Once the **overall** rating is determined, the FTO shall attach the Daily Observation Reports to the PPOER. No other reports should be attached to the PPOER, unless attachments are needed to explain "Below Standard" performance.

The FTO shall sign the PPOER and submit it to the assigned supervisor for concurrence. The commanding officer shall also sign prior to submitting it to the probationary officer for signature. The PPOER shall be served to the probationary officer within seven calendar days following the end of the two-week rating period. Probationary officers have 30 days in which to file a written response to any adverse comment.

3. Probationary Officer Field Task Performance Checklists

Each Probationary Officer Field Task Performance Checklist requires entries indicating when training was provided, when the task was performed competently, and when the probationer was deemed competent in the task.

FTO's shall date, initial, and place their badge number under the "Explained" and/or "Demonstrated" columns whenever they provide training in a particular task. The FTO shall provide the same data in the "Performed Competently" column each time the probationary officer performs the task competently or is tested in other ways on knowledge of the subject, such as simulation or role-playing exercises.

FTO's shall date, sign, and place their badge number under "Competent" when it is determined that the probationer officer has the necessary, essential, and adequate ability or qualities required to perform the task. If it appears that practical application of a particular task cannot be performed through actual assignment, it may be resolved through simulation or role-playing and/or written and oral examinations. However, this requires documentation and the concurrence of the immediate supervisor. The immediate supervisor is also required to sign all checklists signed by the FTO, upon concurrence of competency. This provides a check and balance system that the probationary officer is progressing satisfactorily and on schedule

The FTO decides when satisfactory performance equates to competency. If competency is not achieved after several satisfactory performances, a comprehensive entry should be made on the bi-weekly PPOER. The entry should explain what has been done, why competency has not been achieved, what remediation efforts have been made, and what training objectives have been set to allow the probationary officer to become competent in the desired task.

4. Photocopies of deficient reports completed by the probationary officer

The FTO shall retain photocopies of deficient reports completed by the probationary officer prior to corrections. All errors should be noted on the photocopy, clearly visible to anyone reviewing. The deficient report shall then be filed in the probationary officer's notebook. It is unnecessary to retain copies of reports containing minor errors. However, some deficient reports must be retained for any probationary officer who is rated "Below Standard" in any of the report writing subcategories listed on the PPOER A comment shall be entered on the Daily Observation Report describing the errors and referencing the report by type, report number and date.

DUTIES AND RESPONSIBILITIES OF THE FIELD SUPERVISOR

Every sergeant assigned as a field supervisor in a patrol division and given line responsibility over a probationary officer is responsible for the following:

- * Ensuring that field training officers (FTO's) provide timely, quality training and remediation to the probationary officer and that all entries on the PPOER specifically describe job related performance and remedial training provided, and that entries support the overall rating;
- * Ensuring that Daily Observation Reports (DOR) are completed daily by the FTO and attached with each PPOER every two weeks during the rating period;
- * Conducting periodic field observations of the probationary officer's performance and the FTOs training;
- * Meeting with the FTO to discuss the probationary officer's progress and training;
- * Meeting with the probationary officer to discuss training and any problems, and to provide any guidance or suggestions;
- * Reviewing all documentation maintained in the probationary officer's notebook to include the PPOER's, the DOR's; and copies of deficient reports completed by the probationary officer;
- * Reviewing the Probationary officer Field Task Performance Checklists regularly to ensure that the probationary officer is being trained in all areas and to assess progress;
- * Reviewing and signing all Probationary Police Officer Evaluation Reports (PPOER) and ensuring they are completed every two weeks;
- * Ensuring that the PPOER is reviewed and signed by the probationary officer within seven calendar days after the rating period;
- * Apprising the operations commander of a probationary officer's serious or continual deficient performance, or other concerns related to training;
- * Monitoring the training of a probationary officer who is not progressing at a "Satisfactory" level by reviewing reports, monitoring remediation given, identifying training needs, and ensuring that necessary training is provided;
- * Communicating with the operations captain assigned to monitor the progress of a probationary officer who is not progressing at a "Satisfactory" level and,
- * Documenting any observations or discussions involving the probationary officer's performance, progress, or training.

DOCUMENTATION REQUIRED OF THE FIELD SUPERVISOR

Each field supervisor assigned to a patrol division and given line responsibility over a probationary officer is required to document any observations or discussions involving the probationary officer's performance, progress, or training. The required documentation falls into the following three categories:

1. Probationary Police Officer Evaluation Report (PPOER)
2. Probationary Officer Field Task Performance Checklists.
3. Notice to Correct Deficiencies.

NOTE: A Personnel Complaint serves to record alleged misconduct and should not be included in a package or document evaluating a probationary officer's work performance.

1. The Probationary Police Officer Evaluation Report (PPOER)

The sergeant shall review the Probationary Police Officer Evaluation Report (PPOER) that is completed by the FTO every four weeks as required during each rating period. The PPOER is designed to identify the strengths and weaknesses of the probationary officer. The sergeant should indicate his/her concurrence or non-concurrence with the rating evaluation and submit any attached reports, if needed, to validate his/her concerns.

2. Probationary officer Field Task Performance Checklists

The sergeant shall review the Probationary Officer Field Task Performance Checklists at least once every two weeks to ensure that the probationary officer is being properly trained in each area, and to assess progress. *Any* deficiencies in training or progress shall be discussed with the FTO. After each checklist is signed off by the FTO, the sergeant shall also sign upon concurrence of competency.

3. Notice to Correct Deficiencies

A Notice to Correct Deficiencies on departmental letterhead can be used to document deficient performance or censurable incidents, not amounting to misconduct. It is an effective tool to formally advise a probationary officer of a deficiency, which needs to be corrected. When presenting this report to the probationary officer, the sergeant shall discuss the deficiency with the probationary officer as well as methods to correct the problem. A photocopy of the Notice to Correct Deficiencies shall be made and filed in the probationary officer's notebook.

DUTIES AND RESPONSIBILITIES OF THE OPERATIONS COMMANDER

Commanding officers are ultimately responsible for the proper training and remediation of probationary officers under their command, and for recommending whether probationary officers are retained as permanent employees. Each operational commanding officer shall ensure compliance with the provisions of the Field Training Program and is responsible for the following functions:

- * Establishing a divisional notebook where all documentation on each probationary officer is filed for easy reference,
- * Reviewing and signing all Probationary Police Officer Evaluation Reports (PPOER),
- * Ensuring that all subcategories rated "Below "Standard" on the Probationary Police Officer Evaluation Report (PPOER) are supported by specific comments;
- * Ensuring that the probationary officer Field Task Performance Checklists are utilized by the field training officer (FTO), and reviewed regularly by supervisors having line responsibility over the probationary officer;
- * Ensuring that photocopies of deficient reports completed are filed in the probationary officer's notebook prior to corrections;
- * Ensuring that supervisors document any observations or discussions involving a probationary officer's performance, progress, or training at least once every two weeks during each rating period, and file a photocopy (initialed and dated by the probationary officer) in the probationary officer's notebook;
- * Apprising the responsible FTO or supervisor of any deficiencies in the documentation;
- * Apprising the HRM Commander of the progress of each probationary officer to determine whether an extension of the FTO program should be considered or whether termination of the probationary officer's employment should be considered.

EXTENSION OF FTO PROGRAM OR TERMINATION OF EMPLOYMENT

All reasonable efforts should be taken to ensure successful completion of the FTO program with each probationary officer, to include remediated training, extending the FTO training program, or assignment of the probationary officer with a different FTO.

However, should a decision be made to terminate the employment of the probationary officer, thorough documentation of “Unsatisfactory” progress will need to be recorded.

The Operations Commander and Human Resource Management (HRM) Commander, in consultation with the Chief Executive of the Agency, must follow all applicable guidelines concerning termination of employment to include:

1. Following civil service rules and regulations;
2. Following departmental employment guidelines, policies and procedures;
3. Following departmental disciplinary guidelines, policies and procedures, and
4. In accordance with applicable collective bargaining contract language.

The new officer will be evaluated daily on the job-related dimensions listed on the DOR. The FTO must understand the characteristics of each performance evaluation category before evaluating the probationary officer. Comments are required any time the FTO selects "not acceptable" for any category. Comments can be both positive and negative, depending upon the job performed.

Remember, this section is designed to provide a daily evaluation of the probationary officer's effort for a particular day and is not to be used to chart his/her performance in the field training program as a whole. It is, therefore, probable that the probationary officer will be evaluated as "exceeds standards" one day and "not acceptable" the next. Each of the DOR evaluations must be reviewed and initialed by the field sergeant.

PAGE ONE OF THE DOR:

1. **DRIVING SKILL:** Evaluates probationary officer's skill in police motor vehicle operation under normal/routine, urgent/emergency situations, and in normal/adverse weather conditions.

PAGE TWO OF THE DOR:

The second page of the DOR should document any training provided to the probationary officer. It should also reflect activity generated by the probationary officer to include, but not limited to, traffic enforcement, investigative stops, field interviews, building checks, foot patrol, citizen or merchant contacts, warrant checks, probationary officer acting as the primary contact officer.

In addition, any simulated exercises or role playing scenarios should be documented. This may include question and answer sessions in the patrol car, verbal testing, written examinations, simulated crime scene response and analysis (i.e., homicide, suicide, or rape investigation), role playing scenarios (i.e., domestic violence call), accident investigations, or any other calls for service.

The most important aspect of page two is the documentation of job performance demonstrated by the probationary officer on a daily basis. The FTO is encouraged to set up simulated exercises or role playing scenarios to offer the probationary officer various challenges to ensure comprehensive, on-the-job training experiences.

CITIZEN COMPLAINT REVIEW

5/05/2024

CFS # 2241240053

Date of incident: 5/3/2024

Time of incident: 1730 hours

Location of incident: 315 Day St.

Complainant: Cletessa Adams / Jordan Chapman (other involved)

Officer(s): Ptl. Wise, Ptl. Mohler, Ptl. DeHoff

Cpt. Smallfield,

Incident Synopsis

On 5/3/2024 at 1730 hours, Ptl. Wise observed Jordan Chapman in his driveway located at 315 Day St. Wise being very familiar with Chapman and his history of having warrants, verified he held one through RPD for DUS. Wise confirmed the warrant, then made contact with Jordan advising he had an active warrant with RPD. Cletessa Adams, his girlfriend was next to him holding their child in common. Cletessa immediately stepped between Wise and Jordan while yelling at Wise he was on private property, saying he had no right to be there. Cletessa refused to get out of Wise's way so he could arrest Jordan as she held her arms out creating a barrier. Wise requested other officers with Ptl. Mohler and DeHoff arriving shortly after. Wise warned Cletessa for obstructing and was able to get around her to place Jordan in handcuffs. She continued being disorderly by yelling and cursing throughout the entire duration of the arrest with many surrounding neighbors watching on. Jordan was transported to the jail without incident from him. Cletessa was advised she would be receiving summons in the mail for obstructing and disorderly conduct. Wise later told me he chose to summons Cletessa to avoid having a child removal if both parents were arrested.

Written Complaint Synopsis

I met with Cletessa and Jordan at RPD on 5/3/2024 at approximately 1930 hours as they wished to speak with a supervisor. Cletessa filled out a citizen complaint form. Cletessa feels RPD officers had no right to come on her private property to arrest Jordan on his warrant. She advised one of the officers told her to shut the fuck up which she didn't deserve. I asked if she was yelling at officers and she admitted she was. Cletessa states she and Jordan are constantly harassed by RPD officers. She thinks RPD has a lot of racist officers, and she is in fear for her life. She said they are profiled and constantly stopped during traffic stops by RPD officers.

Review of complaint

On 5/5/2024, I completed my review of the complaint after watching the body worn cameras officers were wearing during this incident and made a Getac case. Additionally, I reviewed reports in Sundance involving both Cletessa and Jordan over the past two years to verify if her statements of being harassed by RPD officers had merit.

On 5/3/2024 at 1730 hours, Ptl. Wise observed Jordan Chapman in his driveway located at 315 Day St. Wise being very familiar with Chapman and his history of having warrants, verified he held one through RPD for DUS. Wise confirming the warrant, then made contact with Jordan advising he had an active warrant with RPD. Cletessa Adams, his girlfriend was next to him holding their child in common. Cletessa immediately placed the child down and stepped between Wise and Jordan while yelling at Wise he was on private property, saying he had no right to be there. Cletessa refused to get out of Wise's way so he could arrest Jordan after being told numerous times to get out the way. Wise calmly advised both of Jordan's warrant making it very clear to both. Cletessa continued yelling and was warned for obstructing at this point. Wise requested other officers on scene with Ptl. Mohler and Ptl. DeHoff arriving shortly after. Wise was able to place Jordan in handcuffs after having to push past Cletessa to get to him. She continued yelling and cursing loudly in Wise's face while many surrounding neighbors watched on due to her commotion. Wise escorted Jordan to P6 as officers arrived. Cletessa continued yelling from the other side of roadway and was warned for disorderly conduct multiple times by officers including them telling her they didn't want to have to do a child removal if she was arrested which had no effect on her as she continued being disorderly. Ptl. Mohler warned her to stop yelling and ultimately told Jordan to tell Cletessa to shut the fuck up before she is arrested which was heard by her and she yelled for Mohler to shut the fuck up. Cletessa would start yelling officers were harassing them due to being black and no blacks should feel safe around the officers. Officers cleared and while doing so, advised Cletessa she would be receiving summons in the mail.

Reviewing the footage, Wise was very professional throughout the entire duration and maintained a very calm demeanor. Officers were unable to deescalate Cletessa as she yelled and cursed the entire time. It was obvious she was the root cause of the incident by her aggressive demeanor towards officers and was attempting to provoke them. At no point did she look fearful of officers. Officers tried to speak reasonably to Cletessa, however, it had no effect. Ptl. Mohler should've maintained his professionalism by not telling her to shut the fuck up but it was evident she was hostile towards them. I spoke with Mohler about watching what he says on calls as sometimes the little comments can make a situation worse.

Reviewing reports involving Cletessa and Jordan verified they have a lot of history with RPD. Both have been arrested for domestic violence involving each other including TPO violations. Jordan has many reports involving him having active warrants, driving with 26 open suspensions, and marijuana seized multiple times. Cletessa has a history of warrants and suspensions as well. Many officers of RPD are very familiar with the couple due to the history of domestic related arrests or traffic cites for driving under suspension and are able to identify them while driving under suspension due to the level of familiarity with each. Additionally, many officers have used discretion with both many times by giving them warnings for traffic infractions.

Conclusion of Review

After reviewing the complaint, the claims against officers have no merit and are false. Cletessa's behavior during the incident was not acceptable and the summons she will be receiving from the incident are warranted. Additionally, the claims of previous harassment are unfounded as it was very evident officers have acted impartially with both parties. It is my opinion, officers have acted reasonably and within the Policies / Procedures of the Ravenna Police Department.

Respectfully,

Sgt. Coy #409

Re: State of Ohio v. Patrick Boggs
Case Number 2021 CR 244

Dear Chief Wallis:

It is my distinct pleasure to inform you what a fine job your department did in the above-captioned case. Due to your staff's detailed approach to a difficult case, the defendant was convicted of Attempted Murder with a Repeat Violent Offender Specification. As a result, Boggs was sentenced to 12 to 17 ½ years in the Ohio State Penitentiary.

I would certainly like to compliment your entire department, especially Detective Duane Kaley, Captain Jake Smallfield, Officer Josh Twigg, Officer Dominic Nicolino, Officer Scott Paolucci, Officer Brock Wise, and Officer Scott Krieger. These law enforcement officers should be recognized for their investigation and continual support through final disposition. These men did an excellent job in swiftly piecing together a very violent and grisly stabbing that involved an elderly autistic man.

These officers should be commended for their commitment to violent crimes, within our community. Certainly, the uniform officers should be acknowledged for their rapid response in seeking medical attention to the victim who had suffered a four-inch neck laceration, exposing his epiglottis all the way back to the posterior of his throat. In fact, the victim had lost 3 pints of blood and was essentially drowning on his blood. Doctors indicated if it hadn't been for the speedy response of police and EMS, the victim would have died. It is truly by

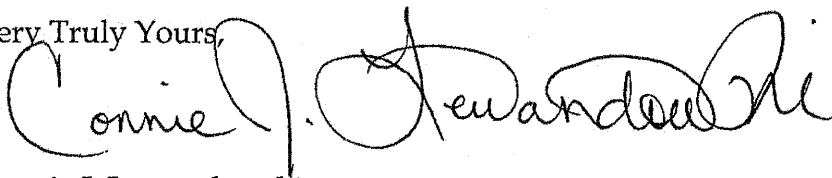

the grace of God that the victim survived. I'd like to also recognize the responding officers for quickly identifying a suspect in this case, because of their smart police work, a swift apprehension of a dangerous repeat violent offender was possible.

In addition, I would like to also acknowledge Detective Duane Kaley, who always gives me 100% on all his investigations. Kaley investigated this case as a murder, and, he followed all the proper police protocol a case of this magnitude deserves. Kaley did an excellent job in locking witnesses into statements as well as interrogating the defendant. Kaley has a great talent in establishing a good rapport with witnesses and defendant's alike, and ultimately, Kaley was able to lead a career criminal to the path of making incriminating statements against his interests. Those statements proved invaluable to the investigation, as the victim would later exhibit reluctance to cooperate. Kaley should be honored for his astute investigative abilities, his continued work ethic, and dedication to criminal investigations.

Lastly, I'd would like to thank Captain Jake Smallfield for extracting data from a witness's cellphone, that data proved priceless in identifying the perpetrator as well as the defendant's true intent for the stabbing the victim. Smallfield does an awesome job in cellphone extractions and interpretations and has amazing leadership skills!

Thank you, Chief Wallis for providing the State of Ohio such able law enforcement officers. I was certainly happy to encounter such a hardworking and disciplined team.

Very Truly Yours,

Informational Report for CFS #2203410004

I was instructed by Capt. Smallfield to investigate an incident that occurred on December 6, 2020 involving Ptl. Wise. Capt. Smallfield advised me to investigate an incident involving damages to city property.

Incident:

On December 6, 2020 Ptl. Wise was scheduled to work a security detail at 3:00A.M. at University Hospital. While enroute to the hospital, his unsecured and unbagged AR-15 rifle was left on the trunk of his patrol vehicle and slid in the roadway in front of University Hospital. An employee of the hospital saw the rifle and University Hospital and Ravenna Police Department. The rifle was recovered by Sgt. Wert, but severely damaged.

Interview with Ptl. Wise:

On December 8, 2020 I spoke with Ptl. Wise about the incident. Ptl. Wise said he arrived at work at 2:45A.M. He went through his normal routine of getting ready for his shift (putting on his exterior vest, grabbing his rifle and duty bag from his personnel vehicle and going to his assigned patrol vehicle). Ptl. Wise placed his rifle on top of the cruiser's trunk and went to the safe room to obtain a Taser. He then went ahead to leave the motor pool to go relieve Ptl. Mohler at University Hospital. Not realizing he did not secure his rifle, leaving it on the trunk.

At 3:52A.M. Ptl. Wise, who was not aware of the missing weapon, was informed by St. Wert his weapon had been recovered.

Looking at the schedule I noticed Ptl. Wise worked a 7:00am to 7:00pm (day prior to incident) then coming back into work at 3:00am for this detail. He was asked if this played in part of the carelessness of his weapon. Ptl. Wise said he was tired but took ownership of his mistake.

Interview with Sgt. Wert:

Sgt. Wert said he and University Police Dept. were dispatched to the front entrance of the hospital for what the P/R believed a rifle in the road. Upon his arrival a University officer (D. Wert) had the rifle but was unable to clear the weapon due to the bolt being jammed. Sgt. Wert secured the weapon and found it as being Ptl. Wise's assigned rifle and brought it on station. Sgt. Wert contact Ptl. Wise and informed him.

Damaged Weapon:

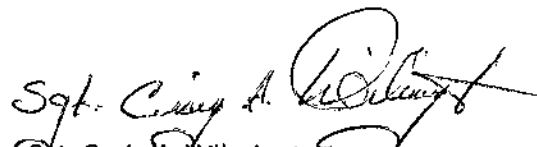

(Rock River Arms Serial number [REDACTED])

Sgt. Wert and I examined Ptl. Wise's assigned rifle. On the upper receiver assembly, the handguard assembly was damaged. This item was put on and owned by Ptl. Wise. The gas tube was bent not allowing the key and bolt carrier to slide in and out of the upper receiver. Front sight base assembly is displaced to the right and flash suppressor is scaped.

The lower receiver assembly appeared to be intact and in working order.

A report of this incident was completed under call for service number 2203410004 with photographs of the damaged weapon.

Respectfully Submitted,

Sgt. Craig A. Wilmington

Subject: Attention Chief Wallis

Chief Jeff Wallis,

I would like to express my gratitude and appreciation for your agency and the officers who are employed therein. On two recent occasions I have had to contact The Ravenna City Police Department and request assistance for matters that required additional police support in order to maintain control of our working environment here at University Hospitals Portage Medical Center. Your officers responded promptly and they maintained a high level of professionalism throughout the incidences we were dealing with. There are five of your officers that I would like to recognize specifically.

On Thursday, October 22nd into Friday, October 23rd, the ED here at UH became overwhelmed with "Pink Slipped" patients, 14 to be exact. 4 of which were highly combative and ended up in locking restraints by the end of my shift at 0700 hours. Sgt. Andrew Wert and Ptl. Scott Paolucci responded to our call for assistance within minutes of being notified. When they arrived they both responded to areas they sought needed their assistance and helped by either calming patients down, or assisted in getting the highly combative patients secured in locking restraints. Both officers responded respectfully to instruction and they did not clear from the Emergency Department until things were under control without their assistance. I cannot express enough my appreciation for these two Police Officers. Their level of professionalism is exemplary. The second occasion most recently occurred this past Sunday morning, November 1st.

Earlier in the morning the PCSO brought in a psychiatric patient whom they had placed under application for emergency admissions. The patient was calm and cooperative in the beginning but then he eloped from the Emergency Department at 0800 hours and fled off of UH property. Patrolmen Ben Vecchio, Dominic Nicolino, and Brock Wise all responded to our property to assist in finding and apprehending the "pink slipped" patient who was clearly experience some kind of psychotic issue. Your officers were able to locate and apprehend the patient in the vicinity of the Woodlands Nursing Home. They were able to make the apprehension with little force, only hand-cuffing, and they held the patient until my day shift officers were able to meet up them for the transfer. Once transferred, these officers didn't clear the scene and go about their normal responsibilities within their jurisdiction. They followed my day shift officers to the Emergency Department Ambulance bay to assist in getting the patient back into the ED with little harm and force. They stood by outside the patient's room ensuring a strong police presence while we restrained the patient in locking restraints. In my 20 years of law enforcement, if this was another police agency, the assisting officers would have cleared the scene as

quickly as possible. Your officers did not until they could see that everyone was safe, and the situation was beginning to de-escalate. Again, this level of professionalism is exemplary.

Here at University Hospitals we have a way of recognizing employees by awarding Appreciation points to the employees who go above and beyond. If I could award points to your officers I have aforementioned, they would be awarded 10,000 points. Each officer should be recognized for their professionalism, and you should be proud they are a part of your team. Thank you very much for your time.

Respectfully,

Patrolman Brock Wise
Has Been Awarded an Official
Departmental Citation for Distinguished Service

On May 11, 2020, at 3 am, you were on patrol when you observed smoke coming from the rear of the residence at 460 South Walnut.

Upon further investigation, you observed flames coming from the rear porch of the residence. You then made contact with the occupants, ensured they were safely evacuated, obtained a fire extinguisher and extinguished the flames. The Ravenna Fire Department arrived a short time later and confirmed the fire was out and no longer a threat.

I feel your quick response and actions were critical in reducing the loss of property and possible loss of life to the occupants of 460 South Walnut.

On behalf of the Ravenna Police Department you are hereby awarded the Ravenna Police Department Distinguished Service Award. Your bravery, professionalism, and devotion to duty are above reproach. This commitment to duty is held in the highest tradition of the Law Enforcement Profession.

Subject: 460 S.Walnut Fire

Chief Wallis,

I wanted to write you to let you know what an outstanding job Officer Brock Wise did on the early morning of May 11, 2020. While patrolling S. Walnut St. he notice a fire on the back porch at 460 S. Walnut St. Officer Wise quickly started knocking on the door to notify the resident, and she handed him the fire extinguisher in the kitchen. If it was not for his quick response, and being in the right spot at the right time there would no doubt be more damage, and at 03:00 in the morning possibly someone needed rescued. The resident stated that light had a birds nest on it so this was determined to be the cause. Keep up the great job!

Thank you,

Lt. Chris Singleton
