Author: SA Steven Seitzman

Narrative:

On December 21, 2022, the Ohio Bureau of Criminal Investigation (BCI) was requested to investigate the facts and circumstances surrounding an Officer-Involved Critical Incident (OICI) that occurred at Sidney Foodtown, located at 1010 Wapakoneta Avenue, Sidney, Shelby County, Ohio. The OICI occurred when Sidney police officers encountered Todd I. Jordan (Jordan), who was armed with a gun inside Sidney Foodtown.

On December 23, 2022, at 0945 hours, BCI Special Agent Steven Seitzman (SA Seitzman) conducted a phone interview with Travis David Gossard (Travis) regarding information he relayed to his mother, Annette I. Wooddell (Annette). On December 22, 2022, Travis advised Annette that an unknown person on TikTok with the username "Lihhaamster" had reached out to him and told him she had information about Jordan. The interview was recorded on a handheld digital recording device.

The information provided below summarizes key points from the recorded interview and is not a verbatim account. Further, this report was placed in a chronology to aid the reader's overall understanding of the information elicited during the interview and may not be reflective of the actual sequencing of questions. It is suggested that the full audio recording be reviewed in its entirety.

Travis advised SA Seitzman that he lived with Annette, Jordan, Dylan Wooddell, and his other brothers from 2010 to 2014 on Michigan Street in Sidney, Ohio. He advised that Jordan was fine to be around when he was not drinking; however, when Jordan drank, he could "flip a switch and be mean." He recalled an incident in or around 2014 when he saw Jordan strike Annette. He said Jordan moved out for a period of time after that encounter.

Travis advised that he last spoke with Jordan via text message in October 2022. During the text

message conversation, Jordan accused Annette of corrupting him with drugs. Jordan sent him an audio file of Annette talking to Sherrie Redinbo (Redinbo), during which Annette allegedly admitted to putting drugs in Jordan's beer. Travis stated that he still had the text message conversation and audio file, which he would forward to SA Seitzman.

Regarding the messages he received on TikTok, he advised SA Seitzman that username Lihhaamster messaged him approximately two weeks ago, stating, "You have to hear what your mom did to Todd (Jordan)." He advised that he responded to the message by stating that he knew the account was spurious and to leave him alone.

SA Seitzman questioned Travis about how the person knew to contact him. He said that Lihhaamster follows Jordan on TikTok. He advised that he had commented on Jordan's TikTok page at some point, and Lihhaamster must have inquired from Jordan as to who he was.

On December 22, 2022, Travis messaged Lihhaamster, asking if they had information about the incident on December 21, 2022. Lihhaamster initially indicated that they did not know what Travis was talking about and asked what happened to Jordan. Lihhaamster later told him that they communicated with Jordan in the morning of December 21, and Jordan told Lihhaamster to "watch the news at 9." Jordan then told Lihhaamster he was going to travel. Lihhaamster told Travis that they speak with Jordan daily. Lihhaamster further said that Jordan would need to pay if he wanted more information.

Travis informed SA Seitzman that he would forward his conversation with Lihhaamster. He advised he did not have all of the messages because Lihhaamster may have blocked him, thereby deleting some of the content.

The interview was concluded at 0956 hours. The audio recording is attached below. Also attached are the TikTok messages between Lihhaamster and Travis, the text messages between Jordan and Travis, and the audio file of the conversation between Annette and Redinbo.
