**Investigative Activity:** Interview with Officer  
**Involves:** Bryan K Schwartz (O)  
**Date of Activity:** 12/21/2022  
**Author:** SA Christopher Hamberg, #69

**Narrative:**

On December 20, 2022, the Ohio Bureau of Criminal Investigation (BCI) was requested to investigate the facts and circumstances surrounding an officer-involved critical incident (OICI) that occurred on the railroad tracks near Section Street, in La Rue, in Marion County, OH. The OICI occurred when the Marion County SWAT Team (MCST) [which encompasses deputies from the Marion County Sheriff's Office, along with police officers from the Marion Ohio Police Department] came in contact with Travis Hellinger (Hellinger) as the MCST was attempting to execute a search warrant at the Hellinger residence. Hellinger succumbed to his injuries.

On December 21, 2022, BCI Special Agent (SA) Chris Hamberg (Hamberg) interviewed Officer Bryan Schwartz (Schwartz) of the Westerville Police Department. [It should be noted that Schwartz is part of the Delaware County Tactical Unit (DTU) and they assisted on the Marion County Operation that involved the OICI. The interview took place at the Coliseum X laser tag, 100 Dillmont Dr., Columbus, OH; as the DTU had training. The interview was digitally recorded. The audio file is attached to the case file.

The purpose of the interview was to ascertain what Schwartz may have witnessed at the scene of the Marion OICI.

SA Hamberg asked Schwartz to describe how the events unfolded and what he witnessed in regard to the OICI. Schwartz stated he was assigned to the "Bearcat" team and their job duty was to make entry into the pole barn at the Hellinger residence. Schwartz stated he did not witness the shooting incident, and they were advised by radio traffic that Hellinger had made his way to the railroad tracks and was walking backwards on the railroad tracks and was illuminating the area with a flashlight, with the Marion SWAT following Hellinger.

Schwartz had no additional information to share on the incident.
