Steubenville, OH 43952, Jefferson County

Investigative Activity: Review – Dispatch Related Information
Involves: Steubenville Police Department (O)
Activity Date: 06/04/2026
Activity Location: BCI - Richfield
Authoring Agent: SA John P. Tingley #154

Narrative:

On Thursday, June 04, 2026, Ohio Bureau of Criminal Investigation (BCI) Special Agent (SA) John Tingley (SA Tingley) reviewed the requested records and recordings from the Steubenville Police Department (SPD). SPD had previously been requested to provide all dispatch records, audio recordings (radio, 911, and phone), mobile data terminal (MDT) communications, and any other dispatch/communications-related information for the date of the Officer Involved Critical Incident (OICI).

SA Tingley reviewed the audio recording and documentation and noted the following:

Radio Traffic Recordings:

SA Tingley reviewed the audio-recording of the radio traffic from the SPD related to the OICI.

The summary below is not intended to be a word for word translation of every radio transmission which occurred before, during, or after the incident. Rather, the information listed documents the radio traffic that was deemed by the author to be the most relevant and useful in obtaining an understanding of the radio traffic related to the OICI.

As there is no date and time stamp on the recording provided by SPD, the times listed will be the time elapsed from the beginning of the recording.
