Officer Involved Critical Incident - 905 E. Warren St.,
Bucyrus, OH 44820, Crawford County

Investigative Activity: Crime Scene Assistance and Collection of Uninvolved Firearms and Ammunition from Residence

Involves: Paul Desmarais (S)

Activity Date: 05/11/2026

Activity Location: 905 E Warren St., Bucyrus, Ohio

Authoring Agent: SA Ryan Emahiser #36

Narrative:

On May 12, 2026, Ohio Bureau of Criminal Investigation (BCI) Special Agent (SA) Ryan Emahiser responded to assist in the investigation of the officer involved critical incident (OICI) that occurred at 905 E. Warren St., Bucyrus, Ohio. Upon arriving, SA Emahiser assisted BCI Crime Scene Unit (CSU) agent and techs in evidence collection within and surrounding the residence. The CSU will provide photographs and documentation of their evidence collection in a separate report.

During the initial BCI investigation of the OICI incident and scene, it was learned that the involved subject, who at the time of BCI's arrival was deceased, possessed a multitude of firearms within the residence. Bucyrus Police Department (BPD), the agency that requested BCI assistance to investigate the OICI, obtained a search warrant authorizing BCI to execute a search of the residence relative to the OICI. As CSU began evidence collection and documentation of the scene, it was determined that numerous firearms and ammunition located within the residence were not probable to be directly involved in the OICI. Those items not believed to have been involved in the OICI were collected by SA Emahiser and were transferred to and released to BPD to be stored in evidence by BPD. A copy of the property inventory for the firearms and ammunition released to BPD has been uploaded to this case file and attached to this report for review. All firearms and ammunition seized and transferred to BPD were photographed by assisting agents and placed into Axon Justice for review.
