contained on/in property, to wit: Samsung Android in a Black Cell Phone Case pictured above and currently stored at BCI Richfield, 4055 Highlander Parkway, Richfield, OH 44286, and held as evidence in case **2026-0745** in a clear plastic bag as **Matrix Evidence Item #019, C00020-1027408** and that it is necessary for the search thereof to be made in the **DAYTIME**.

If found, said items will be seized and used as evidence in the continued investigation and/or prosecution of **Ohio Revised Code 2903.11, Felonious Assault**.

I am satisfied that there is probable cause to believe that the above-described items are within the above-described premises, and that grounds for issuance of this search warrant exist.

YOU ARE HEREBY COMMANDED TO SEARCH AND SEIZE THE FOLLOWING PROPERTY, WHICH IS SUBJECT TO SEARCH AND SEIZURE:

- Data including emails, notes, photographs, images, video recordings, audio recordings, contacts, incoming/outgoing/missed calls, text messages, and social media correspondence. Any data identifying the owners of the cellular phones. This data could also include location and global positional system (GPS) history.
- Any and all electronic data contained in the device's memory, or call history of the cellular phones, to include but not necessarily limited to; call history, any names, phone numbers, addresses, contact information, data, text, messages, images, voice memos, photographs, videos, audio recordings, personal settings and preferences established on the device such as but not limited to, internet favorites, email processing such as forwarding addresses, internet cache settings, calendars, notes and note taking, other preferences such as but not limited to, speed dialing assignments, voice dialing assignments, ring tone assignments, internet sites, internet access, Wi-Fi information, documents or other information, contained in the cellular phones and laptop computer's internal, external, or removable memory devices, which may include SIM cards and micro SD cards.
- Any and all data contained on the cellular phones and laptop computer or other storage devices which includes previously erased data that may be located may be located such as, but not necessarily limited to, Personal Data Assistant, secure media cards, smart cards, SIM cards, micro SD cards, digital camera media such as compact flash cards, in any format and, whether the data is stored in files, tables, other data structures, or unallocated space.
- Said search may include production and examination of a duplicate memory card image, and the devices, and cell phones images, and laptop computer, or analysis files, which contain all the data on the reference devices, cell phones, laptop computer, and/or storage media, said duplicates, files and data becoming the sole property of the Ohio Attorney

General's Office, Bureau of Criminal Investigation or other law enforcement agency with jurisdiction or property authority in this matter.

- The law enforcement agency to which this warrant is issued is authorized to seize the above-described materials and conduct further examination by a qualified computer expert, provided such expert operates under the direction, supervision, and control of said law enforcement agency.

Request For Modification of Three (3) Day Execution Deadline

This Affiant states that the requested search of the electronic media to be performed by a qualified computer forensic examiner is expected to require more than three (3) days due to logistical and technical concerns. Hence, the "execution" of the requested warrant may require several weeks from beginning to end. If the term "execution" were deemed to occur at the completion of the examination rather than the initiation of the examination, then it would be pragmatically impossible for law enforcement officers to comply with the three (3) day deadline and still properly conduct the search. Therefore, pursuant to revised Code 2933.24(A), this Affiant requests this Court require said seizure and/or search be initiated, by delivering the electronic evidence to the examiner, within three (3) days, unless and until otherwise authorized by this Court.

THEREFORE: You are hereby commanded in the name of the State of Ohio, with the necessary and proper assistance, to serve this warrant and search forthwith for the property specified located at the Ohio Bureau of Criminal Investigation, 4055 Highlander Parkway, Richfield, OH 44286, and if the property specified or any part thereof be found there, you are commanded to seize it, leaving a copy of this warrant and a receipt for the property taken, to prepare a written inventory of the property seized, to return this warrant to the undersigned or any Judge of the Court of Common Pleas, SUMMIT County, and to bring the property found on such search forthwith before said Judge, or some other judge or magistrate of the county having cognizance thereof.

Given my hand this 2nd day of March, 2026.
