RE: Lt. [REDACTED]

Dear Sheriff Frazier:

On today's date I interviewed Lt. [REDACTED] regarding his recent officer involved shooting incident. I was able to do the interview remotely via Zoom and was able to conduct a debriefing about the incident.

Lt. [REDACTED] is an experienced law enforcement officer and has reacted appropriately to the incident that led to the shooting of the suspect. He is not demonstrating any overt symptoms that would suggest that he is experiencing any post-traumatic effects of the incident; he sleeps normally, has a normal appetite, is not experiencing any flashback memories. He is able to discuss the incident without undue emotional reactivity.

It is my opinion that he is able to return to his duties with your office at this time, and I will follow up in a few days to insure that he continues to do well. He notes that he has been back to the office on a daily basis and that is helpful as well, as it allows ongoing support from his co-workers and others.

If I can be of further assistance feel free to contact me. I can be reached by email at: hagen.james@gmail.com, or by cell phone at 740-649-5559.

Sincerely,

James Hagen, Ph.D.

Chief Deputy Conley,

To follow up on our phone conversation today, I wanted to send you this email to summarize my opinion about Lt. [REDACTED] and his readiness to return to work.

I interviewed Lt. [REDACTED] today, and in my opinion he is capable of returning to his duties with your office. He is doing well and shows no indication of ongoing concerns that would preclude him from carrying out his duties.

I will submit a formal signed letter to this effect and send it via regular mail, but I wanted to give my opinion to you with this email.

Jim Hagen, Ph.D.
